

## **Revision lectures for F.Y.B.Com and Preliminary Examination for T.Y.B.Com students**

**1. Goal:**

To build confidence in students about the subjects Mathematical and Statistical Techniques and Computer Systems.

**2. The Context:**

Department of Mathematics and Statistics constantly makes efforts to help students academically. The department faces the challenge at both FYBCOM and TYBCOM levels in subjects of Mathematics and Computer Systems & Applications respectively with regards to imbalance of subject knowledge of students. But the members of the department strive to make the subject achievable for students by revision lectures and hands on practical sessions for FYBCOM and TYBCOM students respectively. The young members of the department gave their best to the departmental activities and fully cooperated with the work assigned to them.

**3. The Practice:**

Academic Activities: As a practice, the department conducted Preliminary examination of 75 marks for TYBCOM students to provide them with practice for Semester V and Semester VI examinations. Semester V mock prelim examination was held in Oct.2015 and semester VI mock preliminary examination was held on 25<sup>th</sup> February from 7:00 am to 9:30 am.

Revision lectures and extra lectures: Principal Dr. N.N.Pandey took remedial lectures for the students of FYBCOM and inspired department members to carry on with putting the best for the students' benefit. Revision lectures for Semester V and VI were held for TYBCOM students in subject of Computer Systems and Applications. The students were posted with notes and other instructions on Yahoo group.

**4. Evidence of Success:**

Results of F.Y.B.Com and T.Y.B.Com showed significant rise.

**5. Problems Encountered and Resources Required:**

Due to tight schedule of college activities syllabus had to be completed in few lectures.
