| Il the amounts are inclusive of GST              | 0,10,000             |

units are inclusive of GST

Q3.A) An importer from Gujarat imports goods from an exporter in Canada. The vessel carrying the goods reaches Mumbai port first and from there goods are transshipped to Gujarat port. Determine the assessable value of the imported goods under the Customs Act, 1962, from the following particulars:

| Particulars                                                                  | (1: | 5)     |
|------------------------------------------------------------------------------|-----|--------|
|                                                                              | Aı  | nount  |
| Cost of the machine at the factory of the exporter                           | CAD | 54,000 |
| Transport charges from the factory of exporter to the port for shipment      | CAD | 2,200  |
| Handling charges paid for loading the machine in the ship                    | CAD | 250    |
| Freight charges from exporting country to India                              | CAD | 6,500  |
| Buying commission paid by the importer                                       | CAD | 250    |
| Charges for design and engineering work undertaken for the machine in Canada | CAD | 10,000 |
| Transport charges from Mumbai to Gujarat port                                | INR | 70,000 |

Actual insurance charges paid are not ascertainable. Exchange rate is CAD 1 = 57.

Q3.B) Mr. Sambhu imported goods from a Singapore supplier by air, which was contracted on CIF basis. However, there were changes in prices in the international market between the date of contract and actual importation. As a result of several negotiations, the parties agreed for a negotiated price payable as follows:

| Particulars         | In SGD         |               |                  |  |  |
|---------------------|----------------|---------------|------------------|--|--|
| Gradus Book also Ma | Contract Price | Changed price | Negotiated Price |  |  |
| CIF value           | 8,000          | 8,900         | 8,800            |  |  |
| Freight charges     | 400            | 700           | 600              |  |  |
| Insurance           | 300            | 500           | 500              |  |  |

Commission to local agent was paid @ 1% of F.O.B. in SGD.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Date     | BCD | Exchange rate    |                |

3. M/s Govind Ltd register taxable person file normal return on July, 31 which was due on 21st July 2022. What fees Govind should pay?

4. Bill of Entry (Fill the following)

| Types                 | Color of BOE | No of Copies for BOE |
|-----------------------|--------------|----------------------|
| For Home Consumption  | ?            |                      |
| ?                     | Yellow       | ?                    |
| For Ex Bond Clearance | ?            |                      |

Q4.B)(ii) Krishna Ltd. a manufacturer has exported following goods to Brazil. You are required to calculate duty these goods based on information given below – (7)

| Product | FOB value of exported goods | Market price of goods | Duty drawback |
|---------|-----------------------------|-----------------------|---------------|
| P       | 8,70,000                    | 7,20,000              | 28% of FOB    |
| Q       | 12,00,000                   | 13,00,000             | 3% of FOB     |
| R       | 2,40,000                    | 1,80,000              | 0.80% of FOB  |
| S       | 6,00,000                    | 7,00,000              | 1.20% of FOB  |

Other information:

- > Imported value of Product Q is Rs.16,00,000.
- > Product S is manufactured out of duty free inputs.

Working notes should form part of your answer.

Q5.A)(i) Explain Provisions for Furnishing the Returns by Taxable Person under GST. (8)

Q5.A)(ii) State & Explain different types of Duties charged under Customs Law. (7)

OR

Q5.B) Write Short notes (Any 3)

(15)

- a) Electronic Cash Ledger
- b) E-way Bill
- c) Social Welfare Surcharge
- d) Types of Warehouse
- e) TCS Provision Under GST.

Notes :- 1) All questions are compulsory.

- 2) Each question carries 15 Marks.
- 3) Figures to the right indicate full marks.
- 4) Working should form part of answer.

Q.1 A) Match the Column (Any 8):

(8)

| Column A                     | Column B                            |
|------------------------------|-------------------------------------|
| 1) Master Budget             | A) Always Unfavorable               |
| 2) Limiting Factor           | B) Variable Cost                    |
| 3) BEP                       | C) Based on Marginal Cost           |
| 4) Sales Budget              | D) Limiting Factor                  |
| 5) Minimum Price             | E) Decrease in BEP                  |
| 6) Increase in Selling Price | F) Equal to Marginal Costing        |
| 7) Key Factor                | G) Estimate of sales                |
| 8) Make or Buy               | H) No Profit, No loss stage         |
| 9) Marginal Cost             | I) Constraint                       |
| 10) Idle Time Variance       | J) Summary of all functional budget |

