Management Studies Course was introduced in 2008. The main objective of Management Studies Department is to prepare students for management positions in the fields of Marketing, Finance and other management areas

B. Com (Accounting & Finance) course was introduced in 2016. BAF department aims to inculcate deep analytical skills of Accounting and Finance required for career in business and corporate sector.

## Concept note

The COVID-19 pandemic has had a dramatic impact on the global economy. The economic research department of various countries expect a sharp recession & most likely followed by a U- or V shaped recovery. We have never known such a situation where no business, no leader, no industry and no government is spared from an uncontrollable phenomenon. Dramatically, the fragility of businesses and our world has been exposed. We see government working hand-in-hand, institutions or countries joining forces to fight the pandemic and find solutions. The world must show its unity in order to emerge stronger or, failing that, it will be sadly weakened.

India & emerging economies need high GDP growth which is inclusive along with the empowerment of socially and economically marginalised sections of the society. We the stake holders at Sainath Education Trust's, Rajiv Gandhi College of Arts, Commerce & Science strongly feel that, Globally businesses are reinventing in the New Normal Era & many are showing a roadmap towards the Changing Paradigm in Bottom of Pyramid and inclusive growth. Hence, we planned for a brainstorming session of intellectuals in this one-day seminar.

**ABOUT COLLEGE**

Pillai College of Arts, Commerce and Science (Autonomous) was established in 1998 by Dr. K. M. Vasudevan Pillai, Chairman and C.E.O., M.E.S. whose vision was to provide students of Navi Mumbai with quality education in a high- tech atmosphere. It is situated in a 10 acre land surrounded by natural beauty and supported by the best infrastructure facilities, a state-of-the-art conference room, well-equipped computer labs and well-stocked libraries. The institution has risen from a simple beginning in 1998 to be the most popular institution catering successfully to the needs of rural, urban and global students with eight under-graduate and four post graduate programmes to over 4000 students.

We are trying sincerely to achieve excellence in academic performances, capability of self-governance and enhancement in the quality of education by improvising our innate qualities, adopting innovative ideas and acquiring new skills for the benefit of the stakeholders.

**ABOUT THEME: TREND AND IMPACT OF E-TECHNOLOGY ON BUSINESS IN 21<sup>st</sup> CENTURY.** Electronics technology (E-technology) is the application of scientific theories and principles in the design, production, installation, testing, service, use, and control of electrical and electronic parts, equipment, and systems. Electronics technology is used across all businesses. We are in the 21st Century and it's easier to set up a business now than ever before.

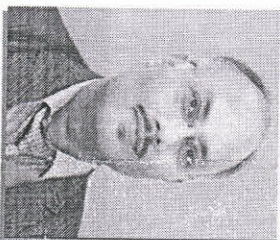

E-technology plays a vital role in enhancing business by promoting their business on the web, on media, and many other sources that technology created. It has numerous positive effects on modern business in this period of time. E-technology adds various new techniques of promoting businesses whether it is a small level business or business of high level. The research papers should throw the latest developments regarding the trend & impact of e-technology in business in 21<sup>st</sup> century.
