To groom the students as icons of tomorrow, potentially contributing to commerce, trade and industry; progress and development of the society, keeping in mind, at the same time, the ethical values of humanity.

Vision

Mission

'Providing quality commerce education, using innovative teaching methods and seeking all-round development of students, who will serve society through value-based business practices.'

- To impart quality education in the faculty of Commerce to students.
- To achieve high standards in the quality of education as well as to inculcate social awareness and to serve the society.
- To inculcate qualities of discipline and build the character of students.
- To provide a platform to organize various sports and cultural events, to participate in inter-collegiate events and to achieve excellence in co-curricular activities.

Objectives

ABOUT THE COLLEGE

The Lions Club of Malad-Borivali, an international social organisation realized the necessity of establishing a Commerce College in the western suburb of Mumbai-Malad in 1972 to cater to the needs of the society. The vision envisaged by the stalwarts of the Club was finally converted into reality and the foundation stone of the college was laid in April, 1972, with a handsome donation from the Dalmia family of Prahladrai Dalmia Charity Trust. Within a record period of 100 days the college building was completed. The college was inaugurated by Mr. T. K. Tope, the then Vice Chancellor of Bombay University.

The Institution that started 50 years ago with 450 students, has today become one of the premium institutes with 6500+ students in the western suburbs. The College endeavors for academic excellence and promotion of co-curricular and extracurricular activities that promote resilience, creativity and leadership qualities among the students. The College lays great emphasis on inculcating in its students the importance of ethics, hard work and commitment to excellence.

The College envisions grooming its students as icons of tomorrow, potentially contributing to Commerce trade, industry and management. The College inculcates character building qualities like discipline and punctuality in the students. It provides a platform for students to organize various sports and cultural events to participate in various intercollegiate events and to achieve excellence in extra-curricular activities.

The College has an exceedingly committed staff. The In charge Principal Dr. Kiran Mane acts as a source of inspiration for the staff to maintain high morale while performing their duties based on the parameters of excellence.

We are proud to announce that the College is progressing and we have a wide array of programs such as B.Com., B.M.S., B.B.I., B.A.F., B.F.M., B.A.M.M.C., B.I.M., B.Sc.(I.T.), M. Com. (Accountancy & Management) and Ph.D.

U.G. & P.G. - 2023-24 PROSPECTUS

A message from our Chairman

*...we behold what we are, and we are what we behold...
- Essence of Chapter 11, Sri'md Bhagavat Gi'ta*

2022 holds very dear to us as Prahladrai Dalmia Lions College is celebrating the Golden Anniversary. We have almost come out of Covid19 pandemic impact-1 covering about 3 waves of various levels of disruption in our life. What better an opportunity would there be, to enumerate our 50 years of long and glorious legacy, and also to pave way to a brighter future?

The entire education sector has seen an array of massive challenges while we were facing the peak of the pandemic. It also provided us with a retrospection as to how much and how fast can we respond to such global and national threats. Whether it was the technology access or up gradation of the classroom or strategic and timely inputs from the universities, we have seen that the sector requires fundamental improvements, especially in our approach to education.

As if the pandemic disruption was not enough we are soon going to face another major sector disruptor, this time, a positive one. With whatever little I could gather speaking to subject experts, the National Education Policy (NEP) is being implemented aggressively with tight deadlines. Though the direction is welcome, it occurs to me as pre-mature, as the systemic weaknesses have not been addressed adequately. To call the shot for 'Perform or Perish' like that in the industrial sectors through an urgent decentralization could lead to unpalatable setbacks.

However PDLC like before have tried to be a notch ahead as we realised that the way forward is skill based competency development. In this backdrop we re-commit ourselves to improvising the subject delivery, student service and choice of trades. We have in concept agreed to dedicate more resources in this prospect of being future ready.

A capability to achieve holistic Students' Development is what we at PDLC aspire to. This would mean the curricular, co-curricular and industrial development providing a 360 degree competitive environment for the budding talent. Numerous initiatives are enlisted to this effect, and additions and suggestions are always welcome. I recognise that the college has a stellar battery of alumni and alumnae. Their representation as well as contribution to the institution would be vital to its development.

Our staff team, teaching and non-teaching, have stood fast in the bumpy ride during the disruptions, which deserves a roaring round of applause. The institution leadership under Dr. Lt. Kiran Mane and his immediate team of functional heads Mr. J. Gomes, Dr. Madhavi Nighoskar, Ms. Subhashini Naikar, Ms. Kiran Mishra and Mr. Anil Bagade have ensured that the college operations proceed seamless, and the students are affected the least. There are yet rooms for improvements that we are looking forward to.

My own team-mates in the Governing Council and our Patron-Trustees of Lions Club of Malad-Borivli College Charity Trust have been my source of inspiration and energy. This 50 long year partnership speaks volumes about the steadfast will, and commitment to the cause of education. I offer respects and appreciation for the honour of serving with these supportive custodians. A respectful mention for the departed souls, our Founding Fathers and Elder members is due in the grand Golden Anniversary. I thank you all, and may God bless. Jai Hind.

LION Dr. SHARAD S. RUIA

Chairman, Governing Council,

Prahladrai Dalmia Lions College of Commerce & Economics

Secretary's Message

In this Golden Jubilee Year of Prahladrai Dalmia Lions College of Commerce and Economics, I convey my greetings and best wishes to all the readers of 'SPECTRUM' Magazine.

I thank one and all for their relentless efforts and selfless services towards the noble cause of facilitating quality education to the thousands and thousands of students.

With whole hearted support given by everyone, we have sailed through smoothly in this difficult time of lockdown.

We have traveled five decades together and seek to continue our journey with optimism and enthusiasm, for better future.

Today the future of the world belongs to commerce education. Prahladrai Dalmia Lions College of Commerce and Economics has now opened its doors to yet another venture of Research. Students can now pursue their PhD in Accountancy, Economics and Commerce under able and recognized guides of Mumbai University.

The College's academic success comes from well-trained teachers and able administrative staff. For parents, my humble advice is don't pressure your child to chase marks. Ultimately it is learning which is more important, not marks.

PDLC is one of the leaders in Commerce College that encourages Scholarships, independent thoughts and effective learning habits through coherent and balanced teaching programs.

I take this opportunity to thank one and all who stood by me and extended whole hearted support in discharging my responsibilities.

Together each one achieves More (TEAM).

In our college we have an International Social Club - Leo Club of Malad Borivli Dalmia College, which gives our students - Leadership opportunities and means to serve the community.

LION KANAHAIYALAL G. SARAF

Trustee & Hon. Secretary, Governing Council,

Prahladrai Dalmia Lions College of Commerce & Economics

From the Principal's Desk

I am indeed proud to be given the charge of this esteemed institution that has won laurels in varied fields for the past decades and made a mark for itself in the western suburbs as a premier educational institution. Given the troubled times of Covid 19 all my teaching and non-teaching staff took upon themselves the challenges that the pandemic brought with itself. Combating with getting updated with the online teaching learning methodology, switching from blackboards to Jamboards, from lecture method to interactive audio-visual presentations on online platforms, from classroom interactions to Google classrooms – all was learnt within a record period.

With the closure of educational institutions during the lockdown, news reports indicate that approximately 1.72 billion learners have been affected worldwide, and around 32 crore in India alone, resulting in high socio-economic costs for education stakeholders. The challenges that the teachers have faced are tremendous, apart from just getting internet savvy and using the entire technical prowess to keep the online students interested and motivated mentoring them online was also an uphill task. Online counselling in these trying times has been tremendously stressful even for the teachers as navigating pandemic issues at home and reaching out to students in distress was equally challenging but our teachers' efforts have been commendable.

We have all tried our level best in trying to use the video conferencing facilities in maintaining proper communication and following the social distancing norms so as to keep the herald of this pandemic away.

The pandemic has resulted in the exodus of many parents for loss of livelihoods thereby resulting in problems for students. The digital divide which we used to talk about was faced as a reality in a span of just two months. Reports have been galore about how the paucity of adequate resources forced students to drop out. Facing all these challenges has been a mighty uphill task for most of all; but I am proud to say we have emerged strong.

Having used the online digital form of communication we are now surer that lack of human touch will not help furthering the cause of education. "If I've gotten better at teaching over the years, it's not because I've learned more about my subject; it's because I've learned more about kids." If this is what every teacher like Monte Syrie thinks, then online teaching makes it challenging to actually know our students. Thus it is time for all academicians to rethink the pedagogical challenges that the digital transformation has brought with itself. And all teachers together can achieve this as Ratan Tata says, "If you want to walk fast, walk alone. But if you want to walk far, walk together."

Dr. Kiran Mane

Principal In charge

PRAHLADRAI DALMIA LIONS COLLEGE OF COMMERCE & ECONOMICS

PROGRAMS OFFERED

OUR GROWTH SINCE 1972.....

Mentor-Mentee System

Prahladrai Dalmia Lions College always trusts in outcome-based learning processes. To achieve this the college conducts various programs to provide a hand-holding for the slow learners and offer opportunities to advance learners to excel and showcase their expertise.

Orientation Programs: The college conducts orientation programs for freshers which is an opportunity to introduce the new students to life at the Institute and facilitate a smooth transition to the new life. The objective is to help both undergraduate students and their parents adjust to the campus through a series of activities and sessions organized as part of the program.

Mentor-Mentee System: The students are identified as slow learners and advanced learners through class interaction, performance tests, and holding workshops on Career Development. The institution then focuses on improving the performance of slow learners by providing Remedial teaching which is conducted outside the regular classes specifically, for subjects like Mathematics and Statistics, Business Law, Economics, etc. Extra classes are engaged for students who need additional guidance. The faculty interacts with those students individually to understand their difficulties. The college has adopted a mentor-mentee system through which all kinds of support are provided to the slow learners. (See Mentor List: B.Com. / SFC).

A Google form is circulated by Mentors that help faculty to understand their interests, hobbies, activities they would like to participate in, challenges, guidance, etc. On that basis, continuous efforts are taken by the faculty that mentors the students in their chosen spheres; eventually resulting also in improved results and pass percentages. The mentor also analyses other skills and strengths and encourages them which helps in building self-confidence by making them an important part of various activities and competitions.

Mentoring by Associations, Extension Units, and Cells: Cultural activities are often considered a distraction for students; however, the opposite is true, for it has often helped our students to later take up careers related to event management, choreography, dance, and drama. The Cultural Association mentors the talent and flair of students in this arena.

The Sports Department nurtures the expertise of students in their chosen field of sports and athletics by providing them with coaches and proper mentoring. The Literary Advertising and Debating Society (LADS) and Fine Arts Association organize activities to showcase the creative side of students and help them in bettering their debating and creative skills. In these ways, the institute strives to encourage not just academic growth but self-growth. The college also organizes workshops on extracurricular activities to promote learning in their interest areas.

Students of NCC, NSS, Department of Lifelong learning, and other extension units are given special training and guidance in their select fields and also help them in their overall development. Our NCC Unit has played a major role in molding the student cadets in such a way that many of our cadets have been selected by the Indian Army. Various events have been organized that focus on imbibing the skill of managerial ability.

The Career Guidance and Placement Cell regularly focuses on professional and career counseling of the students through seminars and guidance lectures. Students are motivated to engage in research by organizing conferences through the Student Research Cell. One of the Best Practices of the institution is an annual conference organized 'by the students for the students' with an objective of inculcating research initiative by learners and giving them an opportunity to grow in the field of academics.

Buddy Learning: The teaching faculty continuously encourages peer learning among students. This practice not only helps the slow learners to gain knowledge and understanding but also gives them an opportunity to practice with their peer groups. This results in the students gaining confidence and bridges the gap between the slow and advanced learners.

Parent Teachers' meetings: The college conducts Parent Teachers' meetings at intervals which serves as an opportunity for parents and faculty to develop a healthy and strong relationship for the holistic development of a child. The attempt is to develop an integrated personality; it is only possible when students, parents, and teachers work hard to weave a web of togetherness for providing quality education.

Best Practices

Best Practice No.1: “ENTREPRENEURIAL PREMIER LEAGUE” by Department of B.M.S.

- ❖ **Title of the Practice:** Virtual Entrepreneur Premier League
- ❖ **Goal:** To provide the students a platform where it will help them to use their business skills and ideas to prepare a business model and accordingly plan for its implementation in the actual market. It focuses on learning by doing methods where the students can learn practically.
- ❖ **The Context:** The B.M.S. Program of Prahladrai Dalmia Lions College of Commerce & Economics has aimed to initiate EPL to develop practical skills about business models among its students and provide proper guidance about how they can start their own businesses.
- ❖ **The Practice:** This is a yearly practice that encourages and motivates students to come up with innovative ideas for having their various stalls in the college but on account of the pandemic situation this year it was conducted through the virtual platform for providing guidance and helping the students to prepare their own business model.
- ❖ **Evidence of Success:** The Virtual Entrepreneur Premier League has been successfully conducted and provided a concrete platform for many students to get guidance about the business model, analyze their own business ideas, and prepare a business model. The event was conducted in 3 different phases which were based on Developing Business Model and enhancing Entrepreneurial Skills. On 19th March 2021 was the First Phase – ‘Beginning is Winning’ - in which students were guided about Start-Up & Business models by Mr. Shashikant Chaudhary –Co-Founder at Baby Verse. On 4th April 2021 was the Second Phase- ‘Dare to Develop’ - in which students were to submit a Business Model. On 9th April 2021 was the Third Phase- Risk & Reward, in which Mr. Arun Rawat, a Digital Marketing Specialist judged the top 8 selected business Model presentations by students. It gave a nurturing platform to students to learn, work and then present their creative and innovative business ideas. Students have showcased their innovative and creative skills and have gained maximum knowledge, guidance, motivation, and practical exposure to their talents.
- ❖ **Problems Encountered and Resources Required:** The online method of discussion and planning though was used; it was initially a dampener as it is not easy to interact with students online especially when you want to motivate them to join a program online.

As the students presented their business model and start-up plan the only problem, they faced was the actual implementation of those plans into practice which was not done. If monetary aid is availed, then further guidance will be provided this problem can be solved.

Best Practice No.2: Road to Employability by the Placement Cell

- ❖ **Title of the Practice:** Road to Employability by the Placement Cell
 - ❖ **Goal:**
 - a. Development of Soft Skills among the students.
 - b. Overall Grooming of the learner and career development.
 - c. Enhance the learner's personality.
 - d. Exploring towards further better career opportunities.
 - ❖ **The Context:** "Road to Employability" is a Students Development Program that is conducted by the College Placement cell to enhance the personality of students and also to make students ready to crack the interview process. The various activities which are done by the cell cover areas like – How to Crack Competitive Exams, How to Build an Effective Resume and Techniques of Self Introduction, Grooming and Group Discussion Techniques, and How to Choose the Right Job.
 - ❖ **The Practice:** Placement cell organized various soft skill training programs which included communication abilities, language skills, personality development, cognitive or emotional empathy, time management, teamwork and leadership traits, guidance on business start-ups by experts from well-known industries, and other soft skill trainers. It helped students to plan their careers by providing information and guiding them about the companies which approach the College for recruitment.
- Four sessions were conducted namely- Session I- How to crack competitive Exams, Session II- How to build an effective resume & Techniques of Self Introduction. Session III- Grooming and Group discussion Techniques, Session IV- How to choose the right job
- ❖ **Evidence of Success:** These sessions have proved to be very beneficial for the youth of our esteemed institution wherein they are getting acquainted with the whole process of "How to crack the interviews and explore themselves towards the best of the opportunities". Also, the learners have experienced self-development due to the values of time management, effective presentation, communication, and many more aspects related to soft skills enhancement. It has always proved to be very helpful to students to plan their careers by providing information and guiding them about the companies which approach the College for recruitment.
 - ❖ **Problems Encountered and Resources Required:** Few of our learners who are introverts are not able to approach and take the benefit of the session due to a lack of confidence in them and also poor vocabulary. Due to Covid students had faced internet connectivity issues.

Institutional Distinctiveness

Our college adheres to the motto of “Vyaparey Seva” which also encapsulates the vision of “progress and development of the society, keeping in mind...the values of humanity and social responsibility.”

Our forte is social outreach and we abide by our core values which also include “Each one Reach one”. We aim to intensify our endeavor of – Each One Reach One – in order to infuse the value of “Vyaparey Seva” in our students and all those connected with our institution.

To fulfill the aims, our students have taken up several projects to meet the challenges of the Covid19 pandemic:

- ❖ Reaching out to students: We had the institution gearing up for reaching out to the maximum number of people we could in our own little but significant ways. The management of the college extended their generosity and reached out to students who were in need of help regarding their payment of fee, students were given installment facilities and fee payment was deferred until they were able to make the payments.
- ❖ Inspire to Serve project : The Lions Club of Malad-Borivali ,floated the Inspire to Serve project where in students under the mentorship of the teaching staff were encouraged to work on social service projects. The following projects were funded by the management:
 - Sanjay Gandhi National Park Adivasi Project
 - Kranti Nagar Women’s Empowerment Project
 - Education for Children
 - Healthy Habits Projects
 - Serving the Need
- ❖ The Disaster Management Cell: The Disaster Management Cell of our college took the initiative to reach the unreached. With the intention of sharing their burden in whatever little way we could, we decided to distribute at least an important part of the monthly groceries which a family requires to survive. Accordingly, we took the help of an NGO named Parivartan Sheel Sanstha, who has been working amongst the workers from unorganized sectors in Kandivali(East) and Malad(East) for the last decade. The teachers from senior college contributed. In the months of April and May 2020, a Dry Ration Kit containing Rice, Wheat, and Cooking Oil was distributed to 51 families of workers working in the unorganized sector, residing in the slums of Appa Padain Malad(East) as well as Kranti Nagar in Kandivali(East).

Quality Assurance System

The Teaching-Learning Process (TLP) is the crux upon which the quality of the institution rests, thus it is minutely planned and monitored. The Internal Quality Assurance Cell of the college has developed a systematic well-planned Teaching-Learning Process (TLP):

The following steps are followed in the planning of the TLP:

1. Study of External and Internal Issues, Analysis of the Needs and Expectations of Interested Parties & Risk Log.: A thorough study of Internal and External issue related to the Institution, an Analysis of the Needs and Expectations of Interested Parties and a Risk Log analysis is created and listed along with the level of probability – Low/ Medium/ Moderate, the level Impact of the Risk, the existing controls for the process and the additional actions to be taken in confronting the risks are then discussed, formulated and put in process.

2. On the same lines an Opportunity Log is also charted.

3. At the macro level Quality Objectives are set after analyzing areas that require quality enhancement.

4. Academic quality improvement, attendance, Students Satisfaction Score, and Faculty up-gradation are the focus of the Quality Management Program of the current year.

5. The Teaching-Learning Process is summed up in the Process Flow Chart given as follows:

5.1 Departmental Plan: The syllabus is received as per the guidelines of the University of Mumbai. The departments then plan out the departmental activities at the beginning of the academic session. A proper format (DI / P-Dp/TLP/00) is followed to plan out the departmental activities. The objectives of the department are mapped. The learning outcomes of the courses taught are analyzed. The SWOC analysis of the department is done in a collaborative manner. Steps to be taken to decrease the weaknesses and meet the challenges are discussed and articulated clearly. Steps to be taken to improve the quality of the teaching-learning process are enumerated. Activities – curricular and co-curricular are planned in advance. The ‘Best practices’ that the department is to undertake or continue and the teacher(s) that would undertake the responsibility is also enumerated in black and white.

5.2 The departmental workload is then distributed and recorded (DI/ R-WL-L/TLP/ 00).

5.3 Delivery Planning: On the basis of the syllabus and workload distribution every Individual teacher then drafts the Teaching Plan for the course to be taught in the ensuing semester which is reviewed by the Head of the department /Coordinator (DI / R-TLip/TLP/01).

