BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO.): 5.1.3

TOPIC/SUBJECT OF THE ACTIVITY	Seminar on How to come up with better ideas and solutions faster: Developing your innovative problem-solving capabilities." with Dr. Gaia Grant - Lecturer in the Work Integrated Learning Hub at the University of Sydney Business School.
OBJECTIVES	<ol style="list-style-type: none"> 1. To Enhance Creative Thinking 2. To Foster Effective Problem-Solving Mindsets 3. To Boost Collaboration for Innovation 4. To Apply Innovation Techniques in Real-Time Scenarios
METHODOLOGY	The seminar will begin with brief, engaging presentations that introduce key concepts related to innovation, creative thinking, and problem-solving. To encourage idea generation and fast solution development, participants will take part in structured brainstorming activities. Participants will be introduced to problem-solving tools and frameworks (e.g., Design Thinking, SCAMPER, Mind Mapping) through hands-on demonstrations. An open floor for questions, where participants can clarify doubts, share insights, and discuss the application of techniques in their own contexts, will be encouraged. This will foster a collaborative learning environment.
OUTCOMES	Participants were able to think more creatively and approach problems from multiple angles, leading to the generation of innovative ideas and solutions faster. Attendees have developed the ability to solve complex problems more quickly by applying structured methodologies, frameworks, and tools.
