Report on the Webinar conducted on 21st December, 2021 on the topic ‘Various Entrance Exams for MBA.’

The Career Guidance Cell of Prahladrai Dalmia Lions College of Commerce and Economics organized a Webinar for Careers in Management and Competitive Exams in association with IDEAL Management on 21st December, 2021. The targeted audience of the webinar was the Second and Third Year students of BMS of SFC, PDLC. Prof. Aditi Save and Prof. Subhasini Naikar successfully organized the webinar and it was well conducted.

The webinar commenced at 11:00 am and was conducted for a duration of one hour.

The keynote speaker informed the students that CAT, XAT, SNAP, NMAT, CMAT, IIFT, MAT, MAH CET, IBSAT, and other top MBA exams are available in India. Candidates for the MBA program who intend to enroll must be fully informed about these prestigious MBA admission tests. Since taking the MBA entrance examinations is a requirement for enrollment in the program, potential students should learn everything they can about these exams before selecting the one that will work best for them.

At the College/University level: A few well-known entrance exams are XAT, SNAP, IIFT Exam, and IRMASAT.

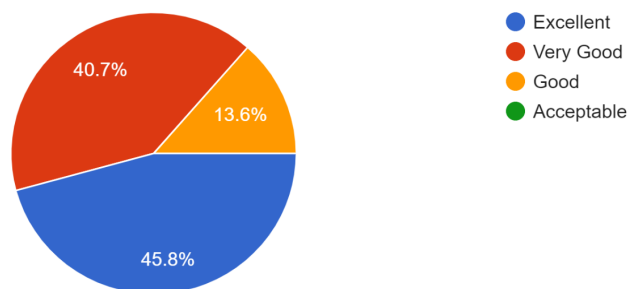

At the State level: The MAH-CET, TSICET, APICET, KMAT, and TANCET are the most well-liked tests among them.

At the National level, the CAT, CMAT, and MAT exams are the most popular.

The webinar ended well and the students gave a positive response for the same. 79.7% of the Second Year students, while 20.3% of Third Year students attended the Webinar.

Report on Webinar conducted on 23rd December, 2021 on the topic 'Career guidance on various entrance exams in Banking and Government sector'

The Career Guidance Cell of Prahladrai Dalmia Lions College of Commerce and Economics organized a Webinar for Careers in Management and Competitive Exams in association with IDEAL Management on 23rd December, 2021. The targeted audience of the webinar was the Second and Third Year students of various courses offered by the College except BMS of SFC, PDLC. Prof. Aditi Save and Prof. Subhasini Naikar successfully organized the webinar and it was well conducted.

The webinar commenced at 11:00 am and was conducted for a duration of one hour.

The Keynote speaker informed the students about the various exams that are conducted in the Banking and Government sector, they are as follows:

- The State Bank of India is the largest public sector bank in the nation and one of the sorts of government bank exams. Through the associated SBI examinations, it initiates workers at two levels:

SBI PO Test: This test, also known as the SBI Probationary Officers (PO) exam, determines candidates for the SBI administrative unit. The chosen employees are referred to as Probationary Officers during their training and continue to the board jobs after finishing it. The SBI PO Exam is divided into three phases: the preliminary exam, the main exam (which includes objective and descriptive tests), the group discussion, and the interview.

SBI SO test: SBI's SO test will be used to select the bank's specialist officers (SO). Depending on the experience and area of expertise of the candidates, a meeting is included in the choice cycle.

SBI Clerk test: Junior Associates are chosen for the banking system's administrative unit through the SBI Clerk test. It consists of two stages:

Examining candidates for the next stage is the SBI Clerk Preliminary Exam, or SBI Clerk Prelims.

SBI Clerk Mains Exam: Also known as the SBI Clerk Mains, the results of this test determine whether candidates will be hired as assistants by the State Bank.

- An organization that conducts assessments and makes hiring decisions for numerous banks is called the Institute of Banking Personnel Selection. For this reason, the IBPS administers a few online bank exams. One of the kinds of government bank exams that are held in India is this one. Next up are the exams overseen by the IBPS:

IBPS PO Test: The IBPS PO, formally known as the IBPS CWE (Common Written Examination), selects candidates for the position of Probationary Officer for several Public Sector Banks (PSB), as well as some insurance companies that are its participants. Three phases make up the IBPS PO test design: the IBPS PO preliminary exam, IBPS PO main exam, and the IBPS interview.

IBPS SO Exam: Like the Probationary Officers test, the IBPS Specialist Officers exam is divided into three sections. They are the IBPS SO Main Exam, IBPS SO Meeting, and IBPS SO Preliminary Exam.

IBPS Clerk Exam: PSBs select assistants using the IBPS CRP administrative framework. It consists of the IBPS Clerk Preliminary Examination and IBPS Clerk Main Examination, two online bank exams.

- RBI Exams are the third category of government bank examination. The Reserve Bank of India is the country's Central Bank, and those who are just starting out and want to work in banking aim to get into the field by passing the Reserve Bank of India's Officer or Clerical Framework tests. For enrollment in a distinct opportunity in the association, the Reserve Bank of India administers its own exams. The important tests ordered by the Reserve Bank of India are up next:

Exam for RBI Officer, Grade B: The RBI Officer Grade B test is overseen by the Zenith Bank for the selection of middle-level senior bank officers. It includes enrollment in the RBI's general as well as professional frameworks. Additionally, it includes research posts available to PhD holders.

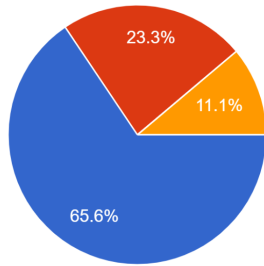

The purpose of the RBI Assistant test is to identify candidates for the position of Assistant in various branches and sub-Officer of the RBI. The purpose of the RBI Assistant test is to identify candidates for the position of Assistant in various branches and sub-Officer of the RBI. The administrative structure in the banking industry is equivalent to the post.

Exam for RBI Junior Engineers: This test is required for enrollment in the program. The selected candidates work as designers with RBI offices. For this test, a concentration in civil engineering is required.

The students gave an enthusiastic response to the Webinar. And the Webinar was ended with a vote of thanks. 28.9% of the Second Year students while 71.1% of Third Year students attended the webinar.