6. Implementation:

6.1 Log Book/ Teacher Dairy: As the teacher implements the plan through the delivery of the topics, a record is maintained in the Log Book in the format (Teaching-Learning Plan Implementation Record DI / TLI-Lg/TLP/00) also known as DTR Log that specifies the day and date of the topics taught along with the Teaching Methodology & Teaching Learning Aids used Implementation Record. The References utilized by the teacher in the teaching-learning process are also enumerated. This logbook is regularly reviewed by the Head of the department /Coordinator.

6.2 Lecture Observation: At regular intervals (once a month) the Head of the Department /Coordinator monitors the actual delivery of the lecture through the Lecture Observation process and records the same in the Lecture Observation Report. Observations with regards to Content Delivery, Teaching Aids / Methodology, Class Control, Communication Skills, Overall Impact, and other observations and suggestions are recorded and shared by the Head of the Department/Coordinator with the teacher thereby giving ample scope for improvement.

7. Review: Through regular departmental meetings the teaching-learning process is reviewed at regular intervals so as to ensure the proper qualitative completion of the syllabus. The departmental plan charted at the beginning of the semester is also reviewed. The gaps in the implementation are constantly kept under check and control.

A Competency-Based Matrix charts the needed competencies in all faculty and the Individual Training Record is maintained in order to upgrade the competencies of the staff every year.

In addition to the above process, IQAC has been facilitating the teaching-learning process and has been successful in the following venture this year.

- The Daily Teaching Report is maintained in an Excel spreadsheet shared with all teachers.
- Teacher's Annual Academic Planner & Diary (Teacher Record Book) –in Excel is shared with every teacher.
- Tutorials are conducted wherein the class is divided into smaller batches so as to give individual attention to student's queries.
- Student volunteers are involved in all events, workshops, and seminars conducted in the college
- Value added Courses are in place for enhancing the employability skills of students.
- Increased use of ICT.
- Conducting online courses and Exams on Software Programs in association with IIT Bombay for all Degree and Self-Financed students of Our College along with M. Com. Students.
- Conducted remedial and intensive coaching.
- Organization of guest and expert lectures.
- Interactive teaching-learning through practical / tutorial/ presentation / viva voce on ON-LINE mode. etc.
- Live Projects, Live models of the project's ongoing eco-friendly initiatives were displayed by the students.
- Industrial visit for students is canceled this year due to the Pandemic.
- Case Studies Subjects like Economics, Business Communication, Advertising, and Commerce make use of Case Studies to enhance the teaching-learning process.
- D'LITA The Dalmia Lions I.T. Association (DLITA) was formed with the aim to nurture and promote the Information Technology skills of our student community.
- Fun-learning experiences: The department of B.M.S. conducted "Prashnotri" Quiz program, a fun way of learning the management concepts.
- Experiential learning – The Entrepreneurial Premier League: To explore & develop the Passion for business among students, especially the students of Bachelor in Management Studies with Business Model.
- Identification of slow learners and strategies to increase their learning index.
- Mentoring and counseling of students.

SCOOP BULLETIN

The Visionary
 Late Dr. Shantilal Bhat
 Chairman, Governing Council
 "We cannot always build the future for our youth, but we can build our youth for the future."

The Architect
 Late Kanubhaiji G. Siraf
 Hon. Secretary, Governing Council

The major challenge for today's educational institutions is to accommodate the ever varying aspirations of the younger generation because of increasingly changing demand and development in media industries. We constantly put efforts to accommodate these aspirations by fine tuning the academics of college with innovative and practical oriented teaching - learning practices along with other developmental activities.

Our goal is to change the world through education. It may sound idealistic, but this is precisely our long term goal. It is what motivates the work of everyone at Prahladrai Dalmia Lions College of Commerce and Economics - from faculty and staff, to students and alumni. It inspires our teaching and research. It is this goal which fuels the faculty towards the benefit of the students. Our College results and placement speaks about our excellence with many of our students bringing laurels to the college by getting highest ranking in university exams and huge number of students are placed in national & multinational companies. It is evident by this continuous success in various fields attempt is towards upholding academic integrity.

The Torchbearer

Prahladrai Dalmia Lions College of Commerce & Economics

ISO 9001:2015 CERTIFIED
 Self-Financed Courses

Prahladrai Dalmia Lions College of Commerce and Economics aims to transform students as icons of tomorrow. Our college has a wide range of courses pertaining to the fraternity of 'Science, Commerce & Science', to match up with our students' expectations. - The MCom-II (Accountancy) passing percentage is 90.53%.
- The MCom (Management) passing percentage is 99.00%.
- The HSC college result percent was 100%.

We soon would be commemorating 50 years of establishment of Pahladrai Dalmia Lions College of Commerce & Economics. The Lions Club of Malad-Borivali, an international social organisation, realized the necessity of establishing a Commerce College in the western suburb of Mumbai-Malad in 1972 to cater to the needs of the society. The vision envisaged by the stalwarts of the Club was finally converted into reality and the foundation stone of the college was laid in April, 1972, with a handsome donation from the Dalmia family of Pahladrai Dalmia Charity Trust. Within a record period of 100 days the college building was completed. The college was inaugurated by Mr. T. K. Tope, the then Vice Chancellor of Bombay University. The Institution that started with 450 students has today become one of the premier institutes in the western suburbs. The College endeavours for academic excellence and promotion of co-curricular and extra-curricular activities that promote resilience, creativity and leadership qualities among the students. The College lays great emphasis on inculcating in its students the importance of ethics, hard work and commitment to excellence.

This year being a very challenging one due to the ongoing pandemic, all activities were conducted online. All First Year students were welcomed at the online orientation programme and were oriented to the culture of the Institution. Students and parents were explained the various rules and regulations, activities and programmes that the college provided.

All lectures were conducted on the online platform – Google meet and teachers used a variety of online modes – Google classroom, Whatsapp, etc. to connect with students for the teaching –learning process. Our library also connected with students via Google classroom which was used extensively to provide information about new arrived periodicals in the Library.

Online bridge courses in Environmental studies, Business Communication, Mathematics and Statistics and Computer systems and Applications, Department of BScIT, Law for students of BMS and for students of TYB.A. (M.M.C.).

This year was a year of virtual conferences, webinars and online workshops.

Two conferences for the students by the students were organized:

- A national Virtual Conference for student researchers on “Changing Media Landscapes and their Impact on Culture, Society and its Economics’ was organised on 27 April 2022 by the Department of Business Communication and Student Research Cell of Prahladrao Dalmia Lions College of Commerce & Economics and D.T.S.S.  - iv. Co-operation.
- II. Those who have passed an examination of another University/Board or Body recognized as equivalent thereto.

