We extended our support to Voice Vision who along with the Lifesupporters Institute of health sciences, organized “The First-Aiders Training for Disabled” a one of its kind workshop on first-aid and self safety specially designed for the people across disabilities on Sunday, June 10, 2018 at Prahladrai Dalmia Lions College, Malad (W). This kind of a workshop has been conducted for the first time in India for the benefit of those persons with disabilities.

The aim of this training was to eradicate the common perception of “People with Disabilities cannot be of help to the society by large, as they themselves require assistance on different fronts especially self-safety.” This “First-Aiders Training for Disabled” was a great success.
