From the Editor

As we are on the last few steps of completing the twenty-ninth year of the founding of our college, this **College Magazine** is being released. The Editorial of the last volume of the magazine had ended with a reference to the tragedy – the cyclonic storm – that had struck the people of Orissa. It was referred as the most devastating tragedy that independent India had ever witnessed. Within less than a year India had to face the worst and the most devastating natural calamity in the form of the Gujarat Earthquake. The tragedy struck us on 26th January 2001, a day of national festivity, when the Indian tricolour was being unfurled from all the ramparts of the nation. The intensity and the duration of the quake left dead nearly one lakh of people and destroyed almost all the houses and property in the places which were the epicentre of the quake. This was the 'unkindest cut of all' that the people of India had ever experienced. So many millions of people have been thrown into the roadside dwellings in the form of tents and ramshackle structures that have been created. The rich and the poor, the old and the young, fell as innocent victims to the greatest fury of nature. Several weeks after the tragedy, the State has not been able to clear the debris of the collapsed houses with mangled steel and tonnes of concrete. Monetary and physical assistance flowed into Gujarat from the different parts of India and the world at large. The shocked Indian people, muted by the severity of the tragedy, witnessed through the multi-channel TV system, the sufferings of the people of Gujarat. A stupendous task lies ahead of our nation and there is no doubt that it will take many more years before the afflicted people could be rehabilitated.

Even before the nation has recovered from the greatest tragedy, people were in for a rude shock of the magnitude of corruption that exists in our nation involving the highest political leaders. The 'Tehelka exposure' is the greatest shame that independent India had witnessed. While Indian society has been known to be a corrupt society with revelations in the past, the tehelka is the last straw on the back of the Indian people. That money is being demanded to be paid, preferably in US dollars, even in respect of defence purchases, spells disaster to the defence and security of our nation. Today people are convinced that their future is bleak in the hands of the set of politicians and bureaucrats including those in the armed forces, who wield power. The moral right to continue in power is lost. In any other country where morals and propriety matter, the government would have been sacked, the politicians in the government dumped and the bureaucrats in the system shown their place.

The economic scenario is distressing. There is admittedly a slowing down of industrial growth, a collapse of agriculture more particularly food grains cultivation, increasing indebtedness of the farming community reflected in hundreds of suicides of common farmers in important agricultural centres of India, decline in investment, widening trade deficits due to huge imports even of those goods that the country has built up capacity over the years to

produce, rise in the price level, large motivated disinvestments of the profit making public sector undertakings by the politician-bureaucrat coteries, spate of voluntary retirements and a total collapse of planned economic and social development. The ENRON, BALCO and the like in the name of privatisation, marketisation, liberalisation and globalisation are the heights of corruption and depths of manipulative policy formulations. In the field of higher education, the developments are causing anxiety. The withdrawal of funding by the State is nothing but an abdication of the constitutional responsibility. In the name of Information Technology, a big fraud is being committed on the nation and its people, by opening of technological institutions to mint money. Enrolment in Natural Sciences is being deliberately stifled. It is being forgotten that those who brought laurels to this nation by the study of natural science and pursuit of fundamental research, such as S. Ramanujam, Sir C. V. Raman, Satyendra Nath Bose, Hargobind Khorana, Sir Jagdish Chandra Bose, S. Chandrasekar, Dr. Homi J. Bhabha, Vikram Sarabhai and the like, have gone through the science stream in our universities.

Moving away from the disheartening scenario, we can identify some glorious achievements. The tennis duo, Mahesh Bhupathi and Leander Paes continue to win laurels battling out on the Tennis courts in the world. Vishwanathan Anand has crowned himself with the World Chess title bringing laurels to the nation. Karnam Malleswari winning the bronze medal in weightlifting at the Sydney Olympics 2000 was a great achievement and it was the lone medal for India. Gopi Chand's winning the crown at World Badminton All England title recently is another great achievement. In cricket too we have individual and team achievements. When the great Don Bradman passed away, many in the world remembered him and compared the legwendary to one of our own greats, Sachin Tendulkar. To this now are added V. V. S. Laxman, another blaster in the making and the young turband spinner, Harbhajan Singh, who helped in carving our glorious victories against the undoubtable Aussies in two of the three test matches and winning the series for India. This has to be looked at in the context of the fact that the Australians were world champions only recently winning 16 test matches in succession. These Indians have kept the Indian flag flying. It is to be hoped that they will act as inspiration to many young budding sports-persons in the country in achieving laurels in the future.

In our college, we have been making progress in our own way. Scores of students have been stealing the limelight in various events – cultural, extra-curricular and sports – at the inter-collegiate levels. Our Volleyball team performed exceedingly well and a number of our students, both girls and boys, were included in the University team which is an honour not only to them but to the college. We are proud of the students who have brought laurels to this institution this academic year as students in the past had done. It is our confidence that we will continue to grow in the future even more than in the past. It is the minimum that we owe to the management of the institution for having invested valuable resources in this college and also to the Indian society of which we are a part.

The educational system has undergone a sea change. Development, improvement is critical for success. The success of any change rests with the outlook of management. Behaviour of teachers, the response and cooperation of the students and the ability of the leader. There

- S - Studious.

And

The staff is

- S - Systematic, Smart and Supporting.
- T - Task oriented.
- A - Alert.
- F - Faithful.
- F - Friendly and frank with the authorities.

And

The Management is :

- M - Motivating and Methodical.

- G - Goal setter and Guide.
- E - Enthusiastic.
- M - Making meaningful, correct decisions.

All the elements / factors are equally vital. With pride, on the basis of my experience, I can say that our **management, staff and students** are of above specific nature, which is required for successful venture so that we can achieve the desired results.

We achieved great success in this programme and there was great co-operation from the people in the area.

Our N.S.S. unit is very much thankful for the co-ordination and active co-operation of our Principal, Mrs. Savita S. Aware and the members of teaching and non-teaching staff for making our success come to life. The unit is also thankful to the members of the Lions Club of Malad-Borivli for their kind co-operation.

Know Our Motherland Better !

A recently published German magazine which deals with world history had these facts

- ⊙ India has never invaded any country in her last 10,000 years of history
- ⊙ India invented the Number System and the Zero was invented by Aryabhatta
- ⊙ The world's first university was established in Takshila in 700 BC and more than 10,500 students from all over the world studied more than 60 subjects. The University of Nalanda, built in the 4th century BC, was one of the greatest achievements of ancient India in the field of education
- ⊙ Sanskrit is the mother of all the European languages....
- ⊙ Sanskrit is the most suitable language for computer software, said Forbes magazine in July 1987.
- There's more and we don't want to keep it for another time ! So here goes
- ⊙ Ayurveda is the earliest school of medicine known to humans, Charaka, the father of medicine consolidated Ayurveda 2,500 years ago. Today, Ayurveda is fast regaining rightful place in our civilisation....
- ⊙ Although modern images of India often show poverty and lack of development, India was the richest country on earth until the time of British invasion in the early 17th century
- ⊙ The art of navigation was born in the river Sindh 6,000 years ago, the word navigation is derived from the Sanskrit word Navgatih, the word navy is derived from the Sanskrit "nou"
- ⊙ Bhaskaracharya calculated the time taken by the earth to orbit the sun hundreds of years before the astronomer Smart....
- ⊙ According to the Gemological Institute of America, until 1869, India was the only source for diamonds to the world

- ⊙ USA – based IEEE has proved that what has been a century old suspicion in the world scientific community that the pioneer of wireless communication was Prof. Jagdeesh Bose and not Marconi....
- ⊙ The earliest reservoir and dam for irrigation was built in Saurashtra.
- ⊙ According to Saka King Rudradaman I of 150 CE is a beautiful lake called 'Sudarshana' was constructed on the hills of Raivataka during Chandragupta Maurya's time
- ⊙ Chess (Shataranja or Ashta Pada) was invented in India
- ⊙ Sushruta is the father of surgery 2,600 years ago. He and health scientists of his time conducted complicated surgeries like caesareans, cataracts, artificial limbs, fractures, urinary stones and even plastic surgery ... skin grafts and brain surgery
- ⊙ Usage of anaesthesia was well known in ancient India, over 125 surgical equipments were used
- ⊙ When many cultures were only nomadic forest dwellers, over 5,000 years ago Indians established Harappan culture in Sindhu Valley (Indus Valley Civilisation).

At this point, the American friend says, the list is endless so we give up with his words of hope, "If we don't see even a glimpse of that great India in the India that we see today, it clearly means that we are not working to our potential and that if we do, we could once again be an ever shining and inspiring country setting a bright path for the rest of the world to follow".

Friendly words to smoke over individually and collectively ! Thank You, Tomas Caulfield.

FEEDBACK MECHANISM –

At Need, Importance and Use the dawn of the new millennium all progressive forces, have to work together to take the nation forward by wiping out poverty, ignorance, illiteracy and to strengthen national unity by respecting and not by repressing our diversity. No one will deny the importance of qualitative primary and higher education in the economic, social and cultural development of the country. India has, one of the largest system of higher education in the World. Higher education without quality is useless and dangerous. Equipping the students with wrong skills can be fatal not just for the individual but also to the society as a whole. If India has to emerge as the "Diamond of Intellectual Capital" we have to make sincere efforts to improve our higher education system. Indian education system has long ignored the need for change in higher education, though it is universally accepted that change is inevitable. Change is unending. Development is critical for survival but not proper attention was paid so now tension. Indian education scenario is of confusion, of turmoil, of chaos. It has ignored the warnings.

Higher education is provided to younger generation. Youths are the valuable assets. Youths of the country contribute to the growth, development and dynamism of the nation. If the youth is properly shaped we will be able to get the place in the Hall of "Knowledge Nations". Our students, employees are going abroad i.e., migration of knowledge workers or migration for knowledge. Nations losing its valuable human resources. There is dual loss of human capital and knowledge resources. We have to avoid this.

अजुनही वेळ गेलेली नाही

It is never too late to do the right thing though it is said that clouds are dark we should be optimistic and I am of that nature and therefore I am saying that

Let us make the efforts
Let us improve
Be patient
We will get fruits of patience

TOTAL QUALITY MANAGEMENT

In Higher Education is emerging as an important concept. Feedback mechanism is useful tool to achieve the target of providing standard / better higher education. Feedback is an automatic signally system which indicates the degree of performance. It is an effective tool but

its effectiveness depends upon both the giver and the receiver. Feedback is very sensitive inter personal transaction between a superior and subordinate and as such needs to be handled with extra care. In the higher education system it is transaction between the Principal and teaching staff, Teacher and students, Principal and Students Management and Principal at educational institutional / College level. At University and College level : it is interaction between University and College, Govt. and University. Each and every party / factor is important.

The basic step is to improve the quality of existing system. For that purpose there is a need of thorough study of existing / present educational system. With the help of study to know the drawbacks and then to take corrective step. The present higher education system does not provide scope for creative ability. Everyone has creative ability. If it is used we can get wonderful, fantastic, unbelievable results. According to J.G. Rawlinson "The relating of things or ideas which were previously unrelated is creating thing." Creative thinking is imaginative, divergent and lateral. Analytical thinking is logical, convergent and vertical. Throughout our learning life during schooling, undergraduate or even post graduate level the stress is an analytical thinking. This has prevented us thinking creatively. Due to this fact there is mismatch between what is taught and what is demanded by banks, firms and industries 40% of my students have given the answer. "Degree just for the name sake" No value.

When the feedback is to be conveyed the following points need to be kept in mind.