ENROLLMENT

A student passing the H.S.C. examination of the Maharashtra State Board of Secondary and Higher Secondary Education and eligible for admission to the First Year B.Com. class shall apply to the Registrar of Mumbai University for a certificate of enrollment through the college.

Application forms for enrollment alongwith the statement of H.S.C. marks, copies thereof and necessary fees are to be submitted at the time of filling the admission form in the College.

PROCEDURE

- ❖ Students seeking admission to this College are required to apply in the original prescribed form only. The student must affix his/her recent photograph on the admission form.
- ❖ Application for admission and application form for enrollment, along with statement of H.S.C. marks and copies thereof and three copies of a recent passport size photograph are to be given for checking and verification to the office staff before payment of fees.
- ❖ Incomplete forms and/or forms without proper documents will not be accepted.

CONDITIONS

1. An admission granted to a student, in any class in this College, shall be for that particular term only.
2. A student admitted to one class shall not get automatic admission to the next higher class, term after term or year after year. Admission to the higher class in the subsequent year shall be at the total discretion of the Principal.
3. Every student is required to apply for fresh admission year after year and there is nothing like reservation of a seat for the existing student.
4. Students with poor lecture attendance and /or poor performance at the College Examination or caught for misconduct will not be admitted in the Second Term.
5. Admission to this College to any class is subject to the Rules and Regulations contained in this prospectus and that of the University of Mumbai, framed from time to time. The Rules and Regulations of the University take precedence over the Rules, Conditions and Regulations of the College in case of dispute.

U.G. & P.G. - 2023-24 PROSPECTUS

6. (a) Admission to the College is granted only for a term and the continuation of admission thereafter is subject to his/her good conduct, academic progress and observance of discipline. (b) Students once admitted are considered as duly enrolled for the whole year unless they inform the Principal in writing about their intention to leave the College. The College shall be entitled to recover the tuition fees for the whole year, if they fail to inform the Principal well in time.
7. When a student cancels his/her admission immediately after admission, the fees paid by him/her shall be refunded according to the rules prescribed by the University from time to time. Please refer to such Rules which are given below separately.

ADMISSION OF STUDENTS FROM OTHER UNIVERSITIES AND ALLIED BODIES

A student from another University or Board of Secondary or Intermediate Education or any other statutory examining body seeking admission to this University shall apply to the Registrar of University of Mumbai for a Certificate of Eligibility.

Such students will be admitted to the deemed class only if they have obtained the Provisional Certificate of Eligibility from the Registrar, University of Mumbai for that class. For final confirmation of Eligibility students should submit the following certificates in original, along with photocopies of:

1. Original Mark Sheet.
2. Original Passing Certificate.
3. Original Migration Certificate.

Students whose admission is provisional should note that if their admission is not finally confirmed by the Registrar, University of Mumbai, their terms kept for the academic year shall be treated as null and void and they will not be allowed to appear at the final examination.

TERMINATION OF REGISTRATION

Students who register in the College in the first term but do not intend to rejoin the College for the second term, must inform the office in writing to that effect, before the last day of the first term, failing which they will be liable to pay fees for the second term also.

TRANSFER CERTIFICATE

1. In a transfer case, no student shall at any time be admitted to this College unless he/she produces a Transference Certificate from the College he/she leaves.
2. As per University of Mumbai circular, CONGC/FESS/292 dated 7/7/2008, fees for issuing a transference certificate will be Rs. 100/-
3. As a result of a student leaving one College to join another, it will be necessary for him/her to submit proof of the attendance of the College to enable him/her to make up the necessary percentage of attendance. A Transference Certificate shall not be granted except for reasons, which appear to be sufficient and except with the written permission of the Principal of the College that the student wants to leave and the Principal of the College, which he/she intends to join.
4. Application for Transference Certificate shall be made by the students without unnecessary delay through the Principal of the College to which they wish to be transferred.

U.G. & P.G. - 2023-24 PROSPECTUS

- a) On Sundays and Public Holidays as declared by the Maharashtra Government and University of Mumbai.
- b) On Holidays prescribed by the University both for the long vacation, Diwali vacation and for the winter break.
- c) On such other days as the Principal may declare from time to time. (These will be announced on the College Notice Board)

TERMS

The Academic year consists of two semesters

Term-1: 13th June, 2022 to 22nd October, 2022

Term-2: 7th November, 2022 to 1st May, 2023

} Both days
inclusive

**Awaited to be
received from
University of
Mumbai**

Documents issued by the College

IDENTITY CARD

Students are required to show it on demand in the College, in the Library, at any college event. The loss of Identity Card should be immediately reported to the College Office in writing.

At the University Examination all candidates are required to produce their identity cards bearing their photographs attested by the Principal.

RAILWAY CONCESSION

All students are eligible for concession on railways for local journeys between the stations nearest to the place of their residence in Mumbai and the College; and also, for journeys between their place of permanent residence and Mumbai during vacation only. Students are requested to enter their local and permanent addresses correctly in the Admission Forms to facilitate issue of such Railway concession orders. The place of permanent residence, in the application for admission means the place where the student and/or his parents normally reside. This address will not be allowed to be changed during the academic year.

U.G. & P.G. - 2023-24 PROSPECTUS

DUPLICATE COPIES OF DOCUMENTS

Students who intend to apply for duplicate copies of their statements of marks, certificates of passing, degree certificates as well as special certificates, should produce an affidavit on a non-judicial stamp paper of Rs.50/- made in that behalf before the metropolitan magistrate or notary appointed by the government to that effect, the reason for the issue of duplicate copy of the aforesaid documents mentioning therein so also, the first information report FIR registered in the police station for the reasons whatsoever, i.e., loss, damage of the same, etc., to check the misuse of the aforesaid documents. On completion of these formalities and payment of necessary fees the required duplicate certificates will be issued to the concerned students accordingly.

ASSOCIATIONS

STUDENTS' COUNCIL

The college has a Students' Council which conducts the literary, cultural, recreational and other social activities of the college and helps in training students to participate. Every student is a member of this Council. The General Secretary represents the college Students' Council at the University.

STUDENTS' MUTUAL AID FUND

The college has established a Students' Mutual Aid Fund in order to render financial assistance to needy students to meet some of their expenses.

N.S.S.

The college enrolls students under the N.S.S. Scheme. We have two N.S.S. units. The N.S.S. Programme officers look after its activities. Students who have completed training as per the rules laid down by the University to the satisfaction of the Principal, are entitled to grace of 10 marks at their first appearance for every University examination, under the Ordinance No.229A.

N.C.C.

