**Report on the Workshop conducted on 15th December, 2019, Adaptation & Selection of words in communication**

The Career Placement Cell of Prahladrai Dalmia Lions College of Commerce and Economics organized a Seminar for Adaptation & Selection of words in communication on 15th December, 2019. The targeted audience of the seminar was the Second and Third Year students of the various courses offered by the College except BMS of SFC, PDLC. Prof. Aditi Save and Prof. Subhasini Naikar successfully organized the seminar and it was well conducted.

The seminar commenced at 11:00 am and was conducted for a duration of one hour.

The Keynote speaker Prof. Emilia Noronha informed the students of adaptation in selecting words that communicate. To communicate clearly, you must adapt your words to your peruser. Adaptation implies utilizing words the peruser gets. It in this manner includes utilizing all your information of your peruser. Selecting the proper words could be a portion of adaptation. Taking after are a few proposals to assist you select such words. These proposals push straightforwardness for three reasons: (1) Numerous individuals tend to compose at a troublesome level. (2) the author more often than not knows the subject superior to the peruser; and (3) The author inquires about back effortlessness.

Under-graduate students from SFC attended the seminar. The seminar was a success and an enthusiastic response was received from the students.