1. It should be data based.
2. It should be objective not subjective.
3. Feedback is to be focussed on the behaviour of a person and not the person himself.
4. It should be suggestive and not prescriptive. It is better to suggest alternative. It is better to suggest alternatives to the receiver so he can choose.
5. It should be result oriented.
6. It should be continuous rather than sporadic.
7. Feedback mechanism should be suitable to the needs.
8. The machineries / methods should not be only on paper of for a show for real requirements.

How to use feedback mechanism to take action ?

Feedback should be taken from reliable parties but not from trouble makers, competitors or cunning Feedback should be on going process. Periodic review of faculty performance is very good. At the end of each term the review of faculty performance should be taken and strength and weaknesses of each facility should be identified. Sometimes surprise visits are to be arranged and data should be collected. There should be group discussios. Information fair. Suggestion Box.

Feedback should be properly analysed. Systematic and scientific analysis is very much essential. There should not be wastage of time for taking proper step for improving once the feedback is obtained. The time limit should be fixed. There should be time bound programme. The user of feedback mechanism should study the data thoroughly educational institutions should cover various related parties for feedback. The method for the various parties may be different or according to the objective method will be different. Every educational institution is responsible for the future of thousands of students.

Now let me express giver's partywise feedback and measures for improvement in higher education. The students the major party when it was asked to them why they are not attending lectures?

The answers I got

- The curriculum is irrelevant
- The curriculum is outdated
- The emphasis is on past but
- What is the use of studying Past ?

There is a wastage of time in attending lectures. We have some important work.

For this feedback – we have to give them warning. We have to emphasis the point that attendance is a must and by attending lectures you can improve your knowledge.

60% students are expecting practical knowledge Banking transactions, Industrial visits for Export Import Course - to go to the EXIM Bank, exporter, importer and to collect practical information solater on if any student has to become exporter he will not find it difficult.

Primary education and higher education are inter related inter dependent. If primary education is strong that is if the foundation is strong the building can be stronger. The authorities related to P.E. & H.E. should come together and co-ordinate the course structure.

The Principal of the college is the administrator, manager, guide, receiver of information. If he is not firm, dynamic, the educational institution may not come up. I prepared questionnaire and collected data. The answers I got is the present principal. O.K., hardworking, punctual sincere but she should make improvement in administration so that she will be the valuable asset for the institution. I am happy with this frank opinion and I have decided to be a good administrator.

Paper presented at 21st Annual State Level
Principal's Conference held at Pune
**Meeting Aspirations of the
Students and Society**

Prin. Mrs. Savita Aware

Introduction :

For the 21st century which is knowledge based -- knowledge driven the human resource has become a highly significant determining agent in the process of economic development. The human resource is acting as the Commandar. The human resource can not be replaced like other resources --- material, method. The intellectual capital ---- trained skillful manpower rather than physical and financial capital can give the strength and prosperity to the people. Human capital can give proper shaping to the society needs can be known by human beings not by machine.

The human beings like students are having varied aspirations, strong desires. The society expects a lot. The society demands are increasing day by day. The people do not feel shy to express their deceives. They do not hesitate to demand services, their rights. It is the right of the students and society to get right type of education at right time and it is the moral responsibility of Educational Institutiona to provide the education to the students and society in a systematic way and in an efficient manner.

The economic development of the country depends upon industrial policy, educational institutions need based programmes, students attitude - willingness to study, career advancement and the support of the society. It a joint venture. All the members --- students, Janata, Educational institutions are interdependent. Each member / group has to understand the mentally, outlook at the other members at the same time difficulties / challenge faced by others.

India is a bog country with diverse culture, traditions attitude, aptituded. The student's aspiration have no limit. But the desires, needs should be taken in right perspective. The needs, aspirations should be treated as the starting point. The desires can show the path an to plan the activities for meeting aspirations of the students and society. For meeting the aspirations of the students and society the educational institutions have to go step by step.

- 1) To fix up the goals. For fixing goals to conduct surveys. Students survey and society survey Noting and Analysis of desires, classification.
- 2) Before fixing goals based on desires the points to be considered.
- 3) Steps to meet the Goals.

For determining goals educational institutions should conduct surveys of students and society. There should be separate an surveys for students and society and even different surveys for various regions areas. For conducting surveys the students should be classified into various categories.

- 1) Age wise -
 - a) below 10 years
 - b) 10 years to 25 years.
- 2) Education wise-
 - a) K.G. Primary.
 - b) Secondary
 - c) Junior College
 - d) Senior College
 - e) After completion of degrees
- 3) Area wise -
 - a) Students in villages.
 - b) Students in back ward areas.
 - c) Students in big cities like Mumbai.

As the desires, aspirations of various categories of students are varied, there is a need of category wise surveys. For example students after competition of degrees are interested jobs. They want personality development. They want to become leader. Some of the students are career oriented. Sometimes due to hereditary nature, folly background they want to become moneylender, agent, jewelers. The ladies students in Mumbai want to become beautician, tourist guide, computer operator. The gents students are desirous to become caterer, exporter, actor, director, singer in addition to bachelor holder. Though the nature of aspirations is different it should be studied thoroughly. While conducting surveys there should be family atmosphere. There should be openmindedness in understanding students situations under what circumstances their willingness / unwillingness different Communication is a vital asset which should be used by surveyor.

For the society again there should be classification of people in the society to know the desires. The classification can be like

- A) Ladies --- Gents.
- B) Housewives --- Service going Ladies (Serving).
- C) Businessmen --- Salary earner --- Exporters.
- D) Poor middle class --- Rich
- E) People in backward areas.
- F) People in developing areas.
- G) People in developed areas.

With the help of surveys the aspirations, desires, expectations to be noted and sorted. After noting down the likes and dislikes of the society and students analysis should be done.

Temporary desires

Permanent desires / Long Term desires.

Occasional desires.

Seasonal desires.

Accidental aspirations.

Balanced aspirations.

Dreamy aspiration.

Fashionable aspiration.

Practical aspiration.

Modern aspiration.

Traditional needs etc.

After classification and analysis of desires the major task is to take decision of fulfilling those needs.

- How to fulfill ?
- When to fulfill ?
- What are the ways, methods techniques ?
- Whether to commit or not ?
- Whether to reject or accept ?
- What should be practical solution ?
- Is it possible to have any innovation solutions ?

For fulfilling the needs for meeting the aspiration for taking decision for fixing the goal, following points must be considered.

- 1) Now a days students community is strong. The students are to be treated as client.
- 2) The society people should be treated as clients, without their support educational institutions can not survive.
- 3) The goals should be need based and result oriented.
- 4) The goals should not remain.
- 5) While fixing goals there should not be wastage of time. In reality why are we lagging behind ? We take so much time in planning and when actual plan in implemented the situation is completely different the plan become outdated when What is the use ? The response is not given by the public, students to avoid this there should be frequent meetings and Meetings should not be for eating and sitting.

Once the goals are fixed the steps should be decided to meet the goals -- The steps can be -

- 1) To fix up specific educational programmes to meet specific needs.
- 2) To explain the nature of programmes systematically with the help of group discussions lecture series.
- 3) To take into confidence that category of the desire for instance for becoming tourist guide - what is the basic requirement like attitude, skill, communication skill, personality etc. to be explained. For acquiring those skills what is to be done that also should be explained.
- 4) If the desires are only fashionable no real sense in that then it should be pointed that this type of fashionable desires cannot be fulfilled. The reason also should be given.
- 5) The negative side that is problems, hurdles, difficulties in fulfilling needs also to be kept in mind but this negative side should not be the hurdles in the actual work.
- 6) The educational institutions should not bother about funds if the returns are given, the students are ready to pay reasonable fees, the society is willing to support.
- 7) The educational institutions should give clear ideas about programmes to teachers. The institutions should demand their suggestions and fulfillment of needs.
- 8) With proper guidelines the responsibilities should be fixed up. The teachers are the driving force that force should be utilised in an effective way.

- 9) There should be vocationalisation in education programmes. For example in rural areas society people are desirous to do agricultural work or their traditional work like carpenter ship, tailoring and to take education side by side so educational programme should be designed in such a way that after completing 10th, the tailoring course of one year while studying 11th ie. Junior college so after one year he can earn and on his own he can complete his education. In big cities Beautician course for ladies can be introduced. A good response will be given.
- 10) Every after three years there should be restructuring of course - may be new additions. For restructuring, modernisation there should be constant review. The chance should be given to real enthusiastic, interested, knowledgeable teachers. There should not be monopoly of particular teachers.
- 11) It should be kept in mind that clouds of uncertainties are always there. We should not be afraid of those. If at the begining of a particular programme, no response / poor response is given, no problem - there should be continuous efforts. The society will realise the importance and the people will give positive support.
- 12) While farming course structure the care should be taken that the structure will be flexible. It will be adjustable to the situations, circumstances.

If the students will be sincere

And the society will be

- S - Systematic towards the work and serious for the work.
- O - Organised, operative
- C - Co-operative, confident co-ordinating
- I - Interactive
- E - Energetic
- T - Task oriented
- Y - Yes Guru

The programme will be successful.

The paper presented at Shahapur. U.G.C. sponsored - State Level Seminar on Sickness in Small Scale Industries.

Prin. Mrs. S.S. Aware

Actually small and tiny units are the backbone of the Indian economy. The Government of India stressed the importance of the development of small scale industries (SSI) in the development of the national economy of the country. The growth of SSI is vital to the country from various angles.

- a) SSI are helping hands to large scale industries.
- b) Employment opportunities are provided to skilled as well as unskilled workers.
- c) The development of backward areas is possible.
- d) The small firms are quick in studying changes in tastes and fashions of consumers and adjusting the production process accordingly. This is very much useful for adjusting supply according to demand.

BUT

Now winds are not in favour of SSI. Clouds are dark. SSI are now facing more threats for their survival than ever before. The recent growth and magnitude of sickness in India shows dangerous dimension. Sick industries are a bane of our economy.

There are various causes of sickness of SSI e.g.

- a) Heavy, excessive cost.
- b) No financial Support.
- c) No demand for the product that's no matching between demand supply.
- d) Complicated procedure.
- e) No proper planning.
- f) Defective / improper management.
- g) Pressure from local authorities, govt., leaders, importers, exporters, bankers.

I am presenting my suggestions for avoiding sickness and if the sickness is at the weakness stage the steps to be taken.

- 1) **Proper diagnosis of sickness to be done**: Accordingly positive corrective action should be taken e.g. it is pointed out that due to keen competition in the market there is less demand for the firm's product. The competitor's number is also large. So it is clear that company's product is O.K. How to face the competition is the problem? For this various ways are there.

- (a) To have flexibility in operations. Just to have some change in process which will not be costlier and will give another product in the market as a novelty item.
- (b) To change the Grand name or symbol – like Lakhapati Chappal Best of Luck pen.
- (c) For a short period to reduce the price to catch the customers and then increase the price.
- (d) To introduce different products of various designs, styles, pattern.

2) **If the sickness is due to bad quality goods supplied** in the market then for improving the quality expenditure is to be incurred for up gradation and then quality product is to be introduced in the market.

3) **Shortage of funds**: This is one of the major causes. Generally there is no understanding between bankers and entrepreneurs. Due to that as per the need of the firm banker is not providing the loans and as per the banker's expectation the entrepreneur is not behaving. The bankers should go personally to the firms, see the functioning, maintaining accounts, utilising loans and know the exact situation.

उंटावरून शेळ्या हाकण्यापेक्षा प्रत्यक्ष भेटीत खुलासा करून घ्यावा व त्यानुसार योग्य ती पावले उचलावीत.

Frequent visits make a lot of effect on the behaviour of employees, heads, entrepreneurs. In the visits if it is observed that there is artificial shortage of fund. Actually fund is misused. It is not properly allocated. The works manager of an operating division has pointed out that for a particular process as it is innovative requires more fund but that is not provided when the accounts are checked it is observed that the funds are shown for that process but not provided practically. It means only book keeping entry ! The banker should prepare an Investigation Report and get the answers from the entrepreneurs within a short period.

Answers for the questions –

- (i) Why there is misuse of fund ?
- (ii) Who is responsible for this ?
- (iii) Why proper attention is not paid for utilisation of funds ?
- (iv) Why the action should not be taken against the irresponsible party / employee ?

On the basis of answers corrective step / steps should be adjusted. If tis type of exercise is done, definitely there will be improvement.

Further the bankers should reconsider / readjust the loan proposal.

छोटे कारखानदार पैसा/कर्ज फेडत नाहीत, वेळेवर हप्ते भरीत नाहीत अशी नुसती बोंबाबोंब करण्यापेक्षा

त्याच्या मागची कारणे जाणून घेऊन योग्य त्या दिशेने कारवाई करावी. अगदी खर्च हलाखीची परिस्थिती असेल, तर कर्ज परतफेडीचे हप्ते वेगळे ठरवावेत. त्याच बरोबर त्या अशक्त कारखानदारांना कल्पना द्यावी की तुमची परिस्थिती सुधारली/गाडी मूळ पदावर आली की ताबडतोब हप्ते भरावेत व तेव्हा व्याजाचा दर जास्त असेल. मुद्दा असा की जेव्हा भरण्याची पात्रता नाही तेव्हा तगादा लावून मानसिक तणाव निर्माण करून आजारपणात भर घालू नये. जर्मनीसारख्या प्रगत राष्ट्रात अशा प्रकारचे प्रयोग केले जातात.

- 4) **Present Labour laws are rigid.** Majority of the labour laws are central laws. The freedom should be given to the state government to modify / to amend laws as per local environment (labour conditions availability of labourers etc.)
- 5) **The procedure for getting permission to start the business,** to register to carry on particular activities is very complicated. For making changes even prior approval of the govt. is required. When the approval comes – that situation is already changed. The world is fast changing unfortunately authorities are lethargic or not taking it seriously so that industry cannot adjust as per the need. So the choice remains with the firm is to close the business. This decision is harmful to the society and the nation. Wastage of resources, time, energy.
- 6) **The SSI which are providing spare parts,** services to large units should establish inter-relationship. The small firms should be constantly in touch with large firms. So there is not need of unnecessary stock holding. As the large firms are purchasing from small firms, the small firms are not having doubtful debts problems. Further large firms can undertake research work and accordingly guidance can be given to small firms and the small firms can adjust the production / process. The integrated approach is a good instrument for health improvement. The small firms should supply directly to large scale units but not in open market. So the commission of the middlemen can be avoided. There is nothing bad in depending on large firms. If both the parties are having mutual understanding the objective can be served.
- 7) **Sickness of SSI in different areas** is of varied nature. As per the nature of sickness and to protect the area employees efforts should be made e.g. Maharashtra – Sugar, Textile, West Bengal – Jute.
- 8) **The institutions like MIDC, SIDBI, FIs** should play the role of problem solvers as well as active agents of a change. They should show the path for diversification.

In short efforts should be made by entrepreneurs, Govt., institutions, industrialists to avoid sickness and when the symptoms are observed corrective positive steps should be taken.

To Dear,

This letter is addressed to a girl whose hairs keep on falling on her face as she solves difficult problems in "Accounts" looking the very picture of concentration. That girl is none other than you ...! Since you deign not to understand any other language than "sales, purchase of goods" and what have you, I have been compelled to compose my letter in "commercial language".

Since the first day I saw you, my heart beats, I have been appreciating every day. The simple "balance sheet" of my heart is disturbed, surely your "accounting" eyes must have calculated the sharp "appreciation" of my life. Though the limit of my love tends to be as a continuing "joint stock co", I have confidence that you have the ability to calculate it. Let me assure you that there is no error in the "trial balance". I can be no more "debit" than other expenses. The "Balance Sheet" total of my love, alas, has been visible to all except you.

I have been trying to "tally" the "Balance Sheet" of my heart with your heart beat in vain. Why do you "depreciate" the assets of my love. "Two partners" can set up a profitable "firm" and my letter will, I hope, be the necessary "adjustment" to "tally" my heart's problem.

Yes ! You can alone complete "the final accounts" of my life. Remove the liabilities of false pride and let there be a clear "trial balance" ! So that the world shall see how the "tally" takes place when two hearts meet together.

I Dreamt

One night when I went to sleep, it was a full moon night, breeze blowing through my window and the atmosphere very pleasant. I watched the moon through my window and started thinking about the world. And suddenly I was in a world, a world totally unknown to me – a world I have never seen. It was a paradise, totally new to me.

The world was full of happiness, cheers, smiles

No face in the world was sad

The world had no religion but only the religion of humanity was there

The people were joyful and helpful, they had plenty to eat and no one starved

The trees were full of sweet and candies

The children had small tender wings so that they could

reach the tree-tops to collect the sweets

There was love in everybody's eyes and not hatred

There were no weapons or arms but only flowers and butterflies

There was no war or battle but only the feeling of friendship and respect

The animals were friendly and no bird was kept in a cage

The birds flew in the blue sky and showered petals held in their tiny feets

There were seasons of joy

The people lived merrily and ...

Something shook me up and I woke up. It was mummy telling me to get ready for the college. I thought for myself if that was a 'dream' then I want to remain in that dream. O! Why can't we have the world, the world we dreamt of.

Indian Soap Industry

If you have forgotten about the Indian Soap Industry, this is probably a reminder.

Life is a WHEEL in which love is a BREEZE. A boy named LESANCY saw a girl named CHANDRIKA and he fell in love with her. They both used to meet often and again under the fragrant shadow of NEEM tree in an OASIS. You are my LIFEBOUY she declared passionately; while he asserted that she was his JASMINE. CHANDRIKA was white as INTERNATIONAL LUX while LESANCY was handsome as PEARS. CHANDRIKA'S mother Ms. GANGA and LESANCY's father Mr. PALMOLIVE said OK for their marriage and was arranged in SUPER 501 hall. Their marriage was attended by various stars like REXONA, HAMAM, DR. DETTOL, CINTHOL, DOVE, KASTORI, NIRMA, JAI etc. LESANCY presented CHANDRIKA a MOTI necklace in a MYSORE SANDAL BOX. After marriage they settled down between two PONDS in a place called SANTOOR. One SUNLIGHT day they were blessed with twins who were named rightly LIRIL and VIGIL.

For The Soul True Love

To most of us when we say we love somebody, we mean we possess that person. From possession arises jealousy, fear of losing him or her and all the conflicts. Surely such possession is not love. To be sentimental, emotional and weeping for somebody is not love.

Love is like a strong flowing river. It nourishes and waters everything that comes in its way. Nothing can spoil love, for all things are dissolved in it – the good, and the bad, the ugly and the beautiful. It is the only thing that is its own eternity.

How little we know of love's vastness, its deathlessness, its unfathomability. To love is to be aware of eternity. We want to make relationships crude, hard and manageable. So it loses its fragrance, its beauty. All this arises because one does not love, for in it there has to be complete abandonment of oneself.

"Love" expresses something more intense than goodwill which includes mere liking or affection. But whether love or goodwill, human feelings are always either based on or strongly mixed with ego – hence it cannot be absolutely pure.

It is said in the Upanishads "one does not love the wife for the sake of the wife but for one's own self one loves the wife."

There is usually the hope of return, or benefit or advantage of some kind, or of certain pleasures and gratifications, mental or physical that the person loved, can give.

Remove these things and the love very soon sinks, diminishes or disappears or turns into anger, reproach, indifference or even hatred.

But there is also an element of habit, something that makes the presence of the person loved a sort of necessity because it has always been there and this is something so strong that in spite of incompatibility of temper, fierce antagonism, something like hatred, love lasts and even these gulfs of discord are not enough to make the person part.

In some cases, this feeling is not strong enough and after a time one gets accustomed to separation or accepts a substitute.

There is again, often, the element of some kind of spontaneous attraction or affinity - mental, vital or physical, which gives a stronger cohesion to love.

The psychic element in human love, even where it is present is so mixed, overloaded and hidden under other emotions that it has little chance of fulfilling itself or achieving its own natural purity and fullness.

Why Worry ?

Reproduced below is, this amusing little snippet courtesy of Alfred E. Neuman and Mad magazine. It's meant for all those who are hypochondriacs and for all who are not.

There are only two things to worry about;

Either you are well or you are sick;

If you are well, then there is nothing to worry about;

But if you are sick then there are two things to worry about;

Whether you will get well, or you will die.

If you get well, then there is nothing to worry about;

But if you die, there are only two things to worry about;

Whether you go to heaven or hell.

If you go to heaven, there is nothing to worry about;

And if you go to hell, you will be so busy shaking hands with old friends, you won't have time to worry.

So why worry?

Don't fall in love, rise in love

There may be someone

give the person chance to make you
happy and enjoy your life

The Morning of Tremors

In the morning when all were out of bed
to get ready to work for bread,
None knew that day would be so long
that shocks could not be absorbed
by buildings so strong,

Small children ready for school to go
and mothers and sisters working more
when fathers and brothers were getting late
Here, none knew that the earth would break.

Then the walls were shaking and roof tops
breaking,
cries of people in open air deafening
Those few minutes too long in life
where someone lost their father
someone their sons, and
someone their wives.

A few minutes later when earth was calm
there was nothing which was not harmed
Where smiles and merrying were turned into
cries and furies.

Where a day before night turned into long
memories
Where the scene of death and loneliness
prevailed
and in deep black sea the happiness sailed.

It was last laughter in the morning that came,
on the face of a child which was now gone
I pray to God not to be so harsh on us
that in a minute everything is gone.

Relationship

Relationships of all kinds are like
sand held in your hand. Held loosely,
with an open hand, the sand remains
where it is.

The minute you close your hand, squeeze
tightly to hold on, the sand trickles through
your fingers

You may hold on to some of it but most will
be spilled. A relationship is like that :
Held loosely with respect and freedom for the
other person, it is likely to remain
in tact, but held too tightly, too possessively
the relationship slips away and it is lost.
So take care ! Enjoy !

Friendship

Friendship is as wide as the deep sea.

Friendship is as strong as a tree

Friendship is as tall as tower

Friendship smells as beautiful as a flower

Friendship is said to be life

Friendship is not of any type

Friendship is the thing which cannot become
old

Friendship is also something that cannot be
sold

Friendship cannot be seen, but it is to be felt

Friendship is also something that cannot be
dead

Friendship is something that is made in
heaven by God.

"Bollywood Love Dhamaka"

I saw her first time
and there was love at first sight

She too was impressed with me
and therefore cast a kiss on my lips

I was a Deewana and
therefore I said "Dil mange more"

She said "sharam ati hai"
I said "Oh, meri sharmilee"

Oh, what a complete man he was
who told me "bold ho jao" (Villain)

The next day I came to know
he was your "Rakhi Brother"

I told him "Hello Saale"
He said "Lagta hai Kelvinator hai"

I met you and took you for a ride
you were afraid
Therefore I said "Jab Pyar Kiya To Darna
Kya"

My friends teased me "Deewana"
But I said, you will know "Jab Pyar Kisi Se
Hota Hain"

You told me "Shayad meri mummy ko
shadi ka khayal aya hain" "Isiliye to
tumhe chai pe bulaya hain"

Your and my parents tied us
in the "Bandhan" of "Kaache Dhaage"

It was our Honey Moon night
and you were in "ghoongat"

I said "Chaudvi Ka Chand Ho"

After a few months

Jore ka Jatka jo Dhirese laga
That we decided to have family
planning and therefore said "Hum Do
Hamare Do"

I was bored with you
and therefore was in search of "Baharwali"
My enemy took a chance of these
and therefore tried to make a break

But it was jod of 'fevicol'
I told him "Yeh Fevicol ka jod hai, tutega nahin"
You were my "Biwi No.1"
and therefore I said no to "Baharwali"
.... The life will continue further
happily till death.

The True Fact

"World like a drama
Earth like a stage
God like director
We are like actors."

Manish C. Kothari
(F.Y.J.C. - 'C')

A Smile

A smile costs nothing, but gives much
It enriches those who receive
without making poorer those who give
It takes but a moment but the memory of it
sometimes lasts forever.

None is so rich or mighty that he can get
along without it, and none is so poor
that he can be made rich by it.

A smile creates happiness in the home,
fastens goodwill in business
and is the countersign of friendship.

It brings rest to the weary, cheer to the
discouraged, sunshine to the sad, and it is
nature's best antidote for trouble.

Yet it cannot be bought, begged, borrowed
or stolen, for it is something that is of no value
to anyone until it is given away.

Some people are too tired to
give you a smile
give them one of yours,
as none needs a smile so much as he
who has no more to give.

Failure

Failure doesn't mean you are a failure. It
means you have not succeeded.

Failure doesn't mean you accomplished
nothing. It means you have learned
something.

Failure doesn't mean that you have been a
fool. It means you had a lot of faith.

Failure doesn't mean you don't have it. It
means you have to do something in a different
way.

Failure doesn't mean you've been disgraced.
It means you were willing to try.

Failure doesn't mean you are inferior. It means
you are not perfect.

Failure doesn't mean you have wasted your
life. It means you have a reason to start
afresh.

Failure doesn't mean you should give it up. It
means you must try harder.

Failure doesn't mean you will never make it.
It means it will take a little longer.

Failure doesn't mean God has abandoned
you. It means God has a better way for you.

“Making my heart pure to you”

Waiting for hours and hours
to say I like you
But always scared to say to you
just that I needed you
Making my heart

Each and every day-n-night
I ponder for you
My heart searches you
Just once to see you
Making my heart

Character of yours is in dark
My friends told me about you
so what should I do
because still I love you.
Making my heart

People are always jealous of you
But I always knew, don't think
I betrayed you.
Best first and last you are
because still I have trust in you,
Making my heart

Now,
As you prevail in my heart
I want from you
that you be nice, don't say bye,
As I am waiting for you
Making my heart

I don't want to fall in love
because on my parents my life is due
I wanna become something in life
so sometimes I stay away from you
Making my heart

Also,
Whenever, wherever, however may
be you,
Forever and ever I love you
But can't live life with you
So how can I say I love you
Making my heart

Believe me, trust me
So, I can just say you
keeping first love for my wife
I just say I don't love you
Making my heart

Only want your friendship but you
broke it.
Never understand my feelings which
I want to say to you
Now there is no other way left for me
Except to go away from you and
to leave you
Making my heart

Greetings to Future Ahead

With the passing of time, as things
become past
yet memories of yesterdays, do last.
The future ahead which is truly unmet
For it I am now ready and all set.

Apprehensive about tomorrow, as
anyone would be
The only which is – May it pass in glee
Sometimes things don't go as we want to
And that is enough to turn us blue.

Taking things in my stride
There's one thing to which I abide
Keep smiling -- no matter, what
As joy and sorrow are a part of life's plot

When future knocks at my door,
I ask of nothing more
But only that there may be peace
As I rate it as the highest state of bliss !!

A Slump from Heaven to Hell

Once there was peace on this land. Once
there was no false pretension. There was
once a time when one could find many helping
men.

Of these I have seen none
Just heard of from few to some.

What I know is of a time which is just full of
crime. In the time which I now drag, there is
nothing of what I can brag.

Now he has lies to hide
In the lust of money there is price.

What a place to live in
What a place to die
Where one finds nothing more
But those every day hues and cry.

I pray of that time gone
to see it once I long
And if this prayer comes true
Then this world would be out of blue.

Sprinkle generously with kindness

Evolution and Thereafter of Love !

Walking on the sand of time
 God thought of making something divine
 So he gifted Adam and Eve with the apple
 which later showed of what it was capable.

This is how – Love took birth
 and was prospered by us on the Earth
 Since then the era of love is growing
 In which we fall very unknowingly.

I thank HIM for considering us worthy
 of handling something so sturdy
 HE made known to human beings
 LOVE – the Greatest of all things.

Cladded in the love-chain, they stay
 who explore it more each day
 Then, they all pay HIM a tribute for having
 blessed them with love so acute.

मित्र

मेरे एक मित्र थे, बड़े ही विचित्र थे
१०६ बुखार था, फिर भी निश्चित थे
एक नहीं, दो नहीं, तीन-तीन बार,
इतवार, सोमवार, मंगलवार लगातार
हुआ था heart का attack
फिर भी जीवित थे, बड़े ही विचित्र थे ।

परिवार वाले परेशान थे, सिर थामे बैठे थे,
बहुएँ उचक-उचककर रोने लगीं
अपनी आँखों में आँसू लाने की कोशिश करने लगी
सोचने लगी, आखिर इस बूढ़े का क्या होगा ?
कहीं कलयुग भर जीने का ठेका तो नहीं ले रखा !
पत्नी ने उसास छोड़ी, कहाँ गई मौत निगोड़ी !
हर बार यही कहते थे, अब समझे झूठे वादे करते हैं,
मैं तुम्हारे लिए सब कुछ कर सकता हूँ
जान भी जहाँ भी छोड़ सकता हूँ
पर पचास हजार का बीमा करवाकर
और पत्नी को वारिस बनाकर
अब मौत से भी लड़ते है,
जो मौत से लड़ सकता है,
कहिए, कहिए क्या पत्नी को छोड़ सकता है ?
अब पूछिए आपही लोग जब नहीं था इनको मरना,
खामखा क्यों करवाया बीमा अपना
बेटों को इनकी उपस्थिति खलती है
क्योंकि बाप के आगे इनकी नहीं चलती है
दवा-दारू में पैसा फूँका यही गलती है
डॉ. खन्ना ने तो कहा था इनको दवा से allergy है
पर जाने ईश्वर की क्या मर्जी थी ?
हर बार चंगे हो जाते थे
सबके हौसले ठंडे कर जाते थे
सरकार कोई नया कानून क्यों नहीं बनाती ?
बूढ़ों पर tax क्यों नहीं लगाती ?
जीने की सीमा क्यों नहीं बनाती ?
इससे सरकार फायदे में ही आती
क्योंकि pension भोगीयों से बच जाती,
बच जाती, बच जाती.

यादें

इस दिलसे तेरी याद भुलायी नहीं जाती,
ये प्यार की दौलत है लुटायी नहीं जाती
मर-मर के बनायी है ये तस्वीरें मोहब्बत
अब अपने ही हाथों से मिटायी नहीं जाती
कहाँ ले जाये जमाने से इस दिलकी लगी को
अश्को से तो ये आग बुझायी नहीं जाती
जिस दिलसे यह कहै है, तुम्हें भूल जाये
हर रोज़ ये दुनिया बसायी नहीं जाती ॥

नगमें

निगाहें ढूँढ़ती है तुमको,
तुम आओ तो दिल को करार आए ।
है वीरान गुलिस्ता मेरा,
तुम आओ तो बहार आए ॥
लगी ठोकर गिरा जो मैं,
उठा लोगी तो क्या होगा ।
झुकी निगाहें, झुकी जुल्फें,
मुस्कुरा दोगी तो क्या होगा ॥
तुम हो कली तो गुलाब हम हैं,
होंठो से लगा लो तो शराब हम हैं ।
कहते हैं लोग कि खराब हम है,
तेरी हर बात का जवाब हम है ॥
ये छायादार पेड़ जमाने के काम आए ।
जब सूखने लगे तो, जलाने के काम आए ।
कच्चा समझकर बेच न देना, गाँव के मकान को,
शायद कभी सर छुपाने के काम आए ॥

चाहत

तेरे पास बैठके दो घड़ी
 तुझे हाले-दिल है सुना लिया
 मुझे अपना मान न मान तू
 मैने तुझे अपना बना लिया !
 कई गांव, देश भटक गये
 कई लोग हुए ला पता
 तेरे दरपे जो रुक गया
 मुझे आके मंझिलने पा लिया !
 ये नजर का है या अपना कसूर
 या तेरे शरमों हया की खता
 कोई एक किरण को तरस गया
 कोई चांदनी में नहा गया !
 मेरे साथ होती ना बेखुदी
 भटक गया होता मैं कहीं
 तेरी चाहतों ने कदम कदम
 मुझे गुमराही से बचा लिया !

यादें

कदमों के निशान मिट जाते है पानी से,
 कहाँ मिटती है यादें इस दिलसे,
 कुछ लम्हे जो भूलाते है हम बड़ी मुश्किल से,
 याद आ जाते है वो फिरसे
 कैसे भूल पाए वो पलों को
 जो कभी बिताए थे हमने मिलके,
 कैसे भूल पाए वो चाँद को
 जिसे घंटों देखा करते थे
 बुने थे जो सपने हमने एकसाथ कभी
 अब रह गए है वो बनके धूँधली यादें सभी !

प्यार इसे कहते हैं...

प्यार होता है क्यों ?
दिल धड़कता है क्यों ?
जब कोई अच्छा लगता है;
तो वो बिछड़ता है क्यों ?
कुछ महसूस होता है पूछने वालों,
एक लड़की थी ।
अनजाने में प्यार कर बैठा उसी लड़की से,
जो बिलकुल अजनबी थी ।

दोस्ती रहे न रहे,
हमें तुम पर ऐतबार है ।
हम रहें न रहें
हमें तुम्हारी दोस्ती का इंतजार है ।

हम उससे प्यार करे या ना करे
हमें उसके सच्चे प्यार का इंतजार है ।
वो हम से प्यार करे या ना करे
हमें अपने सच्चे प्यार पर एतबार है ।
जो अनजाने में हुआ उसे प्यार कहते हैं
मगर जो प्यार करके अनजान बने,
उसे क्या कहते हैं ? ? ?

इनसान यहाँ सारे सब मतलबी हैं,
इन्सान तुम्हारी इन्सानियत है कहाँ ?
दोस्ती का प्यार क्या होता है, न जाना,
दोस्त तुम्हारी दोस्ती है कहाँ ?

तुम से है कहना
दूर होकर भी कितनी पास हो तुम ।
अगर तुम पास होती, दूर हमें होता जाना,
तो छोड़कर तुम्हें दूर न जा पाते हम ।

अधूरा रहेगा, मुझको मालूम है,
फिर भी हमे तुमसे प्यार है ।
इंतजार रहेगा, हमेशा ऐतबार है
सच पूछो तो इसी का नाम प्यार है ।
सच है,
प्रेम के अक्षर तो होते हैं ढाई ।
मगर सच्चाई है,
हमेशा लड़कियाँ करती है बेवफाई ।

तेरे पास

दिल ही दिल में मैं तेरे पास रह लेता हूँ ।
तुझे कहे बगैर रोज तेरा बसंत देख लेता हूँ !
रोज नहाकर यूँ ही
कच्ची धूप लपेटना
रेशमी बाल धूपमें
खुले छोड़ देना
खुशबू तुम्हारी साँसों में यहीं से भर लेता हूँ !
रोज यूँ ही फूल तुम
चुनना झुककर आंगनमें
यूँ ही रोज कहना अपना
'राज' कली के कानों में
कलियाँ तेरी तेरे फूल मैं यहीं से चुन लेता हूँ !
अभी अंजान हो तुम
कुँवारी कली की तरह
बातें ये पूछ लो कभी
खिली हुई जुही से जरा
बस दूर से ही मैं तुम्हारा मधुगंध चख लेता हूँ !
लगता नहीं अब तो
अकेलापन कुँवारा
रूप तुम्हारा करता है
यहाँ - वहाँ इशारा
हवाओं में चारो तरफ तुम संग बह लेता हूँ !
दिल ही दिल में मैं तेरे पास रह लेता हूँ !

