

# Career Guidance Cell

*"Develop a mentor at each stage of your career - someone who will give your guidance and advice." - Anonymous*

Abraham Lincoln once said, "The best way to predict the future is to create it." To create the delightful future selection of the right path plays a vital role. The Career Guidance Cell assists students to make the right decision for their future plans, to equip students for their career journey. The Career Guidance Cell organised various Workshops, Lectures and seminars, where experts from various fields interacted with students and shared their knowledge as well as experience.

At the beginning of the year Career Guidance Cell had organised a one week Training programme from 15th to 20th July 2019, in the subject of soft skills. The students were trained by Mr. Wicky David on topics ranging from interview skills to business communication. The feedback of this programme was overwhelming. This programme was organized with 'The Training Company'.

On 18th September 2019, the Cell organised a workshop on 'Competitive examination' in association with Sialeela foundation. Total 84 students attended the workshop. The workshop discussed the Preliminary competitive examination of UPSC and MPSC and how to train for them. Another workshop was organised on 'Medical representative as career prospects' in association with Sialeela foundation on 11th January 2020. The students of the college are primarily from commerce background; this subject provided good insight to interested students. Total 24 students attended the workshop and enjoyed the benefits of the same.

An Informative session on 'Study Abroad: Myths busted' was organised in association with Trivedi Global services on 20th January 2020. The session was organized in collaboration with Trivedi Global services. Mr. Desai, the spokesperson, enlightened the students with information on how the tedious process of studying abroad can be made easy. He busted some myths associated with studying abroad. He mentioned ways to begin the application procedures, the right time to begin the process to avail scholarships, how to handle finances, loans, and which student-friendly countries offer extensive courses and work visas that can help students widen their horizons and get a kick start into their careers. Total 36 students attended the session. "Career Planning, Focus development & Creation of passion among students are the only goals of the Career Guidance Cell".