The College has been granted permission to start N.C.C battalion (Army) only for boys. The NCC officer looks after its activities. Students who join N.C.C. and complete the training as per the rules laid down by the University to the satisfaction of the Principal are entitled to grace of 10 marks-at their first appearance or every University examination, under Ordinance-No. 229A.

CAREER GUIDANCE CELL

The Career Guidance Cell conducts various seminars to guide the students with regard to the selection of their career. Various talks, guest lectures and seminars are conducted throughout the year so as to acquaint students with the various options available to them. Campus interviews are held by reputed companies like TCS, WIPRO, First Source to mention a few. To enable the students to succeed in the recruitment process, training is provided through workshops on interview skills and group discussions

U.G. & P.G. - 2023-24 PROSPECTUS

WOMEN DEVELOPMENT CELL

The Women Development Cell is established under section 14(8) of the Maharashtra Universities Act, 1994. Revised directives have come into force from 18th January, 2008. It is mandatory for every college to establish the said Cell. The object of this Cell is to prevent sexual harassment at the workplace of the lady staff and the girl students of the college. To achieve this objective the college conducts various programmes and conducts gender sensitization programmes.

LITERARY, ADVERTISING AND DEBATING

The Literary Advertising and Debating Society trains students in effective public speaking and ensures overall personality development. Elocution, debate, essay, poetry writing competitions and group discussions are conducted by this Society.

ALUMNI ASSOCIATION

The Alumni Association consisting of past students of the college is effectively involved in the cultural events organised during the year. The constructive suggestions and recommendations of Alumni help the college in overall development.

INDUSTRIAL VISITS

The college arranges industrial visits for students. Visits to industrial organisations and business houses facilitate successful completion of projects by the students.

DEPARTMENT OF LIFELONG LEARNING & EXTENTION (DLLE)

Department of Lifelong and Extention aims to promote a meaningful and sustained rapport between the University and the Community. The extension dimension of the department aims to facilitate sensitization of the students to the social and cultural realities. The department offers extention work projects encompassing social issues to the students. The student is awarded 10 additional marks at the final exam on completion of 120 hours of work and submission of a project report.

CULTURAL DEPARTMENT

The Cultural Department consists of a Professor In-charge and a Student Secretary. Its prime objective is to provide an opportunity to the students to participate in intercollegiate festivals organized by different colleges and universities. The performance of our college at inter-collegiate competitions has been outstanding.

DALMIA LIONS UTSAV

It is an intercollegiate cultural festival organised by our college wherein we have a multitude of events in the field of Fine Arts, Literary & Performing Arts. It serves as a platform for the students to display their talents and skills thereby competing with students from different colleges.

U.G. & P.G. - 2023-24 PROSPECTUS

PARENT – TEACHER’S ASSOCIATION

The purpose is to ensure interaction between parents and teachers and to obtain feedback from them. Meetings are held regularly to communicate to the parents the progress of their wards and also to receive feedback.

HEALTH CLUB

The college provides immediate medical aid in case of any emergency. One of our teacher's is an Ayurvedic practitioner who provides immediate professional first-aid.

COMMON ROOM FOR WOMEN

The college has a common room for girl students.

LANGUAGE ASSOCIATIONS

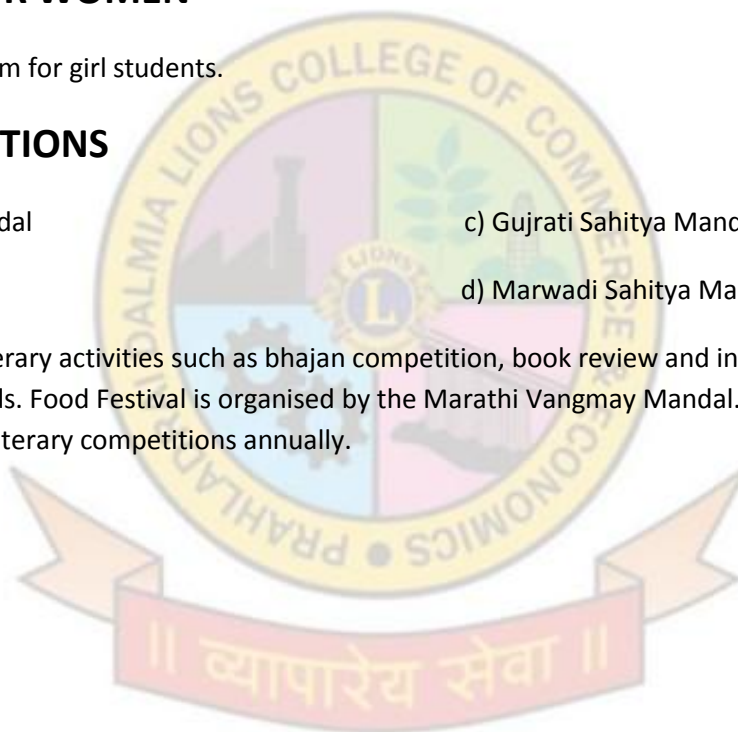

a) Marathi Vangmay Mandal

b) Hindi Sahitya Parishad

c) Gujarati Sahitya Mandal

d) Marwadi Sahitya Mandal

These associations conduct literary activities such as bhajan competition, book review and inviting esteemed authors and personalities from literary fields. Food Festival is organised by the Marathi Vangmay Mandal. Bhasha Diwas is celebrated by all Associations by organizing literary competitions annually.

FEE STRUCTURE FOR THE THREE YEAR COMMERCE COURSE

The college will collect the fees as per the guidelines issued by the University of Mumbai from time to time.

Fees are charged as per the University Circulate No. CONCOL/FEE/190 of 2008 dated 13th May, 2008 and other prescribed fees wherever applicable.

THE SCHEME OF EXAMINATION: Credit Based Evaluation System

The performance of the learners will be evaluated at the Semester End Examination carrying 100 marks for all the subjects except Foundation course.

The Foundation Course paper will be evaluated in two components. One component will be the Internal Assessment Component carrying 25% marks (Project) and the second component will be the Semester End Examination component carrying 75% marks.

Semester End Examinations - 100 marks

Duration - These Examinations shall be of 3 hours.

PASSING STANDARD

The learners to pass a course shall have to obtain the minimum of 40% marks in aggregate for each course in all subjects except Foundation Course.

In the subject of foundation Course, the learner shall have to obtain minimum of 40% marks (ie 10 out of 25) in project work and 40% marks in the Semester End Examination (i.e. 30 out of 75) pass. A learner will be said to have passed in the subject if the learner passes the Internal Assessment (Project work) and Semester End Examination together.

