

# DEPARTMENT OF LIFE LONG LEARNING AND EXTENSION (DLLE)

*“A Learning Curve Is Essential To Growth.” – Tammy Bjelland*

The Department of Lifelong Learning and Extension (DLLE) established on October 12, 1978 and has been recognized as a Statutory Department of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the Universities and the community.

## MISSION & GOALS

Our mission is to maintain the voice of helping professional focused on serving college and university students in a mental health setting. Our goals include:

- Promoting the aims and values of human development in community colleges and universities.
- Providing a forum and place for the exchange of ideas, innovations, research, and students.
- Increasing the representative voice of those traditionally underserved and ignored in society.
- Encouraging interaction, support, and networking among all student affairs professionals.
- Providing an opportunity for mental health professional to become involved in participatory leadership.
- Identifying suitable mode of counseling.

## THE EXTENSION DIMENSION (To Reach to Unreached)

To facilitate the sensitization of the student to the socio-cultural realities, the Department offers for the students, extension work projects encompassing social issues. The student is awarded Ten Additional Marks at the final exam for a project on completion of 120 hours of work and the submission of a project report which are undertaken by degree college students.

The department offers extension work projects encompassing social issues to the students.

The Department of Lifelong Learning and Extension (DLLE) of our college begins with the enrollment of students from the month of June and it enrolled a total of 158 students for the academic year 2018-19.

The Department is spearheaded by Dr. Shami Nimgulkar- Kamble (Department of Economics) & two most enthusiastic teachers Dr. Mahendra Pachadkar (Department of Business Law) and Prof. Sandeep Gupta (Department of Mathematics and Statistics). To ensure efficiency in the execution of the extension work and to assist the teachers in the work involved, the extension activity of Students Managers was felt very important. The pillars of the department (Students Managers) were: Omkar Mahadik, Mahek Panchal, Vaibhavi Patel, Advait Khatau and Rutik Kokate. The Department was inaugurated at the hands of Principal Dr. N.N.Pandey.

## Meetings

The Extension work Teachers attended:

The First term training programmed at S M Shetty College, Powai on 3rd August, 2018

The second term training programmed at Shahir Amar Shaikh Auditorium Vidyarthi Vidyapeeth Bhavan University of Mumbai on 15th December, 2018

Our field coordinator Dr. Sulabha Raorane addressed and guided our extension students in both the terms and her valuable guidance helped the students in completing their Project Work

The Department in this year enrolled students under 2 extension work projects. Survey of Women's Status (SWS) and Population Education Club. (PEC).

## Survey of Women's Status (SWS)

The Department this year enrolled students under the extension work projects "Survey of Women Status" (SWS). The purpose of SWS projects is to make the students sensitized about the problems faced by women and to generate a sense of realization among the students to become a contributory factor towards their empowerment. Our students conducted a survey of women the age group of 20 – 60 years. They interviewed 25 to 50 women each in the areas chosen under the projects and provide forum for exchange of ideas amassing knowledge and provides a platform to raise the representative voice of traditionally under served and ignored in society.

## Population Education Club (PEC).

Following activities are carried out in this academic year in respect of above work project. 73 students participated in this activity and completed 120 working hours by attending and participating in the various activities organized by the department.

## POSTER MAKING

To bring out the hidden artists in our students and to gauge their awareness quotient, Department of Lifelong Learning organized a Poster Making competition for DLLE Students who have opted for PEC on 27th September, 2018. 74 DLLE students in 13 groups beautifully created posters on the social issues of today's world like 'Save Ozone layer Save Environment', 'Swachh Bharat' and 'Women Safety'. The aim of the competition was to trigger the thought process of the students and to sensitize them towards the issues concerning our society and environment. Such activities and competitions create awareness about global issues among the students which helps in personality development.

## POSTER EXHIBITION

Posters offer a universal platform for communication and have been utilized for centuries to provoke, promote, celebrate, and stimulate. This exhibition is a showcase of which aims to celebrate the diversity of work and ideas within the practice of poster design across the DLLE. Prof. Madhavi Nighoskar – Vice Principal of Degree College inaugurated the function. Almost 58 faculties and around 600 students had visited the same.

## LESSON TAKEN BY STUDENTS (School Visits)

The Department this year enrolled under two extension work projects apart from it 82 students were enrolled under population education club (PEC). Our students visited at Chincholi Municipal School Malad (W) and Malad Municipal School, Malad on 21st February, 2019 and made aware the students of 9th class regarding “Hygiene & Safety” through Lecture, Power Point Presentation & Video Lecture which made the students more interactive. The main purpose was educate the present generation about the environment and safety for better quality of life of their own and at their future generation

## ESSAY WRITING

The objective of the competition is to encourage creativity and leadership skills through essay writing. The competition brings out the ability to think quickly, write persuasively and present well-connected ideas while presenting well-connected ideas in a compact fashion.

As a Part of the Project work, students have also written essay of about 1500 words each on the topics provided by the University of Mumbai- DLLE Department.

The efforts of our extension students was felicitated during our annual prize distribution held on 22nd February, 2019 and they were rewarded by the cash prize for their contribution. Following extension students won prizes:
