Workshop on How to write a Research paper

Chairperson : Prof Dr. Sunita Tidke

Coordinator : Leo Daphne Thevar

Leo Club of Malad Borivali Dalmia College and PDLC Student's Research Cell had come up with an annual Multidisciplinary workshop and the topic for the workshop was **"How to Write a Research paper"** we had 300 registrations. The workshop was organized on 30th September 2021, where we had a very honorable person Prof Dr. Syed Azharuddin from Dr. Babasaheb Ambedkar Marathwada University, Aurangabad with us as the resource person. We had 200 Students join the workshop via two different meeting links. Our principal incharge Dr.Kiran Mane, Leo Club Advisor Lion Vishal Maru along with many college faculties joined us for the workshop too. The session was started on a good note by student research cell coordinator Leo Daphne Thevar followed by saraswati vandana. Leo Club Convener and Student Research Cell Chairperson Prof Dr. Sunita Tidke gave us a brief introduction about the workshop. Our principal incharge Dr. Kiran Mane also addressed everyone. Our Leo Club Vice president Leo Shivam Joshi felicitated our resource person Prof Dr. Syed Azharuddin. Dr. Syed Azharuddin gave everyone a brief introduction on how to write a research paper. Explained to us about methodology and research. He also explained all the details and important parts on how to write a research paper. The workshop went on for 3 hours. Even the students actively took part during the session asking questions. Lastly the workshop ended with a lot of appreciation and the feedback was good too. Students and teachers are very impressed with the depth of information being shared by Dr. Syed.
