It is indeed a pleasure to inform that our students are getting such scopes every now and then. In the year 2018- 2019 saw a very active placement drive in the campus with big Companies like TCS, Aditya Birla Group, etc. hiring our students not only as interns but providing them full time jobs with proper package going as high as approximately Rs 3 lakh per annum in some cases.

We are thankful as a team to the extremely supportive Management and beloved Principal Dr. N.N.Pandey for extending their support to make the placement drive successful.
