Career Guidance Cell

All students of Third year & SYJC are hereby informed that the **Career Guidance Cell** in association with **University of Petroleum and Energy Studies** is organizing “**Insight**”, a Career Assessment Test which is designed and created by industry experts for UPES on 15th October 2023. This test will help students excel in their career as career assessments are critical for one’s career identification and career development.

Test will help each student be assessed in Five Dimensions on the basis of-

- Orientation
- Interest
- Personality Traits
- Emotional Intelligence
- Aptitude

This assessment will be provided **ABSOLUTELY FREE OF COST ONLY** for the students of **Third year & SYJC**.

Test Link will be emailed only to the registered students. Please follow the following link for registration.
