Use of Google Classroom provide Digital Services :

In an attempt to make information available to our users during the corona pandemic college Library made use of Google Classroom is used extensively to provide information about new arrived periodicals in the Library. All the readers were given an option to get a scanned full text article by sending an email to the Library.

All the users were acquainted with the National Digital Library of India. Links were sent on google classroom to register for the NDLI. To make available to learners community learning resources through a single window, National Mission on Education through Information & Communication Technology (NMEICT) has sponsored the National Digital Library of India (NDLI) Project.

Swayam is a programme initiated by the Government of India. The objective of this effort is to take the best teaching learning resources to all. Because of this purpose, links were shared on google classroom to joint various courses.
