Activity Report

BSc.(I.T.) / Dlita : Dlita

Name of the Activity: E-waste Drive 2020-2021

Date: From 5th March 2021 to 20th March 2021

Time: Between 1:00pm to 2:30pm

Venue: College Foyer Area(Near College Gate)

Important People involved: MOU with E-waste Stree Mukti foundation

No. of Participation:

Note: Included photographs in this report (Yes/No): No

Description:

The event began on 5th March 2021 at 1:00 PM in college foyer area. Days before the event our D'LITA In-charge Prof. Rupali Mishra, Prof. Sanjana Khemka and our HOD's Mr. Bhowmick Joshi, Mr. Mukul Vishwakarma, Mr. Abhinav Upadhyay of T.Y.B.Sc.I.T. gave us an idea as in how to act as a team and help us visualize to make this event a success. A team of speakers was elected by the heads to propagate a powerful message about E-waste collection drive .They spoke on E-waste collection and methods or ways to dispose E-waste. They spoke about the Certificate that a student would get after participating in the college event. On the respective day of event volunteers of the team helped us install posters with E-Waste

bins received from the college to collect E-Waste in the foyer area as this event is carried out every year to show respect toward green environment. Then a time specific schedule was created for the members of the team to conduct the event. The members of the team were assigned with task by the HOD's to maintain a record of every electronic waste donated by students.

The electronic waste components were collected daily by the D'LITA members in the college foyer area and posters were put up all across the college to spread awareness among the students. Ewaste was collected from the entire Self-Financing and Degree Courses. The teaching and non-teaching staff members of the college also donated in this drive. We received an excellent response from the college students and faculty members throughout the event. The deliberate and lucrative efforts taken by ours HOD's, Teachers and all the D'LITA members truly helped us make this event a success.
