NOTICE

All the students of B.A. in Arts (Multimedia and Mass Communication) of Prahladrai Dalmia Lions College of Commerce and Economics are hereby invited to join in the **“A WEBINAR ON RESEARCH DESIGN AND DATA ANALYSIS TECHNIQUES”** organised by the program of BAMMC in Association **The Media Lounge**.

The aim of the workshop is to make students understand the nuances of research designs and data analysis. The workshop would be conducted by Mr. Galadagekar's expertise in research is exceptionally strong and focused on current financial security issues, as demonstrated by his pursuit of a Ph.D. centered on 'Online Financial Frauds in the Banking Sector,' requiring a high level of meticulous research design and robust data analysis. His foundational knowledge is certified by his success in the NET and SET (Commerce) examinations, and his dedication to mastering methodology is evidenced by specialized training, including a two-week course on 'Research Writing & Data Analysis' and focused faculty development programs on exhaustive research practices. Furthermore, he is an active scholar with a proven track record, regularly presenting and publishing papers on his research interests, such as online financial fraud awareness and the impact of banking charges.
