International Day of Yoga – Report

On the occasion of the 71st International Yoga day, we conducted a live Online Yoga session for teachers and students on 21st June 2021.

" The essence of yoga is not to attempt to contort the body into inconceivable postures, but to attempt to attain, conserve and maintain a balanced-state of mind to start with and thereafter to transcend the mind, ego, intellect and then launch tangentially beyond to realize and remain established in the SELF. " – Yoga Guru Shivalingam Pillai.

All that one then does should be a step taken in this direction and the insight and balance derived 'ON THE MAT' from the practice of yogic techniques should be maintained throughout 'OFF THE MAT', implying that it should seep in, percolate and become an inseparable part of one's being and reflect in one's thoughts, words and deeds.

Organized by:

Department of Life Long Learning and Extension (DLLE)

National Service Scheme – NSS

National Cadet Corps – NCC

Disaster Management Cell –DMC

Equal Opportunity Cell – (EOC)

Students' Council
