- **Paper** - Use good quality paper & printing. The paper should be thick and white. Never dull, crumpled or folded.
- **Font** - Use simple but attractive fonts. Do not use multiple fonts. Titles should be in **bold**.
- **Layout** - Don't clutter the resume. Leave a lot of white spaces between sections and sentences. Use a font size no smaller than 10 point and restrict the resume to max 2 pages. Since the reviewer will scan through your resume, ensure that he gets the gist of it easily.
