"Unlock Your Innovative Potential: Navigating Challenges with Creativity and Insight"

BMS Program & Career Guidance Cell are delighted to announce a highly beneficial Career Guidance Seminar on the topic: "How to come up with better ideas and solutions faster: Developing your innovative problem-solving capabilities."

We are honored to host Dr. Gaia Grant, an accomplished expert, and Lecturer in the Work-Integrated Learning Hub at the University of Sydney Business School, as our esteemed speaker for this event.

This seminar offers a unique opportunity for students to acquire insights into innovative problem-solving and learn strategies to tackle challenges creatively.

We cordially invite all interested students to participate in this enlightening seminar.

Kindly come in Formal Attire.

Details of the seminar are as follows: -

Date: 1st September, 2023.

Time: 10:00am

Venue: College Auditorium
