ABOUT US

Vision

To groom the students as icons of tomorrow, potentially contributing to commerce, trade and industry; progress and development of the society, keeping in mind, at the same time, the ethical values of humanity.

'Providing quality commerce education, using innovative teaching methods and seeking all-round development of students, who will serve society through value based business practices.'

Mission

ABOUT THE COLLEGE

The Lions Club of Malad-Borivali, an international social organisation realized the necessity of establishing a Commerce College in the western suburb of Mumbai-Malad in 1972 to cater to the needs of the society. The vision envisaged by the stalwarts of the Club was finally converted into reality and the foundation stone of the college was laid in April, 1972, with a handsome donation from the Dalmia family of Prahladrai Dalmia Charity Trust. Within a record period of 100 days the college building was completed. The college was inaugurated by Mr. T. K. Tope, the then Vice Chancellor of Bombay University.

The Institution that started with 450 students has today become one of the premier institutes in the western suburbs. The College endeavours for academic excellence and promotion of co-curricular and extra-curricular activities that promote resilience, creativity and leadership qualities among the students. The College lays great emphasis on inculcating in its students the importance of ethics, hard work and commitment to excellence.

The College endeavours to groom its students as icons of tomorrow, potentially contributing to Commerce trade, industry and management. The College inculcates character building qualities like discipline and punctuality in the students. It provides a platform for students to organize various sports and cultural events to participate in various intercollegiate events and to achieve excellence in extra-curricular activities.

The College has an exceedingly committed staff. The Principal Prof. (Dr.) D. N. Ganjewar acts as a source of inspiration for the staff to maintain high morale while performing their duties based on the parameters of excellence.

We are proud to announce that the College is progressing and we have a wide array of courses such as BCOM, BMS(AICTE), BBI, BAF, BFM, BAMMC, BIM, BSc. (IT), BSc.(CS) and M. Com (Accountancy & Management) & PhD (Accountancy, Commerce & Business Economics).

"The only person who is educated is the one who has learned how to learn and change."

— Carl Rogers

A Message from our Chairman

Prahladrai Dalmia Lions College of Commerce & Economics has successfully lived the legacy for one more trailblazing year. As the Chairman of Governing Council of the College, it gives me great honor and joy to share a piece of my mind while reflecting on the glorious path of over 53 years. Our college was the result of strenuous efforts of visionary leaders such as Lion Shyamsunder G. Ruia, Lion Ratanlal Saraf, Lion Dhirubhai Khakhar, Lion Sitaram Singhanian of Lions Club of Malad-Borivli and the benevolence of Prahladrai Dalmia Charity Trust. Then, a commerce college, that could cater to the aspirations of the young citizens, which stood on high standards and yet approachable for people from the locality, was need of the hour. While laying the foundation stone way back in April 1972, we envisioned that the students of this noble institution would be groomed in this campus, and would be able to develop as icons of future, contributors to the society, torchbearers of progress, and ethics. After these long years of academic and social delivery, I see that we have over achieved our vision, and ambition.

Now with the overall education undergoing a fast paradigm change, the role of a campus has been redefined. The advancement of technology and digital infrastructure has enabled any person around the world to access information at their fingertips, which has in a way offered alternative methods of learning and information gathering. This marks an important shift in the role of academic institutions of not only imparting knowledge and syllabus to the students, but also infusing values, and strengthening their decision making, as well as overall personality development. Our college has been on the pioneering path, the benefits of which are now available for the students.

The aided-degree college division offers courses in the faculty of commerce from University of Mumbai. The contemporary professional programs like management, IT, mass media, banking-insurance, accounting-finance, financial markets, investment management, Masters Degrees in Commerce are supervised under the Self-Financed Courses division.

This year too we have had a list of high energy activities, which in effect gave wings to the students beyond curricular pursuit. The popular inter-collegiate cultural festival - Dalmia Lions Utsav (fondly called as DLU and has been rated among the top 3 college level programs in Mumbai Suburbs) and Dalmia Lions Khel Mahotsav - a mega sports arena for college level competitions stands out from regular events, and marks the management and event stewardship of our college. Dozens of other programs aimed at social service, entrepreneurial development, debates, seminars, workshops, quizzes etc. complete the co-curricular panorama of the college.

The institution boasts of a diverse, dedicated and highly competent contingent of faculties facilitating the growth and development of our dear students of Prahladrai Dalmia Lions College of Commerce & Economics. The current academic team headed by Principal, and flanked by Vice Principals and the entire galaxy of educational experts have helped the organization achieve an enviable position in Mumbai. Academic brilliance was illustrated many times including when our students topped various subjects in the university. I whole heartedly congratulate all the Dalmiates.

Ultimately, everything boils down to a few important aspects, of delivering high quality education, bettering infrastructure, encouraging talents and facilitating overall development of students who enter the campus with an ambition of re-building the future of our society. We are ever ready to meet the new generation with innovative and engaging models of curricular and co-curricular development.

I am sure, for any student entering this college, you would find a mentor, a friend and guide for progress. I welcome all those who aspire to be a part of the great Dalmia legacy.