B) State whether the statements True of False (Rewrite the sentence) (Any 7):

(7)

- 1) Excess of actual cost over standard cost is a favorable variance.
- 2) Cost incurred in the past is future cost.
- 3) Flexible budget is rigid.
- 4) Budget manual is budget prepared annually.
- 5) Sales manager is responsible for efficient buying.
- 6) Labour strike causes idle time variance.
- 7) The most profitable sales mix is the one which gives maximum contribution.
- 8) Contribution variance is under the control of management.
- 9) P/V ratio shows the relationship between contribution & sales.
- 10) At shutdown point operating loss is equal to loss due to shutdown.

## Q.2. The Jayawant Battery Co, furnishes you the following income information:

(15)

### Year 2019

|               |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Rs.          |        | Rs.         |     |
| Sales         |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 8,10,000     |        | 10,26,000   |     |
| Profit earned | 30 | The same of the sa | 21,600       | A. 200 | 64,800      |     |

From the above, you are asked to compute the following assuming that the fixed cost remains

the same in both the periods:-

- 1. Profit / Volume Ratio
- 2. Fixed Cost
- 3. Break Even Point in Rs.
- 4. Amount of profit or loss when sales are Rs. 6,48,000
- 5. Amount of sales required to earn a profit of Rs. 1,08,000

OR

Following information is available:

|                    | Product 'X' Per Unit Rs. | Product 'Y' Per Unit Rs. |  |  |
|--------------------|--------------------------|--------------------------|--|--|
| Direct Material    | 80                       | 5 100                    |  |  |
| Direct Wages       | 40.                      | 50                       |  |  |
| Variable Overheads | 30                       | 50.                      |  |  |
| Selling Price      | 200                      | 275                      |  |  |

Total Fixed Overheads Rs. 20,000/-

From the following alternative which sales mixed will bring higher profits.

- a) 250 units of X and 150 units of Y
- b) 150 units of X and 250 units of Y
- c) 400 units of X only
- d) 400 units of Y only
- e) 200 units of X and 200 units of Y

Support your answer with working.

Q.3. A department company, Gunjal stores attains a sale of Rs.12,00,000 at 80% of its normal capacity and as expenses are given below:

| Particulars           | Rs;         |
|-----------------------|-------------|
| Administration Cost   |             |
| Office Salaries       | 1,80,000    |
| General Expenses      | 2% of Sales |
| Depreciation          | 15,000      |
| Rates and Taxes       | 17,500      |
| Selling Cost          |             |
| Salaries              | 8% of Sales |
| Travelling Expenses   | 2% of Sales |
| Sales Office Expenses | 1% of Sales |
| General Expenses      | 1% of Sales |
| Distribution Cost     | a de        |
| Wages                 | 30,000      |
| Rent                  | 1% of Sales |
| Office Expenses       | 4% of Sales |

Draw up flexible administration, selling and distribution costs budget operating at 90%, 100% and 110% of capacity.

OR

An estimate shows that there is a market for 10,00,000 units of an electric bell. Two big companies, producing this electric bell will probably divide the market. Among other companies, producing the bell Avadbut Ltd. should get 15% of the total market. 60% of Avadhut sales will probably be evenly divided between the first and the less calendar quarter of the year, with twice as many sales being made in the second quarter as in the third.

The bell sells for Rs. 30 a met, with manufacturing costs as follows

| Partic                 | ulars | 3  | 0  | Rs. | 00    |
|------------------------|-------|----|----|-----|-------|
| Direct Material Cost   | .6    | 25 | 25 | 3   | 15    |
| Direct Labour Cost     | 07    | 2  | 3  | 35  | 7.50  |
| Variable Overhead Cost | 10    |    | 0  | 50  | 2.50  |
| Fixed Overhead Cost    |       | 3  | 3  | 1,0 | 0,000 |

Prepare a sales budget for the year showing cost of production and gross profit by calendar quarter Assume no change in the inventory levels during the

Q.4. Calculate material and labour variances form the talls

For 5 units of product X the standard data Material - 80 Kg

@ Rs. 50 per 1

Labour - 200 Kg

@ Rs. 5 per hour

Actual Data:-

Actual Production - 5,000 units

Material - 79,800 kg

@ Rs. 52 per 1

Labour - 2,00,000 Hours

@ Rs. 4.90 per hour

om the following information about sales, variances

a) Total Sales Variance,

b) Sales Price

c) Sales Volume Variance

d) Sales Mix Variance.