PERFORMANCE GRADING:

Letter grades and their equivalent grade point

Percentage of marks obtained	Grade Point	Grade	Performance
80.00 and above	10	O	Outstanding
70-79.99	9	A+	Excellent
60-69.99	8	A	Very Good
55-59.99	7	B+	Good
50-54.99	6	B	Above Average
45-49.99	5	C	Average
40-44.99	4	D	Pass
Less than 40	0	F	Fail
SGPI – Semester Grade Performance Index			

Allowed To Keep Terms (ATKT)

- 1) A learner shall be allowed to keep term for Semester II irrespective of number of Courses of failure in the Semester I.
- 2) A learner shall be allowed to keep term for Semester III if he/she passes each of Semester I and Semester II.
OR
A learner fails in not more than FOUR courses of Semester I and Semester II taken together with not more than TWO courses at each of Semester I and Semester II.
- 3) A learner shall be allowed to keep term for Semester IV irrespective of number of courses of failure in Semester III.
- 4) A learner shall be allowed to keep term for Semester V if he/she passes Semester I, Semester II, Semester III, and Semester IV.
OR
A learner shall pass Semester I and Semester II and fails in not more than FOUR courses of Semester III and Semester IV taken together with not more than 2 courses at each of Semester III and Semester IV.
- 5) A learner shall be allowed to keep term for Semester VI irrespective of number of courses of failure in the Semester V.
- 6) The learner can appear for Semester VI examination (subject to 4 & 5 above) but the result of Semester VI shall be kept in abeyance until the learner passes each of Semester I, Semester II, Semester III, Semester IV & Semester V

1. BACHELOR OF MANAGEMENT STUDIES (B.M.S.)

In words of Peter Drucker, “The Essence of management is to make knowledge productive”.

This is precisely what we try to do in this program of Management Studies. B.M.S. is a full time 3 – year undergraduate program – Affiliated to University of Mumbai. It is an extensive program of 6 semesters.

This program provides basic and comprehensive understanding of management and inculcates in the learners the managerial and entrepreneurial skills, thus augmenting their expertise and endowment. It gives commensurate exposure of the business world to the learners through interactive sessions, projects, industrial visits, guest lectures and expert talks, internship programs and business fairs.

Today, the corporate world is buzzing with cut-throat competition and anyone who has no niche skills is not deemed suitable for the job. This competition calls for professionally qualified graduates in the management sector who can take up the tasks and responsibilities of administrative jobs. The B.M.S. degree is essential to make students learn the fundamentals of management at the graduation level itself. This way, the students will not only be prepared well for jobs but they will also be able to take specialized master’s program with better understanding.

ELIGIBILITY CRITERIA:

A candidate for being eligible for admission to the B.M.S. Degree Program shall have passed:

- H.S.C. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent examination

OR

- Diploma in any Engineering branches with two years or three years duration after S.S.C. conducted by the Board of Technical Education, Maharashtra State or its equivalent examination

By securing minimum 45% marks for general category (in one attempt) at the respective Examination and minimum 40% marks for the reserved category (in one attempt).

No college shall conduct any entrance test in any form and the admissions are purely based on merit duly following the reservation policy as per the norms of Government of Maharashtra. While drawing the merit list, weightage is given to students from Arts, Commerce and Science Stream at 12th standard level. The stream wise weightage given is as under:

Stream	Commerce	Arts	Science	Diploma in Engineering and Other
Percentage	45%	25%	25%	5%

U.G. & P.G. - 2023-24 PROSPECTUS

CAREER OPPORTUNITIES:

- Event Management
- Advertising
- Public Relation

2. Bachelor of Commerce (Accounting & Finance)

“The word accounting comes from the word accountability. If you are going to be rich, you need to be accountable for your money”. - Robert Kiyosaki

Our college had introduced the Bachelor of Commerce (Accounting & Finance) Program from the Academic Year 2010-2011. It has a strong emphasis on developing analytical skill and offers a solid grounding and professional competence in all aspects of Commerce and Accountancy required for careers in the business and corporate sectors.

The Bachelor of Commerce (Accounting and Finance) aims to produce graduates who will produce innovative solutions to problems in the field of Accounting and Finance, apply research skills to business challenges and communicate effectively.

While the program is primarily theoretical, there is a good blend of projects, case studies and industrial visits to enable a student to get well-versed with the functioning of the Industry. There is also exposure to working in the industry during the Summer Internship Programs which is a compulsory component of the program.

ELIGIBILITY CRITERIA:

- A candidate for being eligible for admission to the Bachelor of Commerce (Accounting and Finance) degree program shall have passed H.S.C (XII std) examination of the Maharashtra Board of Higher Secondary Education or its equivalent and secured not less than 45% marks in aggregate at first attempt (40% in case of reserved category).
- Every candidate admitted to the degree program in the constituent/affiliated college/recognized institution, conducting the program, shall have to register himself/herself with the University.

CAREER OPPORTUNITIES:

After pursuing this degree program a student or learner is expected to get employed in the following job profiles like:-

- | | |
|---------------------|-----------------------|
| ➤ Accountant | ➤ Financial Analyst |
| ➤ Accounting Clerk | ➤ Credit Analyst |
| ➤ Auditor | ➤ Financial Advisor |
| ➤ Financial Officer | ➤ Financial Planning |
| ➤ Controller | ➤ Investment Advisor. |

While pursuing this program a student may be benefitted to crack IPCC/CPT attempts for further career orientation in the fields of **CA,CS ,CMA etc.**

4. BACHELOR OF COMMERCE (FINANCIAL MARKETS)

*"It's no longer above Strategic Development
It's about Financial Management."*

The University of Mumbai started the Bachelor of Commerce (Financial Markets) program in 2008-2009. The program not only aims at training students to gain knowledge in the ever changing field of Financial Markets but also leads to the all-round development of their personality.

The B.F.M. program provides comprehensive training to students in the field of Financial Markets by way of interaction, projects, presentations, industrial visits, practical training, job orientation and placements. It is a perfectly designed full time program for all those aspiring to make a career in the growing and ever evolving field of Financial Markets.

This program provides the student an insight into the various aspects of Financial Markets which includes understanding finance and money, investments, risks, economics, various instruments used in financial markets, legal parameters, communication skills etc.

BFM is for those students who are basically interested in stock markets and trading and wish to make a career in this field. This program is designed to cater to a niche requirement of professionals in financial markets who can analyse debt, equity, capital and commodities markets with a focus on stock trading, equity research and financial analysis.

ELIGIBILITY CRITERIA:

- A candidate for being eligible for admission to the Bachelor of Commerce (Financial Markets) degree program shall have passed XII std. examination of the Maharashtra State Board of Secondary & Higher Secondary Education or its equivalent and secured not less than 45% marks in aggregate (40% in case of reserved category) **at one and the same sitting.**
- Every candidate admitted to the degree program in the constituent /affiliated college/recognized institution, conducting the program, shall have to register himself/herself with the University.

