9. Mr. Vicky is planning to buy a machine which would generate cash flow as follows:
Investment amount Rs. 75000.

Year	1	2	3	4
Cash flow	32000	29000	25000	19000
DF @10%	0.909	0.826	0.751	0.683

Is it worth to buy this machine?

10. Hema deposits Rs. 40,000 today with a bank at 7% interest compounded annually.
How much amount will she get after 5 years. Find future value.

Basics of Industry and Service Management

1. State any 2 roles of industries in the economy with explanation.
2. State any 2 points in terms of the future of industry with explanation.
3. Explain any 2 points of importance of management in industries with explanation.
4. Explain any 2 characteristics of industry management with explanation.
5. Explain any 2 cons of industry management with explanation.
6. State any 2 features of industry with explanation.
7. Explain any 2 challenges faced by industries with explanation.
8. State any 2 reasons for managing industry with explanation.
9. Explain any 2 pros of industry management with explanation.
10. What do you mean by service industries with examples?

Entrepreneurship Development

1. State any 2 needs for entrepreneurs with explanation.
2. Explain any 2 core elements of entrepreneurship with explanation.
3. State any 2 essentials of entrepreneurs with explanation.
4. State any 2 functions of an entrepreneur with explanation.
5. State the starting 2 stages of the entrepreneurial process with explanation.
6. Explain any 2 nature of entrepreneurs with explanation.
7. State any 2 importance of entrepreneurship with explanation.
8. Explain any 2 principles of entrepreneurship with explanation.
9. Explain any 2 types of entrepreneur with explanation.
10. State any 2 motives behind being an entrepreneur with explanation.

Investment Products

1. Write two component of technical analysis?
2. Write two types of general insurance?
3. Write two types of bonds.
4. Write two names of index.
5. Write two tax saving investment.
6. Write two component of fundamental analysis?
7. Write two process of listing of bonds?
8. Write two advantages of bonds.
9. Write two types of mutual funds.
10. Write two parties in structure of mutual fund.

Introduction to Torts and Consumer Protection Act

1. Define Defamation
- 2 Define Trespass
3. Define vicarious liability
- 4 What do you understand by Duty of Care?
5. Define Res Ipsa Loquitur
6. Define Tort

- 7 Define Battery
8. Define Assault
9. Define Nuisance
10. Define Negligence

INVESTMENT MARKETING

1. What is marketing?
2. Explain any 2 scope of marketing.

7. Explain 7 P's of marketing.
8. What is CRM?
9. What is the marketing mix?
10. Explain any 2 advantages of marketing.

FINANCIAL MATHEMATICS - II

1. Find the amount required to purchase Rs.5 shares with total face value of Rs.17,700 at a 20% premium per share. The brokerage is 0.30% on the market price.
2. A person invested Rs.5,500 on 2nd of every month for 4 months in SIP of a Mutual Fund, with NAV's Rs53.12, Rs.48.86, Rs.50.44 and Rs 54.62 respectively. The entry load was 1.25% throughout this period. Find the average acquisition cost per unit.
3. Find 4 yearly moving average for the following data.

Years	1999	2000	2001	2002	2003	2004	2005	2006	2007
Production(in thousand units)	12	16	19	22	25	32	30	35	44

4. Fit a straight-line trend by the method of least square for the following data.

Years	1999	2000	2001	2002	2003	2004	2005
Production(in thousand units)	14	15	17	19	17	22	25

5. From the following data calculate I_{ME} .

Commodity	Base year		Current year	
	Price	Quantity	Price	Quantity
A	4	15	5	20
B	8	20	12	30
C	6	25	8	20
D	14	10	21	15

6. A person invested Rs.1,500 on 3rd of every month for 4 months in SIP of a Mutual Fund, with NAV's Rs12.2568, Rs.11.5687, Rs.13.5879 and Rs 14.2587 respectively. The entry load was 0.75% throughout this period. Find the average acquisition cost per unit.

7. Find 3 yearly moving average for the following data.

Years	2000	2001	2002	2003	2004	2005	2006	2007
Production(in thousand units)	111	115	116	118	119	120	122	124

8. Fit a straight-line trend by the method of least square for the following data.

Years	2000	2001	2002	2003	2004	2005	2006	2007
Production(in thousand units)	111	114	116	117	119	120	122	124

Environment management and Sustainable development II

1. Define Water pollution. Discuss the causes, effects and solutions to control water pollution.
2. Explain how Noise Pollution can be dangerous. Suggest a plan to reduce Noise pollution in metropolitan cities.
3. Write a detailed note on Wildlife protection act, 1972.
4. Discuss the objectives and major achievements of the Kyoto Protocol, 1997.
5. Benefits of ISO 140001
6. Types of Eco labelling
7. Millennium Development goals
8. Pollution Control and management
9. Global Warming

CO-CURRICULAR

Students should make a project on any one of the topic given below:

1. Role of Rituals and Festivals in the Evolution of Performing Arts
2. Guru–Shishya Parampara and Its Relevance Toda
3. Folk Theatre Traditions of India
4. The Relationship between Music, Dance, and Drama
5. Body Language and Facial Expressions in Performance
6. Interconnection between Performing and Fine Arts
7. Careers in Performing and Fine Arts
8. Women Artists and Performers in Indian Art History
9. Challenges Faced by Traditional Artists Today