e) Sales Ouzant

|       | Units  | Standar<br>Rate in I<br>Per uni | Rs. | Rs      | Units  | Actual Rate in Rs per unit | Rs.    |
|-------|--------|---------------------------------|-----|---------|--------|----------------------------|--------|
| A     | 5,000  | 1                               | 5   | 25,000  | 6,000  | 6                          | 36,000 |

|        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                    |                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |      |

- 8. The Elliott wave theory states that major moves take place in five successive steps.
- 9. Efficient market hypothesis assumes that there are a smaller number of buyers and sellers.
- 10. All security factors are determined by CML.

Q2 ) (A)From the following available information analyse the two portions are formance

| Mutual Fund | Return (%) | Standard Deviation | Beta (5) |
|-------------|------------|--------------------|----------|
| A           | 12%        | 15                 | 0.80     |
| В           | 16%        | 22                 | 0.75     |
| C           | 21%        | 37                 | 1.15     |
| D           | 13%        | 24                 | 132      |

Risk Free rate of return is 10% and Face Value is Rs.100

Evaluate the performance of these mutual funds using Same Reports Ratio.

Comment on the evaluation after ranking the funds.

Q2) (B) Mr. Jitu purchased 100 shares of Tata Motors Ltd. 2017. He paid a brokerage of Rs. 500. He received dividends from the control of Rs. 500. He sold all his holdings in January 2018 @ Rs.670 each. He had a sold all his holding period return. (05)

OR

Q2) (C) What is the meaning of Portfolio Management? The meaning of Portfolio Management.

Q2) (D) Explain the types of investors (10)

Q3) (A) Following information is available about two stocks which are the part CAPM -

| Company      | <b>Expected retu</b> | rns (%) | Standard devia | tion (%) | Seta | - |
|--------------|----------------------|---------|----------------|----------|------|---|
| A Ltd.       | ? 18                 | (       | 14             | 50       |      |   |
| B Ltd.       | 25                   |         | 20             | 3        | 130  |   |
| CORAB = 0.19 | 9 0                  |         |                | 5 3      |      |   |

- a) What is the market portfolio expected rate of return and the market portfolio expected rate of th
- b) If you invest 25% in A Ltd. and balance in B Ltd., what is the second and portfolio standard deviation? (08)

3) (B) The return of Shiva Ltd. and the market portfolio is give

| 1 | Probability | Re         | turns (%)      |
|---|-------------|------------|----------------|
| 1 | Tobability  | Shiva Ltd. | Market portion |
| 1 | 0.30        | 30         | -II            |
| 1 | 0.40        | 20         | N I            |
| 1 | 0.30        | 00 (Zero)  |                |

You are required to calculate -

| (a) | The expected returns of Shiva Ltd. and the market portion  | (05) |
|-----|------------------------------------------------------------|------|
| b)  | The covariance between the market portfolio and Shive Ltd. | (05) |

c) The Beta for Shiva Ltd. (05)

## Q4) (A) Following is the balance sheet of Arni Ltd. As on 31st March, 2017

Balance Sheet as on 31-03-2017

| Liabilities                  | Amount   | Assets       | Amount   |
|------------------------------|----------|--------------|----------|
| 8 % Preference share Capital | 56,000   | Fixed Assets | 3,38,000 |
| Equity Share Capital         | 1,00,000 | Investment   | 39,000   |
| Reserve                      | 1,04,000 | Cash &       | 13,000   |
| Long term loan               | 1,82,000 | Debtors      | 52,000   |
| Creditors                    | 44,200   | Stock        | 78,000   |
| Provision for Tax            | 33,800   | 3            |          |
| Total                        | 5,20,000 | Total        | 5,20,000 |

Income statement for the year ended 31-03-2017

| Particular                | Amount     |
|---------------------------|------------|
| Net Sales                 | 3,90,000   |
| Less : Cost of goods Sold | (3,35,400) |
| Gross Profit              | 54,600     |
| Less: Operating Expenses  | (22,750)   |
| Operating Profit (EBIT)   | 31,850     |
| Less: Interest            | (9,100)    |
| Net profit Before Tax     | 22,750     |

### Additional information

- 1. Tax Rate = 30%
- 2. Face value of Equity share = Rs 10
- 3. Proposed Dividend = 5%
- Market Price of Equity share = Rs 35 per share