वहीच्या शेवटच्या पानावर फक्त 'धुँडू' हा विषय

मान आपली हू म मानणारे...

मास अस दिवस राहोच असतात, मोकळ्या

लोकांना गुड्याकड वधून कळू दे.

शाखावाच शब्दाचा अर्थ

हे ते गुला मिळू दे

जे जे गुला हवे आहे

कुणी असही म्हणतो...

गुड्यामागे फिरतय.

सतत आबर घालूनही

निघव काहीतरी करतय

वेढं मनच आहे माझ

सुख जगवते...

मनाची तामा, हीणारी तडकड

आखिखच धरत नाही.

गुड्याशिवाय मी आखिख

बाकी काही उरत नाही,

गुला वजा केस्यार

विचार करणाऱ्यांना अस वाटते...

धुँडू पाठोपाठ तिच्याशिवाय मी जीवनाचा

मनादल्या मनात केंदल जगाव.

तिला जगवू न देता

धुँडू माझ्यासारखे कराव

धुँडू कस कराव ?

शिकवितात...

काही धुँडूरी धुँडू कस कराव, हे जगाला

आपल्या आखिखीत धुँडू येते.
तसेच काहीस पाऊल न जावता
अखिल मीही ऊन पडत
दाट आलेल्या संसाकाळी

अनेकांना एक कांड पडत, ते कांड काही जण

त्यातच खर धुँडू हललेल असते

कसण फक्त निमित्त असते

कधी कधी कुणावर कसण ?

हे मला खरेच वेढी आहे मी

धुँडू पाठोपाठ गुला हलते...

कुणाला आपल्यावर रागावणाऱ्या तिला

निघून जातिस ग्यात.

आणि मी नाही म्हणून

हळूच हलकापणेस आत

माझ्या आणवून जाताना

असतय येतो...

काही जगाना असही

अगदी धुँडू असते.

गुलाच आणो आमच

धुँडू असत,

धुँडू म्हणजे धुँडू म्हणजे

म्हणतात...

कुणाला चकन पाडावाकर आठवता. हे

माझीही कुणी असत

मला आपल म्हणणारे

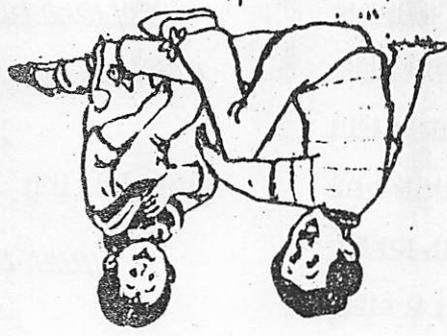

मीच एकट का राहाव ?

या अनीळली हीनयेत

कधी कधी वाटत,

काही...

कुणीतरी आपल्या एकटणावारेच कविता

या ससेसाठी हा मनमानी कारभार येथे
 थार, आजचा तो गुंड

 आकाशगतात ते अर्जुनी

 उद्वेगस्त संसार ज्यांचे,

अहवाल

जीवनच सार सांगणारी मुक्ताफळ इंध भेटतात.
 त्यांचा प्रत्यक्षत किती वापर होती हा भाग वेगळा
 पण... आयुष्यात माणसाला सागळ काही मिळत, फक्त
 मिळण्याची वेळ तेवढी चुकलेली असते. हे वर्तुतेकाना
 निविवाद मान्य होते. काहीना आयुष्य-जीवन यात
 पुरेशाच गणित हिसेच येत.
 माणसाने पैसा वाचवण्यापेक्षा ती वाया जाणार
 नाही याची खबरदारी घ्यावी.
 काही जणाना प्रवासावर पसरायला आवडत
 ते ऐकतात...
 प्रवासावरून केव्हा परतते,
 हे ज्याला समजते तेच खरा प्रवासी.
 प्रेम, जीवन या खालोखाल 'मैत्री'चा विषयही
 शेवटच्या पानावर आढळतो.
 माणसाला 'मैत्री'ची खरे ही वेडी तरान का ?
 निव्यावाचून असहस्य व्हावे प्रवदी निवी
 मित्रास का ?
 काही जण स्वतःच स्वतःला कवुली देतात...
 अखेर हे थार पडते
 केवळ आयुष्य काही विकण्यासाठी
 आयुष्य मात्र विकत असतो
 पुनः पुनः चुकण्यासाठी
 अनेकाना असं वाटतं...
 वेव्हा डोक्यात आसत असतात
 तेव्हाच माणसं माणसं असतात.
 माणसाच्या मारुसिण्याचं, ताकण्याचं, प्रेमचं,
 जाणिवचं, विवाराचं दर्शन इंध पडतं... वहीच्या
 शेवटच्या पानावर ! आयुष्याला घडवणाऱ्या भावी
 काळच सार या ठिकाणी नादतं. हे सागळ कधीतरी
 कुणीतरी जाणीवपूर्वक तपासायला हवं.

निष्कर्ष :- विज्ञानाच्या परीभाषेत प्रेमाचे परीक्षण केले असता त्यातून सर्वसामान्यपणे पुढील निष्कर्ष काढता येतो.

- १) प्रेमाचे मानवाची नवीन गती निर्माण होताना होते.

प्रेमाचे उपयोग :-

ज्वालनासाठी असते. माणसाला कवी किंवा देवदास बनविते. प्रेम हे अत्यंत

(ब) सामाजिक गुणधर्म :- सत्त्व प्रेम काही सुचत नाही अशीही अवस्था निर्माण होते. त्याचा तथ्यतीवर परिणाम होतो. शोष लागत नाही. अगदी 'मिठास' असून ते मम प्रसन्न ठेवते. अनेकदा असून त्याला आहंशुद्धाद्वयक सुगंध असतो. त्याची चव प्रेमाचे गुणधर्म :- प्रेम हे गौरीस

करीना फसवणार

 क्षणांत वसवणार... क्षणांत वसवणार
 खऱ्या खोल्याचं मिश्रण असतं
 म्हणूनच हे मांजळ असतं
 पण खर तेच विवाभावाचं असतं
 पटत नसतं तरी स्वतःसाठी असतं
 उद्देश फक्त भासवण्याचाच असतो
 खर असतं ते खर मानपचं
 ते ही एक मांजळच असतं
 किनाऱ्याचं व लाटेचं नातं काय असतं !
 पानाफुलांचं फांदीशी नातं काय असतं !
 ते ही एक मांजळच असतं
 पक्षांचं पक्षिणीशी... मातेचं बालकाशी...
 रक्ताचं नातं असतं
 तरीही ते मांजळच असतं.
 आर्याष्य हे ही मांजळच आहे
 जणू अन्न येणं हे ही मांजळच आहे

 काहीच ते सांगत नसतं
 कारण ते एक मांजळ असतं.

१२ जूनला पु. ल. गेल. ही बातमी ऐकल्यावर
 पोटात खड्डा पडला. काही सूत्रेना... गप्प बसून
 राहिलो... पण वर्तमानपत्रांनी रकानेच्या रकाने खरडले.
 मासिकांनी विशेषक काढले, वाहिनीच्या लोकांनी
 येऊन गांध्याला आणली भर घातला. या सर्व प्रकारांमुळे
 मनात विचार आले; ज्यांनी पुढच्या बरोबरीने
 गांधीजींवर, निरपराध वाटाचाल केली, ते जिन्होल्याचं
 गांधीजीं आणि पुढचं नातेवाईक शोकाकल अवस्थेत
 एका बाबतला राहतील. आणि वाईट म्हणजे ज्यांनी या
 कानांचे त्या कानाला कळू न देता अक्षरशः लाखी रुपये
 साज्याला दान केले; केवळ अनमोल असा खिजना
 लोकांना लुट्टे दिले. त्यांच्या नावाचे एखाद्या
 कोठेला पाया रकानेचं पारितोषिक जाहीर होईल आणि
 काहीही न वसवण्याची जबाबदारी ताकद असणाऱ्या
 एखाद्या लेखकास ते मिळेल या सर्व गोष्टींची भीती
 वाटते.
 पु. ल. गेल. महाराष्ट्रातल्या नव्हे तर जगातल्या
 अनेक लोकांना खरच खूप वाईट वाटतं. वाईट वाटाचं
 इतका निखळ, स्वच्छ, लाडका, प्रेमळ आणि तरीही
 लोकप्रिय असा हा शतकातला एकमेव साहित्यिक.
 आपले आजोबा किंवा स्वकीय वडीलघारी
 मंडळी जेव्हा मृत्यू पावतात तेव्हा आपण फक्त 'ते गेले'
 एवढच म्हणतो, कारण छत्र हारणं, पोकळी,
 आनंदपूर्वकसाथी, महान वैभवे शब्द आता इतके घासले
 गेलेत आणि तेही नकी त्या माणसासाठी की ते खोटेच
 वाटतात. म्हणूनच पु. ल. गेल. यांचा समाज दुःख व्यक्त
 होतं... याच कारण ! नाही सांगता येत.

आपल्या कॉलेजच्या उपप्राचार्या सौ. ज्योत्सना व्यास.

संग्राहक वाटलं त्या आहेत कॉलेजच्या उपप्राचार्या सौ. ना ती दुसरी तिसरी कोणी नाही. ज्यांच्याबाबत लिहावं, असा, आपण ज्या व्यक्तीबाबत म्हणत होतो तसेच ते सुसंजणूचाले.

व ते करतवयास संगणारे ह्यांच्याबाबत विश्वास असेल महाविद्यालयाचेही तसेच आहे. काम करणारे असेल तरच सर्व काम सुरुवात पद्धतीने पार पडतात.

त्याचा भक्तावर व भक्ताचा परमेश्वराने नितांत विश्वास बाहेलीप्रमाणे होतवला जातो. सुरुवात परमेश्वर ! पण नाही. स्वर्गीय दृष्ट्याची होते. मानव कळसुत्री आपण पाहिले पडद्यामागच्या मुखाधाराला कोणी पाहता व्यवस्थापन हे सर्वात महत्त्वाचे होय. संग्रहाकर सर्व अधिकाऱ्या व पदे आलीच. व्यवस्थापनही आलेच. महाविद्यालय म्हटलं की प्राचार्य, उपप्राचार्य,

प्रत्यक्ष संपर्क अर्ज आला नाही. पदाधिकाऱ्या; पण मला ते सर्व ऐकूनच माहितीतले; आमचे संस्थाचालक व सतत संपर्कात असणारे सर्व वेणारे असे म्हणण्यापेक्षा प्रत्यक्ष काळजी वाहाणारे अर्थात सर्व सुखसोईनी परीपूर्ण असे. संस्थेची काळजी सुंदर नगरप्रदेश असेलेले आमचे महाविद्यालय परवानगीने !

