REPORT FOR THE ACADEMIC YEAR

2024-25

Educational Field Visit Report: Visit to Mahim Bird Sanctuary

On October 21, 2024, the Department of commerce in association with IQAC organized an enriching Educational field visit to the Mahim Bird Sanctuary in Mumbai. A group of 20 students, accompanied by two teachers, Asst Prof. Anita Panigrahi and Asst Prof. Savita Kuril.

The students were warmly guided by Radha Vinod Sharma, the Director of Mahim Bird Sanctuary, who shared valuable insights into the protection and conservation of various bird species found in the sanctuary. She explained the significance of preserving natural habitats and the role of these sanctuaries in safeguarding biodiversity.

The visit provided an excellent opportunity for the students to learn about the local wildlife and the ongoing efforts to maintain ecological balance. The experience was both informative and inspiring, leaving the students with a deeper understanding of nature conservation.

The field visit was a successful initiative, encouraging the students to take an active interest in environmental preservation.

One Day Workshop on "Role of AI in Teaching, Learning, and Research"

Date: 6 february 2025

The Department of Commerce at Prahladrai Dalmia Lions college of commerce and economics organized an enlightening workshop on the topic **"Role of AI in Teaching, Learning, and Research"** for students and teachers of Senior College, and SFC. The session, held on 6/02/2025, was led by renowned AI expert and engineer, Mr. Jayant Deshmukh.

The session aimed to explore the transformative impact of Artificial Intelligence (AI) on the education sector. Mr. Deshmukh, with his vast expertise in AI and its applications, delved into the various ways AI is revolutionizing teaching, learning, and research.

In this Session 20 teachers and 17 students were participated. Compering was done by Dr.Sachin Bansode. Guest introduction was given by Dr. Kiran Mane. Vote of thanks given By Ms. Anita panigarahi and Report Prepared by Ms. Priya Biyani.

The session was well received by students,providing them with valuable insights into the Role of AI in Teaching and learning and Research.

Educational Field Visit Report: Visit to Carter Road Mangroves, Bandra West

DATE: 11/02/2025

The Department of Commerce, in association with the Green Cell and Nature Club, organized an educational visit to Carter Road Mangroves, Bandra West, Mumbai. A total of 38 students participated, accompanied by two teachers, Ms. Anita Panigrahi and Dr. Sachin Bansode.

The group was guided by Mr. Rehan Merchant, a social activist and Environmentalist who dedicated in protecting the environment and mangroves for the past 25 years. Mr. Merchant highlighted the critical role

mangroves play in maintaining ecological balance, protecting coastlines, and supporting biodiversity. He also motivated the students to take part in beach cleaning activities and the importance of community involvement in environmental conservation.

The visit was not only informative but also served as an inspiring call to action for the students to engage in sustainable practices and protect the environment. The event was a success, leaving the students with a deeper sense of responsibility toward nature conservation.

Report on EVS Exhibition Organized by Department of Commerce

Date:14/02/2025

The Department of Commerce, under the subject of Environmental Studies (EVS) and in association with the Green Cell, organized an innovative exhibition at the college auditorium. A total of 87 students participated in the event, divided into 16 groups, each presenting unique and creative ideas related to environmental conservation.

The exhibition was inaugurated by Principal, Prof. Dr. D.N. Ganjewar. The exhibition featured a range of projects that showcased students' dedication and innovative thinking toward addressing environmental issues.

The projects were evaluated by judges Mr Sandip Gupta and Ms Anushka kamble, who assessed each idea based on its originality, practicality, and relevance to environmental sustainability. The event was a great success, fostering creativity and awareness among the students while promoting the importance of environmental conservation.
