Details about the nature of assistance to be extended to the community:

Place selected for executing the project : Kranti Nagar, Kandivli East.

Nature of Assistance : We donated 1 sewing machine and some raw materials related to tailoring (Scissors, Canvas Paper, Threads –two boxes, Tape - One packet, Machine needles) to the community centre **started** by the Parivartansheel Sanstha.

The Sansthan has received donations for 2 sewing machines recently and our additional donation can assist them in carrying out the activity more intensively.

Monitoring of the Project : To ensure that the project is sustainable, the college intends to sign a MOU with an NGO named - Parivartan Sheel Sanstha, Kandivli, Mumbai.

The said NGO will take up the responsibility of mobilizing women in the said area, train them, maintain the raw materials and equipments.

After deliberating with the project incharge we understood that ideally a teacher charges minimum of Rs.3,000/- per batch of an hour for a month. If two batches were to be made functional, the total cost of appointing a teacher was coming to Rs. 6,000 per month.

We teachers (Dr. Shami Nimgulkar Kamble and Mr. Rajesh Ruke) have decided to bear this cost by paying the salary of one teacher for first three month (2 batches) which is coming to Rs. 18,000/-. Th expenses will be borne by them equally. We have also assured them that if everything goes well we can think about assuming the responsibility of payment of salary for a teacher for the remaining nine months as well.

On their part they have promised us that they will apprise us about the enrolment and functioning of the classes with photographs of actual training and other necessary details as well.
