

Activity/Report

BSc.(I.T.) / Dlita : BSc.(I.T.)

Name of the Activity: E-waste Collection Drive

Date: 14th October 2023

Time: 11:00AM to 1:00PM

Venue: Foyer Area near Gate

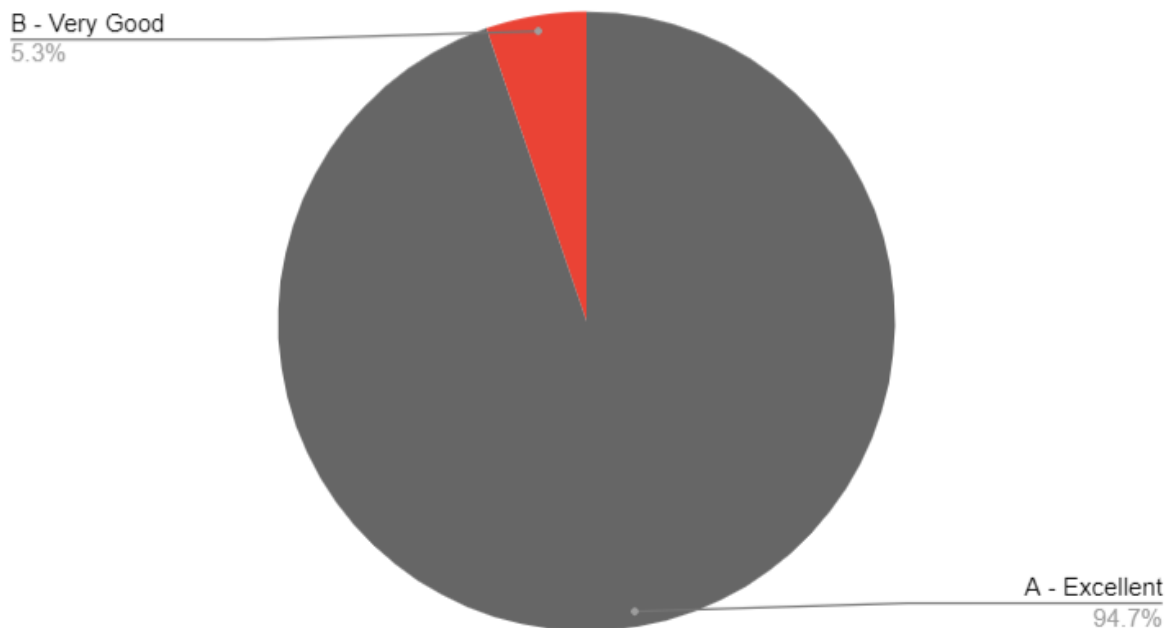

Description :

Our PDLC Management and DLITA Team had organized an E-waste Collection Drive on 14/10/23 at 11:00 am in the college. Event was started by Prof. Rupali Mishra, Coordinator of B.Sc.I.T. Our awesome BSc.IT association D'LITA, i.e. Dalmia Lions I.T. Association along with Green Cell are the organisers for the event of e waste collection drive.

We have started collecting waste in the year 2016-17. And since then each year we are conducting this activity through our B.Sc.I.T. association, Dlita. This is one of our best practices. This collection drive will start from 14th October 23 to 28th October 2023 from 11am to 1pm near college gate excluding sundays and bank holidays.

This e waste collection and recycling is a simple and tangible way to demonstrate our institutions commitment to social and environmental values, and reinforces those principles to our students.
