A surreal illustration of a library. Tall, dark wooden bookshelves filled with books line the sides of the frame. In the center, a bright, glowing sun with a circular face and rays shines down a beam of light. Below the sun, an open book floats in the air, also glowing. The book is resting on a small, ornate, dark-colored stand. From the bottom of the stand, a stream of light or energy flows down towards the bottom of the frame, where it appears to be interacting with a dark, rocky surface. The sky is filled with soft, white clouds, and the overall color palette is dominated by the warm tones of the light and the dark colors of the shelves and rocks.

A fantastical illustration featuring a large, ornate castle with multiple spires and towers, all glowing with a bright blue light. The castle is situated atop a thick layer of white, billowing clouds. Two large, winged angels with long, flowing robes are positioned on either side of the castle, each holding a small, dark object in their hands. A smaller, winged figure is also visible near the center of the castle. The sky is filled with soft, white clouds, and a bright, glowing light source is visible behind the central spire of the castle. At the base of the castle, a bright, glowing blue light beam emanates from a central archway, cascading down through the clouds and illuminating the surrounding landscape. The foreground shows dark, jagged mountain peaks and a winding path of light that leads towards the castle. The overall color palette is dominated by blues, whites, and golds, creating a magical and ethereal atmosphere.