लिहावंस वाटलं ते थोडेस... अर्थात अधिकाऱ्यांच्या शक्ती. पण मला त्याहीपेक्षा जे वेळ वाटलं, संग्राहक उपक्रम थांबवले आपण लिहू शकतो, पावाडे गाऊ श्याळा, महाविद्यालय, वार्न्स वा इतर शैक्षणिक

एवढा समजतदारपणा व मनावरचा सयम बर्हेल दिसल्या कोणाकडे नसावा.

आता व्यवस्थापन :- महाविद्यालयाचा प्रवेश, कामाच्या वेळ, विद्या. अभ्यास, त्यांची शिक्षण, इतर, शंका निरासन, अध्यापन इतिपदीत सर्व सुक्ष्मनिरीक्षण करून त्या डोळ्यात लेल घालून करत असतात.

शासन नको का ? असं दुखवायचं नव्हतं, पण काय करणार; अपराध्याला दिसून येतं. मला कडक शब्दात सुनावून घालायला संपत नाही. मला कडक शब्दात सुनावून घालायला म्हणूनच त्या बोलत होत्या. पण माझा अजूनच तैथेव आरडा खालून घेण्याची पाळी आली, पण चॅक होतो एक स्वामिभूत :- एकदोनदा मलाही त्याचा आदरयुक्त आहे.

ह्याद्वारे वाटतात. त्याचा दरारा भितीयुक्त नसून मूर्ती लहान पण किती महान आहे. सर्वाना त्या याची त्या काळजी घेतात.

स्पष्टवकतेपणाने सर्व गोष्टी व्यवस्थित कशा होतील पोटात एक त्यांना जमत नाही. पाठीवर वार करण्यापेक्षा करण्यास देखिल त्या कचरत नाहीत. आठारात एक असे असेल तर, अधिकाऱ्यात असणाऱ्याची कामउपधेणी कधीच करत नाहीत. पण एखाद्याच पाकल वाकडे पडत स्वतःच्या अधिकाऱ्याचा वापर त्या उगाचच

न करणाऱ्या. त्यांच्याबाबत मी अडणी काय सांगणार ? संग्रहाच ओळखणाऱ्या, कोणाचा उपमर्द चारवीपास सांगणाऱ्या व वेणुऱ्या, दृष्ट्याच्या अडचणी न काम करून घेणाऱ्या, अधिव्याख्यात्यांना समजावून शिडकावा करून सर्वांकडेन हसतमुखाने, खेळीमळीने झालेल्या ह्या आमच्या बाई नावाप्रमाणेच झाले

कुटुंबातील एक महान घटक तूही आहेस...

વિદ્યાર્થીઓની કૉલેજમાં હાજરી આવશ્યક છે

મહાવિદ્યાલયએ એક મંદિર છે કે જ્યાં વિદ્યાર્થીઓ વિદ્યાની આરાધના કરે, પોતાનો બૌદ્ધિક વિકાસ સાધે અને જીવન ઘડતર કરે. પરંતુ આજના આ 'યાંત્રિક' યુગમાં શિક્ષણ ને એક જુદા દષ્ટિકોણથી જોવામાં આવે છે. જ્યારે પ્રાચીન સમયમાં વિદ્યાર્થીઓ જ્ઞાન પ્રાપ્તિ માટે ગુરુઓ પાસે આશ્રમમાં રહેતા. ગુરુ અને શિષ્ય વચ્ચે જ્ઞાન અને પ્રેમની એક અતૂટ સુમેળ સંધાતો. ભગવાન શ્રી કૃષ્ણ, રામ જેવા દેવતાઓએ પણ પોતાના મનુષ્ય જન્મમાં ગુરુકુલમાં જઈને ગુરુઓ પાસેથી જ્ઞાનની પ્રાપ્તિ કરી હતી. જ્યારે આજના વિદ્યાર્થીઓ કોલેજમાં ફક્ત વસ્ત્રાડંબર અને સંપત્તિના પ્રદર્શન માટે આવે છે. તેથી કોલેજમાં જવું એ તેમના માટે એક નિરસ દિનચર્યા બનીને રહી ગયું છે.

વિદ્યાર્થીઓ વર્ગમાં ભાગવા માટે નહીં પરણ મોજ મસ્તી કરવા આવે છે. જેથી પાંચ થી દસ વિદ્યાર્થીઓ જે ખરેખર ભાગવા આવે છે. તેઓને મુશ્કેલી ઊભી થાય છે અને તેથી કેટલાક શિક્ષકો મન મૂકીને ભાગાવતા નથી તેથી કેટલાક વિષયોનું ઊંડુ જ્ઞાન તેમને મળતું નથી.

આજના વિદ્યાર્થીઓ કોલેજમાં જ્ઞાન મેળવવા કરતાં હાજરીને મહત્ત્વ આપે છે તેથી વર્ગમાં આવા વિદ્યાર્થીઓ બેસે તો છે પણ તેમનું મન ભાગવામાં હોતું નથી. અને આવા "Physically present and mentally absent" વિદ્યાર્થીઓ વર્ગમાં તોફાન-મસ્તી કરે છે. જેથી વર્ગમાં એકાગ્રતાથી, પ્રામાણિકતાથી ભાગતા વિદ્યાર્થીઓના નામ "Short Attendance List" માં આવે છે. જ્યારે બીજાઓની ખોટી હાજરીઓ આપતા વિદ્યાર્થીઓ તેમાંથી બાકાત રહે છે. આ બાબતનું મુખ્ય કારણ એ છે કે વિદ્યાર્થીઓ કોલેજમાં હાજરી કેટલી આવશ્યક છે તે વાતથી અજાણ છે. વર્ગમાં બેસીને મિત્રો અને સાથે ભાગતા વિદ્યાર્થીઓ સાથે સહશિક્ષણથી થતાં લાભ ખરેખર મહત્ત્વના છે. વિદ્યાર્થીઓ સહશિક્ષણને લીધે એક એકના વિચારોથી પરિચિત થાય છે. ગુરુઓ પાસેથી પુસ્તકના જ્ઞાન સાથે

અન્ય સામાન્ય જ્ઞાનની પ્રાપ્તિ થાય છે. કેટલાક શિક્ષકોના સત્યવચનો, દષ્ટાંતો, પ્રેરણાદાયી વાક્યો વિદ્યાર્થીઓના જીવન ઘડતરમાં મહત્ત્વનો ભાગ ભજવે છે.

કોલેજની અન્ય પ્રવૃત્તિઓમાં ભાગ લેવાથી વિદ્યાર્થીઓમાં રહેતી કળા તેમજ અનેક આંતરિક ગુણોનો વિકાસ થાય છે. કેટલાક વિદ્યાર્થીઓ પોતાને રુચિ હોય તો ક્ષેત્રમાં નામના મેળવવામાં સમર્થ થાય છે. વિદ્યાર્થીઓના જીવનને નવું લક્ષ્ય પ્રાપ્ત થાય છે. અને આમ વિદ્યાર્થીઓ દિનચર્યાની નિરસતાના આવરાણમાંથી બહાર આવી એક સુંદર ધ્યેયલક્ષી સ્વરૂપ પ્રાપ્ત કરે છે. આમ, વિદ્યાર્થીઓના કૉલેજ જીવનમાં હાજરી ખૂબ જ આવશ્યક છે.

પ્રેમની પ્યાસ

હોળીના ભડકામાં દાઝીને
માણ્યો ધૂખેટીનો રંગ,
આપખુ ઓળગોળ તારીઉપર
જીવુ જવતર તારે સંગ.
સાતમ આઠમના મેળામાં જોઈતી
ત્યારથી લાગ્યો તારો ને ડો,
તું પણ ભીંજાય છે મારા વરસાદમાં
પકડુ હું પાલવનો છેડો.
દિવાળી લાવી છે વિરહની વેદના
પ્રેમના પ્રગટાવીએ દીવા,
સપ્તપદીના સુર સંભળાય છે
તારા પ્રેમના પીયુ મારો પીવા.

શિક્ષણ ૨૦૦૦

“શિક્ષણ જે મનુષ્યને જીવનની પ્રેરણા આપે છે જ્ઞાન અને કેળવણી આપે છે. એક નવી અને સાચી દિશાનો માર્ગ દર્શાવે છે. માટે જ શિક્ષણનું મહત્ત્વ મનુષ્યના જીવનમાં ખૂબ જ છે. અને તેથી જ કહેવાય છે કે ‘અભણ મનુષ્ય પશુ સમાન છે.’”

ભૂતકાળમાં આ સંદર્ભ પ્રેરણાદાયી હતો. લોકો માટે માર્ગદર્શક હતો. કારણ ત્યારે લોકોને શિક્ષણ ના મહત્ત્વની જાણ ન હતી.

પરંતુ ‘Now there is a different game’ હવે પરિસ્થિતી બદલાઈ છે. મનુષ્યે શિક્ષણ નો સ્વીકાર કર્યો છે પણ આ અરસામાં શિક્ષણ પામેલા વિદ્યાર્થીઓ ‘જીવનની પ્રેરણા, કેળવણી, શિસ્ત, જ્ઞાન’ વગેરે બાબતોથી વિમુખ છે. વિદ્યાર્થીઓને શાળા કે મહાવિદ્યાલયોમાં ભણવા જવું એ માત્ર દરરોજની

નિરસ દીનચર્યા લાગે છે.

આજ ના ‘Cyber’ યુગમાં પરિસ્થિતીઓ વાગસતી જાય છે. વિદ્યાર્થીઓ માત્ર ડીગ્રી મેળવવા માટે જ અને ‘Professional’ બનવા માટે જ મહાવિદ્યાલયમાં આવી રહ્યા છે. પરંતુ જ્ઞાન માટે નકી.

માત્ર વિદ્યાર્થીઓની વાત નથી અહીં તો “Two way traffic” છે. ઘણા ખરા શિક્ષકો માત્ર બજારુ શિક્ષણ જ આપી રહ્યા છે. ભારતીય ગૌરવ ‘ગુરુ-શિષ્ય’ સંબંધ ખૂબ જ વાગસી રહ્યો છે.

૨૧ મી સદીમાં શિક્ષણ કયા પ્રકારનું હશે. અને ભારતની પ્રગતિમાં તેનો ફાળો કેટલો હશે તે માત્ર આવનાર સમય જ કહી શકશે.

છબી તારી

છબી તારી કાગળ પર ઉતારવા

મથી રહ્યો છું.....

આંખો બંધ કરીને પાગ

જેઈ રહ્યો છું.

છબી તારી કાગળ પર ઉતારવા

મથી રહ્યો છું.....

મારી જ આ વાતો તને કહેવા

મથી રહ્યો છું.....

આ દીલની વાતો કાગળ પર ઉતારવા

મથી રહ્યો છું.....

ચાહું છું તને હરેક શ્વાસે;

માટે આ શ્વાસ લેવા

મથી રહ્યો છું.....

છબી તારી કાગળ પર ઉતારવા

મથી રહ્યો છું.....

હંદગી

જેમ :-

ટીપે-ટીપે સરોવર ભરાય,

કાંકરે-કાંકરે પાળ બંધાય,

કાગ-કાગથી પૃથ્વી રચાય,

પળ-પળથી યુગો થાય,

એકેક-પૈસે તિજેરી ભરાય,

સમય જતા લાખો - કરોડો થાય

તેમ :-

નાની નજીવી ભૂલોથી,

નિર્દયી કૃત્યોથી,

અને થોડા કષ્ટ વિચારોથી,

શેતાન થઈ જવાય

પરંતુ એ સનાતન નિયમે શિવાનંદ કહે છે :

થોડા માયાળુ શબ્દો વડે,

થોડા ભલાઈના કાર્યો વડે,

પવિત્ર, ઉમદા વિચારો વડે,

સંત પાગ થવાય.

