Sub: Conducting free webinar CYBER SAKHI for female students of your college.

Dear Sir/Madam,

The movement **RESPONSIBLE NETISM** is the brain child of **AHAAN FOUNDATION**, a trust registered in 2012. The initiative aims at promoting **CYBER-WELLNESS** among children, youth women and adults to protect them from online threats in the virtual world. Education on responsible online behavior is a preventive intervention that would empower netizens with tips and strategies to make their digital experiences happier, fruitful and most importantly safer, to ensure mental well-being in cyber space.

With most young girls and women being vulnerable to cyber-crimes due to lack of awareness, it is essential to empower them with techniques to protect themselves from internet abuse or threats. We strongly believe, education on prevention of online distress is the key to ensuring young girls and women leading responsible and safe virtual lives.

We take pride in launching our new programme for female college students titled **CYBER SAKHI**. In these times of the lockdown, cyber-crimes against girls and women have scaled to 10 folds; this programme trains girls to protect themselves in cyber space. **The programme highlights cyber-crimes against women, legal implications of crimes, psychological impacts of irresponsible behavior, teaching tech tips to secure devices and most importantly understanding reporting mechanisms of cyber-crimes so as to protect themselves.**

Ma'am, we seek your permission and collaboration to conduct this free Webinar for the female students of your college at the earliest. This programme has been sponsored by Bank of Baroda Financials - our partners in this mission. The duration of this webinar will be 90 minutes; it can accommodate a minimum of 100 participants and maximum of 250 participants in a webinar; we can conduct 2 webinars per college. A Google pre-test form would be circulated to check awareness levels of students before the session, followed by a feedback form post session. These would help generate a report on the impact created by us.

We look forward to your valuable support in building a strong force of Cyber Sakhi's to protect women in cyber space. Please write to me or call me for more information

Thanking you,

Sonali Patankar – 9820447887

REPORT
On
CYBER SAKHI PROGRAMME

The Department of Economics & Foundation Course in association with Internal Quality Assurance Cell (IQAC) along with Team Responsible Netizen , organized a workshop on '**Cyber Sakhi Programme**' by **Mrs. Sonali Patankar- Founder of Responsible Netism** on 26th July, 2021 at 11:00 am to 12:30 pm . It was online event for all the students of First year, Second year and Third year degree college students and staff. In all 67 students attended the workshop. The workshop was very informative for the students who were made aware about the fraud account and many more facts related to cybercrime.
