Collaboration with
Industry

“Quality is not an act. It is a habit” - Aristotle.

“Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.” - William A. Foster

Aims of the Internal Quality Assurance Cell (IQAC):

- Setting quality benchmarks/parameters for academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment
- Arrangement for feedback response from all stakeholders, organization of intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes /activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional database through MIS
- Development of Quality Culture in the institution.
- Preparation of the Annual Quality Assurance Report (AQR)

Quality Enhancement Measures

Orientation sessions for students of FYBCom, FY-BMS, BBI, BAF, BMM, BIM, BSc IT and MCom

Initiated QEM - Quality Enhancement Process:
ISO 9001: 2015.

Supported Research
Activities

The Internal Quality Assurance Cell (IQAC):

- Ensures heightened level of clarity and focus in institutional functioning towards quality enhancement
- Ensures internalization of the quality culture.
- Ensures enhancement and coordination among various activities of the institution and institutionalize all good practices.
- Provides a sound basis for decision-making to improve institutional functioning.
- Acts as a dynamic system for quality changes in the Institute.
- Builds an organized methodology of documentation and internal communication.