‘પૂર્ણવિરામ’

કેવું સરસ નામ છે ‘કિરાણ’. આશાનું ઉમંગનુ. વાહ ! આ સૂર્યકિરાણ વગરનું જીવન છે ખરું ? પાણ, આતો એવી કિરાણ છે કે જેના જીવનમાં નથી આશા કે નથી ઉમંગ નથી. રસ કે કસ. આશાના કિરાણને બદલે હવે નિરાશાના વાદળ જ વાદળ.

ઘર છે. પતિ છે. કુટુંબ છે બધું જ છે. પાણ નથી પતિનો પ્રેમ, નિરસ પતિ ફક્ત કપાણના ચાંદલો કરવા પૂરતો જ. આ વાત છે આપણી નાનકડી વાર્તાની હિરોઈન કિરાણની કેટકેટલા અરમાન લઈને કિરાણ સાસરે આવી હતી. પિતાના ઘરમાંસૌની લાડકી કિરાણ મોટાભાઈને વળગીને નાના બાળકની જેમ રડીને પિયરથી વિદાઈ થઈ હતી. કાશ આંસુનું વાદળ બનતું હોત તો ગામમાં ગર્જના સહિત વિદાયવેળાએ વરસાદ થાત પાણ પ્રેમતો હૃદયમાં ઘરબી રાખવાની ચીજ સમાન કિરાણ માટે બની ગયો હતો. પતિ સંજય કિરાણ ને ફક્ત દિવસ દરમ્યાન ૧૨ની સાફ-સફાઈ તેમજ મનગમતું ભોજન બનાવવા વાળી અને રાત્રિ એ પોતાની મરજી મુજબ પોતાને ખુશ રાખવા વાળીથી વિશેષ કાંઈજ સમજતો નહિ. ક્યારેય વ્હાલ નહિ, પ્રેમ નહિ. ન ક્યારેય હરવા-ફરવા જવું ન નાટક કે સિનેમા કિરાણ પોતાનું જીવન જીવતી ન હતી પાણ ઢસરડો કર્યે જતી હતી. થોડા લાંબા ગાળા બાદ કિરાણે નાનકડી સ્નેહાને જન્મ આપ્યો. સંજય નારાજ થઈ ગયો દીકરીને જરાપાણ પ્રેમથી આવકારી નહિ. તે તો દીકરો એ જ સત્ય સમજતો હતી. આવા નિષ્કર પિતાએ મીઠી સ્નેહાને ક્યારેય ન જ અપનાવી.

પાણ કિરાણે માતા અને પિતાનો પ્રેમ આપી સ્નેહાને જીવની જેમ ઉછેલી હતી. પતિના ભાગનો પ્રેમ પાણ સ્નેહાના ભાગમાં આવ્યો. કિરાણનું જીવન દિવસે દિવસે વધુ વિકટ બનવા લાગ્યું. સંજય રોજ ફાવે તેવું વર્તન કરવા લાગ્યો. દીકરો ન જન્મયો તે બદલ કિરાણને જવાબદાર સમજવા લાગી મેણાં-ટોણા મારવા લાગ્યો. અને એક દિવસ તો નાનકડી ભૂલને ઉગ્ર સ્વરૂપ આપી કિરાણ ઉપર હાથ પાણ ઉગામ્યો. બસ હવે સહનશક્તિની સીમા વટાવી ચૂકેલી ગૂરઝાયેલી કિરાણે

આપઘાતનો આશરો લીધી તેણે ટીક-૨૦ નો આપ્યો ડબ્બોજ પેટમા પધરાવી દીધો. સંજયના આવા આપખુદ વતન થી તેના માતા-પિતા પાણ પરેશાન હતા. સંજયના માતાએ પહોશીની મદદથી કિરાણને હોસ્પિટલમો ખસેડી તરતજ સારવાર ને હિસાબે તેમજ નાનકડી સ્નેહા પર પ્રભુની કૃપાથી કિરાણ હેમખેમ બચી ગઈ. બે દિવસની બેશુદ્ધિ બાદ કિરાણ ફરી નિરસ દુનિયામા આવી. પાણ હવે તે કઠ્યાગરી પાની ન હતી. તેનું મન બળવો પીકાસ્તું હતું. તેના માતા પિતા કિરાણના સાસુ-સસરાની પરવાનગી થી રાજીખુશી થી સદા માટે સાસરી છોડાવી પિયર લઈ આવ્યા. હવે શું ? નાનકડી સ્નેહાનું શું ? પિતા એ અને મીટાભાઈએ સારો સધિયારો આપ્યો પાણ અતિ લાંબુ જીવન એકલું કેમ કરી વિતાવવું ? આ કથની પડોશમાં રહેતા પંજબી અકલના એકના એક પુત્ર ઉદિતને સ્પર્શી ગઈ. તેને પહેલે થી રૂપાળી, નમાણી કિરાણ ગમતી હતી. કિરાણને જોઈને તે ઝમી ઊઠતી. કિરાણ ના ઘરનાઓની સાથે પાણ ઉદિતલોકો નો વ્યવહાર ઉતમ હતી. ઉદિત ના પિતા અને કિરાણના પાકા દોસ્ત હતા. એકબીજાની હેયાની વાતો કરવા જેટલો ઘરેબી હતો. બધુજ મનમેળ રૂપ હતું પાણ સૌથી મોટી દિવાલ ન્યાત-જાતની ઉદિત પંજબી ભટ અને કિરાણ ગુજ્જુ લજ્જમાણી છોકરી. ધીરે ધરે દિવસો વર્ષમા ફેરવાઈ ગયા. ઉદિતે કિરાણના લગ્ન પહેલાં પાણ પોતાના પપ્પા ને કિરાણ સાથે લગ્નની વાત કરી પાણ ઉદાર પિતા પોતાના મિત્રને આ વાત કહે તે પહેલાજ કિરાણના વિવાહ થઈ ગયા. પાણ ફરી ઈતિહાસે પુનરાવર્તન કર્યું હતું. મોકો પાણ હતો. ઉદિતે ફરી પાપાને વિનંતી કરી. કિરાણ માટે માગુ નાંખવાની વિનંતીનો આ વખતે સંપૂર્ણ સહકાર અને પ્રતિસાદ મળવાની હતો. પાણ આ વાત થી બેખબર કિરાણના જીવનમાંથી આશાનું કિરાણ ઓસરવા લાગ્યું હતું. માતા-પિતા ભાઈ બધાજ કોશિશ કરતા તેને ખુશ રાખવાની પાણ હવે પેલા જેવી રૂમઝુમતી કિરાણ ઓસરી ગઈ હતી. નાનકડી સ્નેહાતો નાના-નાની અને મામાનો સંપૂર્ણ પ્રેમ પામી ધન્ય બન ગઈ હતી.

આ વખતે ઉદિતના પપ્પાએ હિમંત એકઠી કરી મિત્રને દીકરાના દિલની વાત જાણાવી. કિરાણના પપ્પા અને ભાઈ ખુશખુશાલ થઈ ગયા. હવે કિરાણની જ હામી બાકી હતી. મમ્મીની પ્રેમભરી સમજવટથી વડીલોની જીત થઈ અને આજે કિરાણના અલ્પવિરામ સમા જીવનને ઉદિત નામનું પૂર્ણવિરામ મળવાનું હતું. સ્નેહાએ સ્વીટ અંકલમાથી નાઈસડેડી બનેલા ઉદિલને

સ્વીકારી લીધા હતા.

કિરાણ હવે ઉદિતના સામ્રાજ્યની ખુશીની કિરાણ બની ગઈ હતી. હવે તો સ્નેહાને નાનકડો ભાઈ પણ મળી ગયો હતો. ખાલી, અધૂરું, અપૂર્ણ અલ્પવિરામ સમું જીવન સંપૂર્ણ પૂર્ણવિરામ સમું હર્ષભર્યું બની ગયું હતું.

Love is GOD

યાદ રાખજો મને

જાજી છું છોડીને સૌને

યાદ સહુ રાખજો મને,

હૃદયના એક ખૂણામાં

થોડું સ્થાન આપજો મને

યાદ રાખજો મને.....

ભલે ભૂલી જાઓ મને

નથી ભૂલી જાઓ મને

કાંઈ નહી ખાલી નામ યાદ રાખજો

જાજી છું દિલમાં વસાવીને તમને,

યાદ રાખજો મને.....

જે ક્ષણો વિતાવી સાથે તમારી

હું નથી ભૂલી શકતો એને,

જે દિલના કાળજામાં વસી ગયા

હું નથી ભૂલી શકતો એમને.

યાદ રાખજો મને.....

સહુનો પ્રેમ એટલો છે કે

હુ જઈશ તો હસતા હસતા રડીને,

સાયું કહું છું જ્યાં પણ જાજીં

અખીશ હુ તમને સૌને,

યાદ રાખજો મને.....

છેલ્લે કહેવી એક જ વાત છે,

ભૂલી જાજો મારી નાદાનીને,

ભુલ થઈ હોય જો મારાથી

તો માફ કરજો સહુ મને

યાદ રાખજો મને.....

નવી કેરીનું નવું અથાણું

મફતમાં જ દાંત પડાવવા.....

ઓણે એક ગુંડાને ગાળ દીધી.

'ચાંદલો' એવો હોય તો.....

'કંકોત્રી' છપાવવી પણ પડે.

ટેબલ ઉપર કાગળની લેવડ-દેવડ થાય.

ટેબલની નીચે પૈસાની.

ખાનગી કંપનીમાં પણ.....

ઘણીવાર ખોટ તો જાહેરમાં જ કરે.

મખ્ખીચૂસ મારવાડી મહેમાન આવે ત્યારે નહી.....

પણ જાય ત્યારે ખુશ થાય.

આજ લગ્ન ખૂબ ધામધૂમથી કર્યા.....

ને કાલે ઉધરાણીવાળાઓએ બૂમરાણો કરી.

કાંદા સમારતી વખતે આંખમાં પાણી આવે.....

કચુંબર થઈ ગયા પછી મોંમાં પાણી આવે.

બાપા ચોકલેટ-પીપરમિન્ટ વેચે.

ને દીકરો ખો ખો કરતો ઉધરસ ખાય.

અર્પણ

વટવૃક્ષ છું હું આજે

વિશાળ છું

સમૃદ્ધ છું વિચારોથી,

સમર્થ છું આપવા છાંયડો.

મારી આ વાત થી અજાઈ ના જાશો

હું પણ હતો નિર્બળ

પણ મને વટવૃક્ષ બનાવનાર છે 'મિત્રો',

અર્પણ છે આ કાવ્ય;

અંધારામાં "પ્રકાશ" ફેલાવનાર મિત્રોને.

આજના ક્રિકેટરો હીરો કે ઝીરો ?

શું મારે એ કહેવાની જરૂર છે કે આજના ક્રિકેટરો હીરો છે કે ઝીરો છે ? આજના ક્રિકેટરો બુકીઓ પાસેથી પૈસા ખાઈને ખેલદીલી પૂર્વક નથી રમી શકતા તેઓ ખોટી રીતે પૈસા કમાય છે.

આજના ક્રિકેટરોએ રમવાનો અર્થજ બદલી નાખ્યો છે. “રમવાનું શેના માટે હોય” ? રમવાનું શરીરની તંદુરસ્તી મો હોય છે. પણ હવે માત્ર જીતવા માટે જ રમાય છે. જેમ દરેર સિક્કાની બે બાજુઓ હોય છે તેમ રમતની પણ હાર અને જીત એમ બે બાજુ હોય છે.

