NOTICE

Date: 1.06.2021

This is to bring to the notice of all students of the Academic year 2020-2021 that due to some technical glitch in the Eduqfix HDFC Bank software the Academic year was mentioned as June 2020 to December 2021 in some receipts issued by the College through the Eduqfix online bank software. All students issued such a receipt are required to note that the Academic year cannot consist of 19 months and that the receipts issued are for the Academic year ending April 2021.

Some students who have paid their pending dues of the last Academic year 2020-2021 have got receipts mentioning wrong academic year as 2021-2022. Such students are required to note that there has been a technical glitch in the system and hence this error and they cannot consider this payment as payment of the year 2021-2022 which please note.