CAREER OPPORTUNITIES:

- Banks
- Finance Companies
- Business Schools Insurance Industry
- Consultancies
- Charitable Associations/Trusts Mortgage Companies
- Shopping Malls
- Savings and Loan Associations
- Credit Union

5. Bachelor of Arts in Multimedia and Mass Communication

“What the mass media offers is not popular art, but entertainment which is intended to be consumed like food, forgotten, and replaced by a new dish.”

Bachelor of Arts in Multimedia and Mass Communication is a media centric program. It is a 3 year Degree program designed to prepare efficient, competent and quality media professionals. After graduating from this program, the career options in the most demanding sector, which is media, opens its avenues for students. The program has been curated in such a manner which works on improving the knowledge of media along with various other life skills like communication, presentation and digital expertise. B.A.(M.M.C.) teaches the students, technical aspects of the field; understand the professional proficiency through detailed research, lucid writing skills, oral presentation skills and a mastery of various mass communication mediums in the present times. It aims to develop ability of critical thinking and creativity from the point of view of a media enthusiast. Our faculties are qualified and experienced professionals with wide-ranging experience of working in media organizations. Media makes a revolutionary change in the lives of its viewers. Without the expertise of media and journalists, the world might collapse with no one taking the initiative to spread the news from one place to another and keeping the world connected through the thread of media frenzy individuals. Now with media expansions all across the globe newer callings in the field of journalism, advertising, film making, editing, script writing, OTT, Online film selling and viewing portals etc. are on demand. This program is divided in six semesters and conducted under the guidelines and norms of University of Mumbai. This program has been properly designed to offer students a concrete ground in Media Education. This program has been specially crafted to suit the changing media needs.

6. BACHELOR OF SCIENCE (Information Technology)

"As Information Technology restructures the work situation, it abstracts the thought from action."

Information technology is now the vital role player in every sector. The B.Sc.(I.T.) program of Mumbai University is designed to provide basic inputs for a detailed understanding of I.T. and its interfaces. The focus is on "Information Technology and its administration". Today, smart, successful businesses use I.T. to give them an extra-edge to stay ahead of the competition. It is used for processes like Office-automation, Management Information Systems for fast decision making, Research & Development, testing, re-engineering and organizational transformation. The program takes the students beyond computer skills to Communication systems and Networking to e-commerce, internet security and Enterprise Resource Planning. Prahladrai Dalmia Lions College began this course in the academic year 2013-2014.

ELIGIBILITY CRITERIA:

- A candidate for being eligible for admission to the degree program of Bachelor of Science-Information Technology, shall have passed XII standard examination of the Maharashtra Board of Higher Secondary Education or its equivalent with Mathematics and Statistics as one of the subject.
- Candidates who have passed Diploma (Three years after S.S.C. - X Std.) in Information Technology/ Computer Technology/ Computer Engineering/Computer Science/ Electrical, Electronics and Video Engineering and Allied Branches/Mechanical and Allied Branches/ Civil and Allied branches are eligible for direct admission to the Second Year of the B.Sc. (I.T.) degree program.

However, the Diploma should be recognized by the Board of Technical Education or any other recognized Government Body. Minimum marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidates.

OR

Candidates with post HSC-Diploma in Information Technology/Computer Technology / Computer Engineering / Computer Science/ and Allied branches will be eligible for direct admission to the Second Year of B.Sc. (I.T.). However, the Diploma should be recognized by the Board of Technical Education or any other recognized Government Body. Minimum Marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidates.

U.G. & P.G. - 2023-24 PROSPECTUS

CAREER OPPORTUNITIES:

Many I.T.companies are providing jobs to B.Sc. (I.T.) graduates. Job scope in I.T. sector is very wide right from computer hardware and networking to software. There are several other sectors too like Telecommunication, Office Automation in which IT is necessary. These sectors provide entry level jobs to B.Sc.(I.T.) graduates. You can even get a job in MNC(I.T. companies).

The basic job titles one sees for I.T.-related positions include Software Development (Programming), Website Development, Mobile App Development, Embedded System Programming, Embedded System Development, Software Testing, Networking, Database Administration, System Administration, Cyber Law Consultant, GIS (Geographic Information System), I.T. Service Desk, Security

MSc. I.T., MCA, MBA, MS, M.Sc. (Comp. Science)

PROGRAM DETAILS:

B.Sc. (I.T.) is a 3 years full time program. Each year is divided into 2 semesters. The course consists of 30 modules comprising of 29 papers and one project in the VI Semester. Each paper is of 150 marks of which 100 marks are for Theory Component and 50 marks for the Practical/Tutorial Component. The project will be evaluated for 150 marks.

U.G. & P.G. - 2023-24 PROSPECTUS

MASTER OF COMMERCE (M.COM)

"Money, not morality is the principle commerce of civilized nations."

M.Com is a Post Graduate Masters Degree Program focusing on Commerce, Accounting, Management & Economics related subjects. It leads to promotions for those who are already working and enhances the career profile. It is also a great help for other higher studies such as M.Phil. & Ph.D.

Masters in Commerce from Prahladrai Dalmia Lions College of Commerce & Economics is aimed at developing professionalism in vital field and adding value, from the social and employment prospective. Students are prepared as successful professionals with well-developed leadership skills. Well qualified and experience faculties are available who are approachable and accessible at all times.

ELIGIBILITY CRITERIA:

A candidate for being eligible for admission to the Master of Commerce program, shall have passed the examination for the degree of Bachelor of Commerce of this University (three years integrated course) or the degree of B.Com. (Old Course) of this University, or Bachelor of Commerce (Accounting and Finance)

OR

B.Com. (Banking and Insurance) **OR** B.M.S. degree examination **OR** an examination of any other University recognized as equivalent thereto.

OR

B.A.M.M.C. degree examination (only for Management Specialization subjects) at the M.Com. degree levels.

- The merit list is to be prepared and displayed stream wise.
- In case if no application is received from any stream, the vacant seats are to be distributed equally between the two streams only.
- After the first merit list is displayed, if any seat allotted to one stream remains vacant, the same shall be distributed equally between the remaining two streams. In case of vacancy in one stream is of single/odd number of seats, the single seat is to be allotted to the Arts Stream. In case if no application is available from the two streams, then all the vacant seats of such two streams must be transferred to the third stream. Step (c) be repeated for the subsequent merit lists till all the forms are exhausted or the final merit list is displayed, whichever is earlier.

CAREER OPPORTUNITIES:

Those who are looking for a career opportunity in public sector after M.Com can join various nationalized banks like State Bank of India, Union Bank of India as Probationary Officers.

FMCG companies are the major employers in the private sector. Apart from that, they can join reputed private banks and insurance companies as:
