

MISSION:
Nurture Skills, Promote Performance and Enrich Employment

VISION:
To Empower, Encourage and Inspire by being the epicentre of development

The idea is to raise confidence, improve productivity and give direction through proper skill development. The course methodology of 'Skill development' is innovative, which include games, group discussions, brainstorming sessions, practical experiences, case studies etc. Development of skills, at a young age, right at the college level, is very essential to channelize them for proper job opportunities. Skill development will enable the youths to get blue-collar jobs.

This Programme is an attempt to shape a student's personality with regards to the different behavioural dimensions those which has far reaching significance for the students. After three years of continuous efforts and reaching the set mile stone 2016-17 was remarkable year to yet another mile stone which was set by being **AFFILIATED to Skill Development and Vocational Training Institute Of India (SDVTII)**. The added value certification OF **NSDC & MBTB** will helps the students in procuring good opportunities for job (sp. Govt. sector) and entrepreneurship.

Below listed are the **Features of Value added courses offered under SEED Programme:**

- Campus based training
- Activity based session
- Constant Feedback Session
- Updated curriculum
- Parents Teachers Students Co-ordination
- Highly Qualified and sector specific professional trainers
- Only 25 hours training
- Real Life examples
- Personal Counselling

As rightly said by our beloved P. M. Shri N. Modi "We need to give importance to skill development because this way we can end unemployment Skill development remains our priority. We are blessed with a demographic dividend that can take us to great heights. Our mission is skill development. There can be no development with a satiated system"

Following the Path to achieve the task Affiliation was finalized to easily bridge the gap between Campus to Corporate

Add on Values of SDVTII Affiliation

1. SDVTII will provide know-how, support in finalizing course curriculum, placement tie-up, online and offline examinations, assessment, certification, faculty selection support, quality checks and support for obtaining appropriate government skill schemes to your organization.

Skills Regalia 2016-17

“Where a student blooms into an entrepreneur”

As we all know every didactic institute works for the betterment of the student's future, hence to polish the student's personality, to help them develop new skills and for making the student's job ready, the **Student Enrichment And Employment Development Programme (SEED)** was introduced in the year 2014. This year the SEED programme introduced an intercollegiate competition on 11th Dec 2016 “SKILLS REGALIA” a platform where the students from different colleges were given an opportunity to participate and showcase their talent in different events; which surely help the students to enhance their skills, building confidence and also helping the students in framing their personality as well as giving them the opportunity to win great cash prizes.

The event being TAILOR MADE experienced an overwhelming response from different college covering wide range of course. The entire event was distributed in two phase,

- 1) Intercollegiate Event

An inter-collegiate event: Personality Contest, Vedic Math's & Debate

Following intercollegiate competitions were held,
PERSONALITY CONTEST

Being the epicentre out of all events, students had the most liking.

Bifurcated into different stages.

Even Judges found the contest interesting and enjoyed being a part of judging committee.
