## ***Theme of the Year 2020-21: “Reaching out in Times of COVID 19***

The global crisis of the onslaught of the Covid 19 pandemic has devastated the lives of millions of people across the globe. In times where health and survival – physical, economic and psychological - is the most important issue the institution in its small way set out to do what it could do the best to reach out to people around. The theme of the year therefore was “Reaching out in times of Covid 19” – an attempt to allay the fears and mental trauma that the pandemic has been causing around us.

With the education and communication systems shifting online; the teaching and administrative staff geared itself to getting armed with all the know-how of handling the online methodology of communication for the teaching-learning process. Honing their internet skills and getting hands-on experience with various online methodologies through workshops and webinars, our staff got ready to counter the challenges posed by the present pandemic and went online.

## ***Welcoming Dr. Kiran Mane , Principal In Charge***

**Online Orientation Programme:** All First Year students were welcomed and oriented to the culture of the Institution. The various rules and regulations, activities and programmes that the college provides them with were explained online through a powerpoint presentation. Dr. Kiran Mane I/C Principal addressed the students and teachers present and urged them all to brace themselves for the online system of education that was to be followed because of the Covid 19 crisis.

# An Initiative to Reach the Unreached

## Initiative of DMC:

The Disaster Management Cell of our college took the initiative to reach the unreached. With the intention of sharing their burden in whatever little way we could, we decided to distribute at least important part of monthly groceries which a family requires to survive. Accordingly, we took help of an NGO named Parivartan Sheel Sanstha, who have been working amongst the workers from unorganised sectors from Kandivali (East) and Malad (East) for the last one decade.