### Complete the income statement and calculate the following ratios: c) Debt Equity ratio

- a) Interest Coverage ratio b) EPS
- d) P/E ratio
- e) Dividend pay-out ratio
- f) Gross Profit ratio i) Operating Profit Ratio

- g) Current ratio
- h) Proprietary ratio

Q4) (B) Discuss types of chart pattern in technical analysis

(80)(07)

- Q4) (C) What are the phases of portfolio management
- Q5) (A) How is systematic risk and unsystematic risk of portfolio calculated as per single index (08)

(07)

Q5) (B) Explain various objectives of portfolio management.

### Q5) (C) Short Notes (Any three).

(15)

## Q1.B. Match the Column (Any 7)

(07)

| Column A                           | Column B                              |
|------------------------------------|---------------------------------------|
| 1.Super Profit                     | a. Initial Payment                    |
| 2.Normal rate of return            | b. Excess of FMP over Normal Profit   |
| 3. Horizontal Merger               | c. Rate of Interest Plus Rate of Risk |
| 4.Conglomerate                     | d. Merger of unrelated line           |
| 5.Creditors accepting part payment | e. Two Companies in the Same line     |
| 6.Loss on Revaluation of asset     | f. Compromise                         |
| 7. Hire Purchase Price             | g. Debit Capital Reduction            |
| 8.Down Payment                     | h. Cash Price Plus Interest           |
| 9.Bill Payable                     | i. Normal Profit over FMP             |
| 10. Working Capital Finance        | j. Cash Price less Interest           |
|                                    | k. Spontaneous Source of Finance      |
|                                    | Provided against inventories          |

# Q2.A. The Balance Sheet of Abhishek Ltd. as on 31/03/2023 is as follows: Balance Sheet As On 31/03/2023

(15)

| Liabilities                        | Amount Rs. | Assets               | Amount Rs. |
|------------------------------------|------------|----------------------|------------|
| 4,000 Equity share of Rs. 100 each | 4,00,000   | Land & Building      | 2,20,000   |
| General Reserve                    | 40,000     | Plant & Machinery    | 2,60,000   |
| Profit & Loss A/c                  | 64,000     | Patent & Trademark   | 44,000     |
| Creditors                          | 2,56,000   | Stock                | 60,000     |
| Income Tax (provision)             | 1,20,000   | Bank                 | 1,04,000   |
|                                    |            | Preliminary Expenses | 24,000     |
|                                    | 3          | Debtors              | 1,68,000   |
|                                    | 8,80,000   |                      | 8,80,000   |

25686

Page 1 of 4

1. The assets are valued as under:

| Land & Building   | Rs. 3,80,000 |
|-------------------|--------------|
| Goodwill          | Rs. 2,80,000 |
| Plant & Machinery | Rs. 2,82,500 |

- 2. One of Debtors it was found that debtors of Rs. 8,000 are bad.
- 3. The proof of the Company has been as follows:

| YEAR      | Rs.      |
|-----------|----------|
| 2020-2021 | 1,60,000 |
| 2021-2022 | 1,80,000 |
| 2022-2023 | 2,12,000 |

- 4. The Co. follows the practise of transferring 25% of profits to General Reserves.
- 5. Same type of business earns 10%.

Calculate the value of business under:

- a. Intrinsic Value
- b. Yield Value

Profit after Tax (PAT) = Rs 4,542 P/E Ratio = 2

## Paper / Subject Code: 85603 / Financial Management - III

# Q3.A. The following information is provided related to the acquiring firm S Limited and the target firm T limited.

| Particulars       | S Limited      | T Limited    |
|-------------------|----------------|--------------|
| Earning After Tax | Rs 8,000 lakhs | Rs 600 lakhs |
| Number of Shares  | 800 lakhs      | 300 lakhs    |
| P/E ratio (Times) | 10             | 5            |

### Required:

- 1. What is the swap ratio based on current market price?
- 2. What is the EPS of S Limited after acquisition?
- 3. What is the expected market price per share of S Limited after acquisition assuming P/E ratio of T Limited remains unchanged?
- 4. Determine the market value of the merged firm
- 5. Calculate gain/loss for shareholders of the two independent companies after acquisition.

# Q3.B. The balance sheet of VST limited as on 31/03/2022 as follows: Balance sheet as on 31/03/2022
