# DEPARTMENT OF LIFELONG LEARNING AND EXTENSION (DLLE)

**"Distance shouldn't be a factor in learning but hard work, focus and hustle should be".**

The Department of Lifelong Learning & Extension (DLLE) has been recognized as a Statutory Department of the University of Mumbai since 1994. It aims to promote a sustained rapport between the University & the Community. The Extension dimension of the Department facilitates the sensitization of the students to the socio-cultural realities. The department offers extension work projects encompassing social issues to the students.

The Department is spearheaded by Dr. Shami Nimgulkar- Kamble (Economics Department) & three most enthusiastic teachers Dr. Mahendra Pachadkar (Law Department), Mr. Sandeep Gupta (Mathematics & Statistics Department) and Ms. Priyanka Radhakrishnan (Self-Financing Courses). To ensure efficiency in the execution of the extension work & to assist the teachers in the work involved, the extension activity of the Student Managers was felt pivotal. The pillars of the department (Student Managers) were: Mr. Omkar Mahadik, Mr. Adwait Khatu, Mr. Rhutik Kokate and Mr. Ronak Jain.

The year saw an onset of pandemic and as per the University circulars all extension activities were to be conducted online. To encourage students to join DLLE we made a promotion video that narrated the activities undertaken by DLLE in the yesteryears. The video was also uploaded it on the college You Tube page ([https://youtu.be/\\_ILOFXuwgKQ](https://youtu.be/_ILOFXuwgKQ)). The video was well received by everyone. On receipt of the circular from the university to enroll students on 7th September, 2020 the Department of Life Long Learning & Extension (DLLE) of our college began the process of enrollment and we enrolled a total of 109 students for the academic year 2020-2021.

The Department this year enrolled students under 2 extension work projects:

1. "Survey of Women's Status (SWS)" and
2. "Population Education Club (PEC)".

The purpose of SWS project is to make the students sensitized about the problems faced by women & to generate a sense of realization among students to be a contributory factor towards their empowerment. Our students conducted a survey of women in the age group of 20-60 years. They interviewed 25 to 50 women each in the areas chosen under the project. These projects thus provide a forum for exchange of ideas, innovations, amassing knowledge & provides a chance to increase the representative voice of those traditionally under-served & ignored in society.

The purpose of PEC is to educate the present generation about population, development and environment for a better quality of life of their own and at their future generations.

The Extension work teachers attended:

1. The First Term Training Programme hosted by K.J.Somaiya College of Science and Commerce on 9th November, 2020.
2. One Day Online Workshop on Swachata Action Plan with support of Ministry of Human Resource Development, Government of India on 27th August, 2020.
3. The Second Term Training Programme organized by our field coordinator – Dr. Sulbha Raorane on 24th March, 2021.

Our Field Coordinator Dr. Sulbha Raorane addressed & guided our extension students in both the terms. Her valuable guidance helped the students in completing their project work.

**List of activities conducted in the Academic Year 2020-2021 are as follows:**

- Pandemic time pushed us all into this online mode!!! So, we began by training students on how to make google forms. We conducted two such training sessions on 4th January, 2020 for degree students and 13th January, 2021 for SFC students. Our extension teacher Mr. Sandeep Gupta guided and trained our students on this.
- Research all over the world suggested that the isolation caused because of the lock down pushed many youngsters into anxiety and depression. So, the Department organized an Online Workshop on - "Treating the Pandemic Wave of Anxiety and Depression Among Youngsters" on 16th January 2021. The workshop was devised to train students on how to handle the mind and overcome such negative emotions. Mr Amol Wagle, International Faculty, Art of Living was invited as a resource person for this session. The workshop was well received by the students and a brief summary of the feedback is mentioned below:

- We organised a Two- Day Online Workshop on “How to write a good research paper” on 3rd and 4th March, 2021. Dr. Swati Desai, Research Guide, JJT University was invited as the resource person for this workshop. The objective of this workshop was to explain students about each component of research paper and also to explain students on how to analyse the data using Excel. The workshop was well received by the students and a brief summary of the feedback is mentioned below:
