## Empowering asthmatics to live a #BerokZindagi

**NOW IT'S YOUR TURN TO SHARE YOUR STORY**  
#OpenUpToAsthma

**KNOW MORE**

**CHALLENGE**  
For Cipla, one of the top global pharmaceutical companies in India, the task at hand was to position inhalation as a smart choice to manage asthma and make it socially acceptable to use inhalation as a treatment.

**APPROACH**  
For the first time, we convinced Cipla to use a celebrity who could be a strong voice and face for asthma while simultaneously changing the perception around inhalation therapy. Through a series of one-on-one interactions with leading metro dailies we got Priyanka to talk about her personal struggle with asthma.

**OUTCOME**  
With Priyanka at the forefront, we were able to break the misconceptions associated with inhalation therapy and get other celebrities like badminton player Parupalli Kashyap and Rajdeep Sardesai to talk about the campaign as well.

### P.D. Hinduja Hospital

#### Case Study- World No Tobacco Day

**Background:** Educating the people of Mumbai about the harmful effects of smoking by creating Mumbai's first 'No Smoking Street.'

**Objective:** Introduce Mumbai's first #NoSmokingStreet during World No Tobacco Day in order to educate them on the harmful effects of smoking

**Strategy:**

- Prior to and on World No Tobacco Day- 30th & 31st May 2019, we proposed the stretch of Cadell road between HP Petrol Pump and German Laundry (approximately 1.1 km) be declared Mumbai's first 'No Smoking Street' owing to the presence of hospitals, schools, parks, playgrounds and religious institutions on that road
- We had 4 mascots dressed as cigarette buds and they were handing out pamphlets at the traffic signals located on that stretch, at the intersections as well as at Shivaji Park and urging people not to smoke.

**Results:**

- 30+ media reports between 31<sup>st</sup> May to 3<sup>rd</sup> June 2019 with a total media evaluation of INR 9,46,550

### BUILDING A NARRATIVE ON HOW P.D. HINDUJA HOSPITAL & MRC PROVIDES SAFE CARE

Breaking every doubt about smooth functioning of patient care services and having algorithms of overlooking by the hospitals.

**BACKGROUND**  
P.D Hinduja Hospital & MRC faced the media outcries' brand ever since it's first COVID-19 case tested positive. Team Hinduja and MRC bridged the gap to every challenge that came along during a crisis.

**OBJECTIVE**

- Clarify misconceptions and the utmost safety at the hospital
- Highlight challenges being faced by private hospitals during the pandemic
- Reassure trust in the hospital by focusing on the changes made by the hospital to accommodate the patients' oversight

**STRATEGY**

- What formed the base of our communication: Media Marketing - some age & traditional, Real-time effectiveness, disseminations and created to media, trends reports
- How did we go about? Locked each rumor and provided clarification, backed by management at Hinduja to avoid further spread of misinformation.

**WHAT DID WE DO?**  
Whenever a crisis emerged, the team worked round the clock and did what stood best. The usual traditional approach of creating concrete crisis management plan was overlooked. Instead, a system was localized where a "simple, informative, and timely" holding statement on behalf of the "hospital" rather than a "disappointed spokesperson" was based on an immediate receipt of communication on behalf of the hospital to prevent the outrage by the online media within a response time frame of 30 minutes.

Sir I want to ask that some companies are not accepting the Graduates who have passed out this year. So what a person can do for that MNCs jobs like Tata kept a criteria for this and if a BMS graduate. How to go for a IT Role as they will be eligible for this? Because some companies want only IT students for roles.

### **Proposal**

2019 & 2020 is a very exciting year for us at The Training Company since we are offering a commercially free session this time for selective colleges across country.

### **Presenting "The TIGER Session" powered under our campaign called as TAKE THE WICKY CHALLENGE**

#### **What is the campaign TAKE THE WICKY CHALLENGE all about?**

In a sentence the challenge is to visit institutes we have never been to but somebody else has. Someone who was considered the best or a class apart, we are coming to deliver a session and change your thoughts about that best individual/ organisation and set the benchmark way to high for anyone else to reach.

The training Wicky will deliver shall be delivered in a way nobody has ever delivered and you won't find someone else to deliver it much better unless he visits you again. As mentioned in the first page the challenge is assessed with a unique tool about which we will discuss before the training starts. As an institute you can conduct feedback in your own format and share the results with us in an open forum.

#### **Why this training program?**

A student decides to join an institute basis two major factor; they are a) the faculty and b) a strong placement cell.

While the faculty does their best to impart the knowledge and make them capable to excel in their core areas, it is the training and placement cell that works conscientiously to create job opportunities and give platform for these excellent minds.

We all know how difficult it is to have a corporate partner in the campus for placement drive and as an institute or TNP Cell we understand you are not just responsible for getting corporate in the campus but ensure the students get selected and make it a successful drive.

Now while you are doing your best and performing hard for getting companies in the campus it can be a success only when it results in highest number of selection at the HR round and this is what counts. These results can only be achieved if you have an expert training partner and the content which has delivered across and proven to be working for others. Our training program has been designed not only to support trainees get job during campus drives but also transform them to be self sufficient of getting placed off campus.

To,

The Principal,

Prahladrai Dalmia Lions College

**Subject:** Permission to conduct Education Scholarship test for students of your esteemed institute.

Dear Sir,

It gives me immense pleasure to introduce **BSE Institute Ltd.** a wholly subsidiary of BSE Limited. BIL inherits from BSE the knowledge and experience in Financial Market and we further pass it on our students by training them in this core area of Financial Market.

**BIL offers Global Financial Markets Professional (GFMP) Program** a comprehensive course on Banking, Finance and Financial Markets. The course comprises of 4 semesters that build knowledge and competency thru classroom sessions, case studies and simulations in Financial Markets. The program is followed by **Industry Practice**, a form of internship at leading organizations from the industry.

Over the last 4 years, BSE Institute Limited is instrumental to bring out the best of the talent by pushing them to train and excel in their chosen field of Financial Services Industry.

BSE Institute Limited founding philosophy is that Financial Markets is a challenging profession which requires a combination of good conceptual grounding, strong technical skills and above all, zeal with numbers.

However not all of them can pursue training in Banking, Finance and Financial Markets due to financial constraints and it's just not the education; the parents also have to worry about their formal education, books, everyday expenses etc. Because of this, most of the students rely on educational loans or scholarships to help support their needs.

Our aim to provide scholarships is to help meritorious students and economically or physically disadvantaged to achieve their goals.

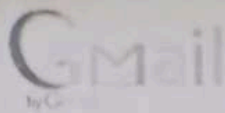

The Scholarship test has multiple choice questions and will be for 45 Min, our team will also brief students on career opportunities in banking, finance and financial services industry.

We request your permission to conduct the BSE Institute Education Scholarship test for the students of your esteemed institution. The test will be administered free of cost to students and Institute.

Warm Regards

Mumtaz Mistry,  
Area Manager.
