ABOUT INSTITUTE

Prahladrai Dalmia Lions College of Commerce and Economics, established in 1972 by the Lions Club of Malad-Borivali, is a premier. commerce institution located in Mumbai's western suburbs.

With a strong foundation in academic excellence, the college provides a holistic learning environment that encourages co-curricular participation, resilience, creativity, and leadership.

Our mission is to instill ethics, hard work, and a commitment to excellence in our students. Today, we proudly stand as a distinguished institution dedicated to shaping the minds and futures of tomorrow's leaders.

OUR EVENTS & PRIZES

Note: No Entry Fees For Any Event

1st PRIZE - ₹ 5K

2nd PRIZE - ₹ 3K

3rd PRIZE - ₹ 2K

Scan to Register

**The Rules & Regulations for all events are
given from next page.**

General Rules

- Entry will be accepted on a **first-come first-serve** basis.
- A maximum of **2 teams** per college is permitted.
- Each team must consist of **2 participants**.
- Instructions given by the coordinators and judges must be followed strictly.
- Participants must report at the venue on time.
- Certificates and prizes will be awarded to eligible participants.
- Participants are advised not to bring their own materials. If carried, it will be at their own risk.
- Any harmful or prohibited material will be confiscated by the security staff.
- Participants must carry: A valid physical college identity card.

BRAINBYTE

QUIZ

Description

A fast-paced quiz designed to test participant's technical knowledge, logical thinking, and speed.

Rules

- The round consists of **40 multiple-choice questions (MCQs)**.
- Total time allotted: **15 minutes**.
- All answers must be submitted within the given time limit.
- **No external resources** are allowed (internet, books, notes, calculators, or electronic devices).
- Scoring priority: Total number of correct answers.

Faster submission time (used as a tie-breaker).

ERROR-404

THE BUG

Description

A debugging round that tests the ability to identify and fix errors in faulty code under time pressure

Rules

- Each team is provided with **2 buggy code snippets**.
- Code 1 is of **moderate difficulty** ; Code 2 is **more complex**.
- Total time allotted: **30 minutes**.
- Allowed programming languages: **C++, Java, or Python**.
- Teams may use **only the provided development environment**.
- Code must **compile and run successfully** to be considered correct.

ERROR-404

THE BUG

- Partial fixes that do not produce the expected output will not receive full credit.
- Submissions are evaluated based on: 1. Correctness of output
2. Successful compilation and execution
- **Hard-coding outputs is strictly prohibited** and will result in zero marks for that problem.

LOGICLOOP

CODEMATICS

Description

A coding round focused on logical thinking, problem-solving ability, and correctness.

Rules

- The round consists of **3 problems** :
 1. Easy
 2. Medium
 3. Hard
- Total time allotted: **45 minutes**.
- Allowed programming languages: **C++, Java, or Python**.
- Solutions must handle **all test cases correctly**.
- Scoring is based on: **Correctness**
- **Plagiarism or copying code from external sources** will lead to immediate disqualification.