Let me also thank the editorial team of Spectrum, our college magazine, for consolidating the reports and bringing out a colorful illustration of Dalmia activities. Like I started, all these add to the honor and glory of the Governing Council of which I am a part of. Thanks again. Best Wishes for the following year.

"A well-educated mind will always have more questions than answers."
— Helen Keller

As a Trustee & Hon. Secretary of Governing Council of Prahladrai Dalmia Lions College of Commerce & Economics, I would like to convey my deep sense of gratitude for the faith reposed and cooperation extended to me by all of you. In all humility, I would like to point that, what we have achieved is only because of dedicated faculty, sincere administrative staff, bright students and supportive parents.

At PDLC, We Nurture, We Transform, We Create Global Business Leaders since last 53 years.

Kudos to the Principal and entire Prahladrai Dalmia Lions College Team for getting our esteemed institute ISO 21001 : 2018 certified.

Also proud to announce that our college got permission to establish Research Centre in Accountancy, Commerce & Economics of the University of Mumbai.

Under able leadership of Principal Prof. (Dr.) D. N. Ganjewar, Vice Principal (Degree College) Dr. Madhavi Nighoskar, Vice Principal (SFC) Ms. Subhashini Naikar and Coordinators (Junior College) Ms. Kiran B. Mishra & Mr. Anil Bagade college is relentlessly striving to maintain excellence in the field of Academics, Sports and Extra Curricular Activities. Finally do remember-"It's your Attitude and not your Aptitude that determines your Altitude."

Seize every opportunity to learn. Today's learners are tomorrow's leaders.

Thank You, With Regards,

Lion Kanahaiyalal G. Saraf

“Education is the ability to listen to almost anything without losing your temper or your self-confidence.” — Robert Frost

“The more that you read, the more things you will know, the more that you learn, the more places you’ll go.” says Dr. Seuss. We at Prahladrai Dalmia Lions College of Commerce & Economics aim to nurture the curiosity of our youth and lead them on to a life of 'light', a light which will teach them to discern the right from the wrong; to choose the 'true' from the 'fake' and to understand the worth of 'kindness' and 'humanity' as they move ahead in their path of success.

Our institution since 1972 has endeavoured to give our students the best in all fields - be it curricular or extra-curricular. We have got 'A' grade by NAAC in III cycle. Our College has recently been applauded with ISO 21001: 2018 certification. We have successfully faced SQAAC. To build a holistic development of our youth into 'icons of tomorrow' is what we have always yearned for. "Nine tenths of education is encouragement" says Anatole France. Our teachers are constantly driven to mentor students and passionately empowering them to become better in their chosen fields. Today our students make us proud by bringing in laurels for their alma mater in diverse arenas - be it academic, sports or the cultural.

We provide our youth wider vistas of learning-the Dalmia Lions Utsav, our intercollegiate festival provides all youngsters of Mumbai a platform to the budding artists and talented youth, to fire their imagination and showcase their prolific virtuosity in dance, music and art. The Dalmia Lions Khel Mahotsav is a mega sports event that encourages teams of Mumbai Colleges to clash with the best in the field - football, volleyball, cricket and carrom - all offer moments 'where sheer human will and desire overcomes the odds'.

Not only teachers but also our students are encouraged to create new perspectives of knowledge and understanding through research. The student research conferences and seminars, encouraged the spirit of inquiry and research in our students.

We at Prahladrai Dalmia Lions College of Commerce & Economics try to understand the yearnings of our youth, try to tap their potential and help in realization of this potential by careful nurturing and encouragement. With an encouraging Management that helps to facilitate a powerful learning environment this is made possible.

My teaching and administrative staff together put in their best to imbue the teaching-learning process with ease and comfort. The nerve centre of all our endeavours is our student and to nurture and nourish this sapling into a youthful spirited 'icon of tomorrow' is what we all aspire to.

I assure all parents that your child is our responsibility and you can repose all your faith in us; for we are here to help your child navigate the world - academically with skills that will help in opening new doors of employability and with life skills that will turn him/her into a youth that loves and enjoys the beauty of life. I extend a warm welcome to you all!

EXTRA CURRICULAR ACTIVITIES

- It gives the students a platform to express themselves in a healthy manner since they are in adolescence stage. These activities help them to channelise their energies in the right direction like developing organizing skills, event management, exposure to different cultures, and application of knowledge. It also helps them to socialize and network at a young age. They learn to accept failures and embrace their achievements with the right team spirit.
- In today's competitive environment it is very important for a student to excel in studies as well as in co-curricular activities. The traditional method of learning doesn't meet the required expectation of the corporate world. Learning methods in modern era accepts the pattern of theoretical as well as practical knowledge.

All Language Literary Association

It organizes various competitions like Elocution competition, Essay Writing Competition, etc. These competitions are organized in all languages viz. Gujarati, Hindi, Marathi and English.

Cultural Association

This Association organises various days like Tie Day / Saree Day / Rose Day, Traditional Teacher's Day etc. and conducts various competitions on these days to provide a platform to the students to explore their in born talent.

Fine Arts Association

The fine arts association organizes various competitions like Mehendi, Flower Arrangement, Poster, Painting, Cartooning, Rangoli, Drawing and Sketching for art lovers.
