Report on DLLE . BEACH CLENING ACTIVITY

- **Event Name -**

  DLLE – BEACH CLEANING DRIVE

- **Name of the Convenor-**

  DR. Mahendra Pachadkar

- **Event Description-**

  On **21ˢᵗ September, 2024**, a beach clean-up drive was organized by the DLLE Unit inassociation with "My Green Society" and Lions Club of Malad Borivli", at Marvey Beach The beach area was piled with flowers, plastic and other remains of the festival. Our team consists of 250students of had gone their including extension work teachers. We reported at the beach at 6:40 am. Firstly all the students were provided gloves and masks for the safety purpose. Then we started to clean the beach. All the members were working with great dedication. Due to that dedication, we were able to complete our agenda. We had made different garbage collectors for the dry waste and for the wet waste.

  Gloves and mask were provided to all the students near the beach. As soon as the gloves and the masks were received, the DLLE unit started their work of cleaning the beach. The Management members were present whole time with the students and they visited the location and appreciated the members for their hard work, determination and dedication towards the aim to make the environment clean. After the clean-up drive, the concerned authority came to collect the waste which was cleaned by the DLLE Unit.

  The organic waste collected was around 400 kg and the non-organic waste was around 150 kg separately.