આજના ક્રિકેટરોને દેશ પ્રત્યે દેશપ્રેમ નથી. અત્યારે દર ક્રિકેટરોને ત્યાં ‘ઈન્કમટેક્સ’ ની ‘રેડ’ પડી હતી. અને તેઓની પાસેથી ‘બ્લેક મની’ જપ્ત કરાયા છે. અને જી પણ હું કોરા કાગળ પર લખીને આપું કે “તેઓ હજી પણ રૂપિયા ખાવાના જ” પહેલા લોકો ક્રિકેટનીરમત જેવા આતુર હતા. અને હવે લોકોને જરાપણ રસ નથી. હવે ક્રિકેટ પણ રેસલે (W.W.F) નું સ્વરૂપ ધારણ કરી રહ્યું છે. જેમાં પહેલેથી રમતનકકી (મેચ ફિક્સિંગ) થઈ ગયેલી હોય છે. ‘મુવર્સ એન્ડ શેપર્સ’ નામની સીરીયલોમાં તેમની કેવી મજાક ઉડાડે છે. છતાં પણ તેઓને જરાય શરમ નથી. તેમા કેવા હાસ્યરૂપ બનાવી આડકતરી રીતે તેમની ઠેકડી ઉડાડે છે.

આવી રીતે જીતીને તેઓને તો ઘણું બધું મળે છે. પણ આપણો તો કિંમતી સમય વેડકાવ છે. અત્યારે ઘણા લોકો પોતાના છોકરાને કહે છે. “બેટા ભણી લેને મોટા થઈને ‘સચીન તેંડુલકર’ થવું છેને !” ત્યારે તે છોકરો દડાથી કાચ ફોડીને આવે છે ત્યારે તેઓ ભોંઠા પડી જાય છે પણ જ્યારે પ્રોત્સાહન આપતા હતા ત્યારે યાદ ન આવ્યું. અત્યારનું જનરેશન ક્રિકેટ પાછળ ઘેલું બની ગયું છે. કોઈને બીજી કોઈ રમત જ નથી દેખાતી ‘ભારત’ અત્યારે ઓલિમ્પિકમાં રમાવાની ૨૬ રમતમાં ક્રિકેટનું નામ નિશાન નથી. અત્યારે આપણે ખૂણા ના ખૂણાવાળા મકાનમાં જઈએ તો લોકો ગમે તેવી જગ્યાએ પણ પીય બનાવી ક્રિકેટ રમેજ છે. અત્યારે હવે બોલમાં પણ લોકોલૂંટવા લાગ્યા છે. માત્ર ૨ થી ૩ રૂપિયામાં બનતો બોલ ૧૦ રૂપિયામાં લઈ રમીએ છીએ ક્યારેક હોલસેલર પાસે જઈને ડઝન બોલના ભાવ પૂછવા જાય તો ખબર પડે ને દુનિયામાં કેટલીય રમતો છે, તેમજ બીજી કેટલીય પ્રવૃત્તિઓ (Actirity) છે.

પહેલા મને પણ ક્રિકેટ બહુ જ ગમતી હતી હું તો તેનો રસિયો હતો પણ જ્યારથી તેમનું આ મહાન કારનામું (કૌભાંડ) બહાર આવ્યું છે. ત્યારે એટલે અત્યારે ક્રિકેટની રમતને ભૂતકાળ બનાવી વર્તમાનકાળમાં ધ્યાન આપ્યું છે. ત્યારથી મારી જીંદગી સુધરી ગઈ છે. મને દરેક વિષયમાં ૧૫ માર્ક્સ વધારે મળ્યા છે. મને ૫૦ ની જગ્યા પર ૬૫ ગુણ મળ્યા આ મારી સાચી ઉપલબ્ધિ છે. એટલા માટે તો કોઈએ કહ્યું છે કે Money made man mad’ રૂપિયાની પાછળ ભાગતા હે માણસ તું તારા વિનય નમ્રતા સદ્ભાવ જેવા કામો ભૂલી ગયો છે. ક્રિકેટરોએ ખોટી રીતે કમાયેલા નાણા પાપ છે. સાડ છે. કે તેમનું આ કાવતરું પકડાઈ ગયું અત્યારે ઘણાય તરૂણો પોતાની જીંદગી ક્રિકેટ પાછળ વેચી રહ્યા છે. દુનિયાની બાકી બીજી રમતો પણ આપણી જેઈએને ? પણ બાકીની રમતમા ભારત શૂન્ય છે. ચાલો આપણે માનીએ કે ભારતના લોકોને ક્રિકેટનીરમતમાં વધુ રસ પડે છે. તો પણ તેઓ તેમા પણ તગડે ત્રણ સુધી પહોચ્યા છે. બસ ખાલી નબળી ટીમ સામે જીતી શકે છે. પણ જ્યારે પોતાથી ઉચ્ચ દરજ્જાની ટીમ સામે રમવાજાય તો ભારતને પોતાનું સાચું ‘લેવલ’ ક્યાં છે. તે ખબર પડે.

પહેલાના ખેલાડીઓ જેમ કે એલે બોર્ડર, સર રોલ બ્રૅડમન, લીલી શું કલાસ ખેલાડી હતા તેમની પાસે પોતાની એક જબરજસ્ત નામના (Goodwill) હતી આજના ક્રિકેટરોમાં આવા ગુણના જરા અંશ પણ નથી અને તેથી જ તેઓનાં હીરો બનવાના કોઈ જ લક્ષણો દેખાતા નથી.

આજના ક્રિકેટરો બનવાના કોઈપણ લક્ષણો નથી. પ્રભાકર જેવા દેશ પ્રેમીને રૂપિયા ખાવા. માટે ઓફર આવી હતી. પણ તેણે રૂપિયા ન ખાધા એટલે તેને ટીમમાંથી બાકાદ કરવામાં આવ્યો આ ઉદાહરણ પરથી આપણે સહેલાઈથી સમજી શકીએ છીએ કે આપણા ક્રિકેટટીમના કોચ અને સિલેક્ટરોજ ચોર રુશ્વતખાનારા છે.

આટલું બધું કહેવા પાછળનો મારો ઉદ્દેશ ઉપદેશ આપવાનો ન હતો મારો ઉદ્દેશ હતો કે

“એ ક્રિકેટ પાછળ ગાંડાઘેલા બનેલા રરિયાઓ, હવે ક્રિકેટને દોડો અને બીજા મહત્વપૂર્ણ કામ ઉપર મગજ કેન્દ્રિત કરો”

- નિશિત એન. શાહ, F.Y.J.C.

શું માનવીએ માત્ર કરોડપતિ બનવાના જ સ્વપનાં જોવા યોગ્ય છે ?

‘સ્વપ્ન’ એ કુદરતે માનવીને આપેલી અનમોલ દેન છે. જ્યાં સગાસંબંધી કે મિત્રોસુધાં દગો દઈ જાય ત્યાં આ સાનો આપણી સાથે જન્મથી લઈને મરાણ સુધી સાથ નિભાવે છે પણ આની સાથે દિવાસ્વપ્નો જોનારાં પણ આ દુનિયામાં ઓછા નથી દરેક માતાપિતા પોતાના બાળકો માટે વર્ષોથી એવા સ્વપ્નો જોતા આવ્યા છે કે ‘મોટાં થઈને તેઓ ડૉક્ટર એન્જિનિયર કે વકીલ બનશે’ ભલે પછી તેની પાછળ તેમનો આશય પોતાનું બાળક ખૂબ સુખ સમૃદ્ધિમાં આળોટે એજ હોય પણ આજે જમાનો ઘણો બદલાઈ ગયો છે.

આજે તો બાળકોનાં માતાપિતા પોતે જ વગર મહેનતે વગર પુરુષાર્થે કરોડપતિ બનવાનાં દિવાસ્વપ્નો જોવામાં રચતાં હોય છે. તો આપણી આવનારી પેઢી માટે આપણે શો આદર્શ રાખી શકશું ? આજે તો દસ વર્ષના ટાબરિયાંથી લઈને એસી વર્ષના દાદાજી સુધીનાં બધા જ લોકો વગર પુરુષાર્થે સફળતાની ટોચે બેસી જવા માંગે છે. આપણી આ આકાંક્ષાનો લાભ લેનારા પણ આ દુનિયામાં ઓછા નથી ? હમાણાં જ ‘સ્ટાર પ્લસ’ નામની ખાનગી ચેનલે ‘કોન બનેગા કરોડપતિ નામનો ‘કવીઝ કોન્ટેસ્ટ’ કાર્યક્રમ તૈયાર કર્યો અને તેના પરિણામે દર અઠવાડિયે રાતના નવ થી દસ રસ્તાઓ સૂમસામ જોવા મળે છે. એક જમાનામાં રામાયણ જેવી ધાર્મિક સિરિયલો રવિવારે દેખાડવામાં આવતી અને આજે આ કાર્યક્રમ બંને વખતે રસ્તા ભલે સૂમસામ થઈ ગયા હોય પણ તેને કારણે માનવીની બદલાયેલી ભાવના સ્પષ્ટ નજરે ચઢી જાય છે. બધાં લોકો જાગે છે. કે આ કાર્યક્રમ થી ફક્ત અમિતાભ બચ્ચ જેવા સફળ કલાકાર અને કાર્યક્રમનો નિર્માતા બેજ જાણ કરોડપતિ તો નહીં પણ અબજોપતિ જરૂર બની જવાનાં તો પણ લોકો તેમને જુએ છે માણે છે. અને તેનો લાભ કે ગેરલાભ ઉઠાવવા બીજી અનેક ખાનગી ચેનલો મેદાને પડી છે.

આવા સંજોગોમાંયે ક્યારેક મનમાં વિચાર ઝબકી જાય છે કે જ્યારે આખી દુનિયા જ કરોડપતિ બની જશે તોક્યો. ખેડૂત પોતાના હળ લઈને ધરતીમાતાના હૃદયને

વીંધવા નીકળશે ને ધાન્ય જ નહીં મળે તો શું આ કાગળનાં ટુકડાં આપણા પેટની ભૂખને સંતોષી શકશે ? ક્યાં ગઈ આપણી એ હજારો વર્ષ જૂની સંસ્કૃતિ ? આપણા વિશ્વના શ્રેષ્ઠ એવા આદર્શ નીતિ મૂલ્યો ? પોતે ભૂખ્યા રહીને બીજા ને રોટલો આવનારાં દરિયાવદિલ માણસો ક્યાં ગયા ?

પણ જેરીતે ભારતની જ સંસ્કૃતિનાં અંશો પશ્ચિમનાં દેશોમાં જઈને ફરી પાછાં ફેશનનાં નવા નામે, રૂપે ભારતનાં પાછાં ફરે છે. ત્યારે હૃદયમાં આશાનું એક કિરાણ જાગે છે કે આજનાં આ દિવાસ્વપ્નો કરોડપતિઓ ભવિષ્યમાં ફેશનમાં નામે પણ ભલે પણ ફરી એકવાર સાચા અર્થમાં માણસ બની શકશે. બનશે ને ?

અમારી ગલીની છોકરી,
સુંદર અને ફરેબી.

ગલીના યુવાનોને મન,
ગરમા ગરમ જલેબી.

એક પછી એક,

જુએ મુરતિયા,

પણ પસંદ ન આવે મુરતિયા.

જેને મંગળ નડે ના શનિ,

જેના બાપાની પાસે હોય મની જ મની.

મેં કીધું શી વાત છે ?

આવવાની ક્યારે બારાત છે ?

અંકલ, આવો અવાજ આવી જાય ગેબી,

યહી હે ‘રાઈટ યોઈસ બેબી ! આહા !’
