1.) Start of the event

Aditi: A very Good evening and a warm welcome to one and all. I hope everyone is doing well. My name is Aditi Parab, and I'm a student of FYBSc.IT. I am also a member of DLITA that stands for Dalmia Lions IT Association, the official IT association of our prestigious college. Our magnificent BSc.IT program and D'LITA along with IQAC are the organisers for today's event. Har kaam ki shuruat se pehle Ganesh ji ki vandana karni chahiye jisse kaam ka nirvahan safaltapurvak hota hai aur isliye main meri sehpathi Ritesh Vishwasrao se nivedan karungi ki voh Ganesh Vandana ki vaani sunaa kar hum sab ko dhanya kare.

(After Ganesh Vandana)

Thankyou Ritesh.

Event intro: Today's event is about "Getting Started with LinkedIn". But before we begin, I would first like to give a short introduction to everyone about the concept of LinkedIn. As quoted on their official website "*The mission of LinkedIn is simple: connect the world's professionals to make them more productive and successful*". Clearly it means that it is an open platform for people of various professions to connect with each other to create more innovation and productivity around the world. To make that a successful and clean process, one needs to design an attractive LinkedIn profile. Attractive not in terms of looks but in terms of skills, experience, diverse background, achievements and all those things that are required in a basic resume which will make the employer go passionate about wanting to hire you. Today's event is based on how to implement this glorious concept of LinkedIn. Now, I would like my fellow mate from SYBSc.IT, Ms. Tahera Ansari, to introduce our respected and beloved dignitaries.

2.) Introduction of Principal Sir, Vice-Principal ma'am

Tahera: Thank you so much Aditi. Good evening one and all. Firstly, I take pride in introducing our respected principal Dr. Kiran Mane. He has a vast experience of 23 years and is a specialist in Economics. He has also been part of

(Signature)

the NCC, and has been a motivating spirit always. We are all honoured to have him as our principal sir.

(If he is present) Sir it would be our pleasure to have you addressing our young minds in today's event. Welcoming Principal Dr. Kiran Mane.

Thank you so much sir for your kind and inspiring words.

(If he is not present) Unfortunately he couldn't join us today but he did make sure to send his well wishes and blessings to all of us.

Now I would also like to welcome our Vice-Principal from Degree College, Prof. Madhavi Nighoskar.

I would also like to welcome our IQAC incharge, Prof. Emelia Noronha ma'am

Now, I would also like to take the privilege of introducing our dynamic and versatile vice-principal SFC Prof. Subhashini Naikar. She is also the assistant professor at Degree College and is an author of many books. She has a vast teaching experience of 13 years and is also every student's personal favourite mentor. Subhashini ma'am it would be our honor to have you address us.

(After Subhashini's ma'am speech)

Tahera: Thank you so much Subhashini Ma'am, for your kind and enriching words, the young minds here will sure be encouraged to perform even better now. Now I would request my fellow colleague from FYBSc.IT Mr. Hussain Sayyed to introduce our respected speaker for today's event.

3.) Introduction of spokesperson and beginning of the session.

Hussain: Thank you so much Tahera. Our spokesperson for today's event is Ms. Radhika Chavan. She is a Soft Skills Trainer, Content Writer, Language Coach, Solopreneur and Personality Development Trainer. She has a diverse experience of 9 plus years in distinct industry. Her work of infographics designing and blog writing is been appreciated by International Author 'Sara Harvey' on her Book 'Kaizen'. She is meticulous in her work and a passionate trainer. Continuous learning is something that keeps her motivated all the time. Her content writing involves web content, blog writing, PR releases and social media posts. Micro influencing is what you can count on as she says "Numbers doesn't matter, conversion of clients do matter". If client pays for your services and is ready to recommend it to others then that's a deal sealed. With all our warm hearts, we welcome you Radhika ma'am to begin the today's session..... Radhika ma'am.

Radhika Chavan

(After the whole session, Ritika and TY Students will be continuously interacting with Radhika ma'am)

Ritika: Thank you so much Radhika ma'am for conducting such a wonderful session. At this point, I am very much sure that everyone would have now understood the importance of having a LinkedIn profile and also, how to use it, to pursue the job of their dreams. Now I would like to begin with the Q&A session.

(After the Q&A session)

Thankyou so much audience for the overwhelming responses and I hope so all your queries are now clarified. Now I would request all the attendees of today's event, to switch on their cameras for a group photograph.

(After group photograph)

I would also request all participants to fill the feedback form whose link is posted in the chat-box, to receive the certificates. The links will be active only for an hour so do fill them fast Now I would request my fellow colleague from TYBSc.IT Mr. Abhinav Upadhyay to present the vote of thanks.

4.) Vote of Thanks

Also, nothing could make me more proud than to thank our beloved faculties from BSc.IT department, Prof. Rupali Mishra and Prof. Sanjana Khemka to help us at every stage of developing this event into a

Abhinav

commendable one, nothing was possible without their support and guidance. Lastly, would also like to thank all the members of our team D'LITA who worked day and night in the past week for making this event a real success. Thank you to all the attendees for attending this event and making every bit of hardwork done for today worth it. Now I request all the attendees in today's event to stand at their places to honour the National Anthem and also may I request Mr. Ritesh to play the same.
