

## **Report on Black Book Guidance Session**

A guidance session on the preparation of the Black Book was organized for TYBIM and TYBFM students on **12th December at 8:00 a.m.** in the **Auditorium**.

The session was conducted by **Dr. Aksha Memon, Founder of MindoMatic Academy**. The objective of the session was to provide students with a clear understanding of the Black Book requirements and to guide them through the complete process of project work.

During the session, Dr. Aksha Memon explained the **format of the Black Book**, offered insights on **selecting an appropriate and relevant topic**, and discussed methods for **effective data collection and analysis**. Practical examples were shared to help students understand how to structure their work systematically and present their findings accurately.

The session was interactive, and students actively participated by raising queries related to topic finalization and data interpretation. Dr. Memon addressed their questions and provided valuable suggestions to enhance the quality of their project work.

Overall, the guidance session was informative and beneficial, helping students gain clarity and confidence in preparing their Black Books.
